MEMORANDUM FOR WHITE HOUSE PRESS STAFF

FROM: LYNN MCKENZIE *LMM*  
SUBJECT: PRESIDENTIAL TRAVEL SUMMARY

With "end of the year" activity, we have received numerous inquiries as to numbers on Presidential travel.

Attached, for your use and information, is a final (and hopefully accurate) Presidential Travel Summary as of 1/20/90 -- one year in office. The previous summary received by our office was only through December 23 and the numbers were not able to answer several questions we received.

This summary lists travel: 1) By the calendar; 2) To cities, listed alphabetically and the number of times visited; 3) To states, listed alphabetically; 4) To foreign countries, listed alphabetically; and 5) In a brief summary which shows domestic vs. foreign locations, number of days in parentheses, and Presidential mileage.

This summary does not include weekends at Camp David. If you have any suggestions please call me for future updates. Also, if you can think of any other office that would benefit from this summary, please let me know.
