The Communications Office, would like to set up an on-going process for scheduling our interns for pictures with the President and Vice President, during their internships. We will have interns coming and going, hopefully, year around.

Presently, we only have 2 interns in the Communications staff, but we are expecting more over the next few weeks.

Please give me direction on these procedures. I can be reached at extension 2245.

FROM: HOLLY WILLIAMSON *HW*

RE: INTERNS

The following lists my tentative plan for the Public Affairs and Media Relations interns this session:

WEEK 1 -- Presidential Departure

WEEK 2 -- Rose Garden Reception

WEEK 3 -- The West Wing and Lower Residence

WEEK 4 -- Capital Hill tour and sit-in the gallery

WEEK 5 -- The Pentagon tour

WEEK 6 -- The State Department tour

This summer, when we have more interns, I can schedule briefings and/or speakers at different places such as the Pentagon.

I talked with Kathy Super, in scheduling, about photo-ops with the President and Vice President. They are going over their policy now, but it is sounds like they may schedule only group photos and not individual pictures for all interns.

If you have any further ideas, please let me know.

SUBJECT: INTERN PROGRAM

Sorry we had to postpone the briefing by David Demarest, but we will reschedule when he returns from his European trip with the President.

A few notes on activities for the next two weeks:

1. Please RSVP to me for the West Wing tour scheduled on Wednesday, July 12. If no one signs up, I will cancel our appointment which is scheduled for 7:10 p.m.
2. Thursday July 6th, an Eastern European Symposium is scheduled in OEOB Room 450 from 3:10 - 6:30 p.m. It should be very interesting and will involve some complex issues. If you are interested in attending any portion of the briefing, please let me know later today or early Thursday morning. I have a schedule of the event and the speakers.

Also there is a chance that OPL will need additional help for the event. If you can volunteer, please let me know.

3. OPL is holding a large event on Friday July 7 for Little League Baseball players that will involve approximately 5000 guests. If you can volunteer to help and would like to attend, please let me or Charles Bacarisse know.

We are still hoping for a group photo of the President and interns sometime in late July. I will keep you posted as I hear more definite plans.

RE: OCTOBER 3RD ARRIVAL CEREMONY

The White House will be closed for tours October 3rd for an Official Arrival Ceremony in honor of President Carlos Salinas de Gortari of Mexico.

- The event is a ticketed ceremony with limited distribution. Staff with more than six guests should submit a list of names, birthdates, and social security numbers to the Visitors Office for consideration no later than Tuesday, September 26th. Tickets should be picked up from the East Appointment gate on Monday, October 2nd.
- Passholders may personally escort up to six non-ticketed guests through the Southwest gate beginning at 8:45 a.m.
- Passholders may place guests on the South Lawn, past the southern most ropeline (behind the military guard area).
- Staff is reminded that the gold rope areas, surrounding the podium, are for special ticket holders only; guests of the Administration. Guests for that area must be cleared through the Visitors Office.

Thank you for your attention to the above guidelines.

RE: SCHEDULING PHOTOS FOR INTERNS

Per our conversation last April, the Communications Office has interns during three calendar periods . . . Fall, Spring, and Summer. It would be most rewarding for the Fall interns to have a photo opportunity with the President during their time here at the White House.

We would like to set up a photo opportunity with the President for our eight current Fall interns sometime before they leave in late November-early December. As you know, interns are very hard-working and conscientious and they have helped immensely in the day-to-day operations of all our offices.

Your assistance would be most appreciated. I can be reached at extension 2247.

SCHEDULING PHOTOS FOR INTERNS

Each school term (Fall, Spring, and Summer) The Communications Office has a different group of interns working with us. We presently have eight interns working in our various offices.

Our current Fall group has expressed an interest in scheduling a photo opportunity with Mrs. Bush. Such an opportunity would not only give our interns a chance to meet Mrs. Bush, but would also serve as a great token of our appreciation for their hard work.

Your assistance in with this request would be most appreciated. I can be reached at extension 2245.
