MEMORANDUM FOR SPEECHWRITERS AND RESEARCHERS

FROM: STEPHANIE L. *SA*
RE: THE NEW YELLOW SCHEDULE

Please note that there are researchers assigned to more than their regular person. With Beth coming on shortly and the other changes that will be occurring, all of us are going to have to help out where needed. Some of the assignments are quite simple, I'll try not to overload you. Let me know if you have any suggestions or if you are going to be taking vacation during a time that I have assigned you to a speech.

Thanks guys! I'll help where and when I can.
