Date June 19 1951

Re our phone conversation about the Pittsburgh
Penguin Hockey Team & Joe Albo from Barasso.

Mr. Barasso's 4 yr. old daughter Colby has

Neuroblastoma, a very serious childhood cancer.

She was diagnosed 2 yrs. ago. She has had surgery,

chemo therapy & a bone marrow transplant.

Mr. & Mrs. Barasso have organized a foundation to

raise money for childhood cancer research. In less than

a year they have raised over \$100,000. The entire team is

very active in this organization.

Because Mrs. Barasso's child died of leukemia

it was thought this would be of interest to you. In addition,

to the fact that the team is very involved in this.

The physician who takes care of the child is
