PROPOSED VIDEO MESSAGE  
CONGRESSMAN FLOYD SPENCE

Good evening to everyone in Columbia, South Carolina! It's wonderful to join you for tonight's important event. Floyd, on this special night, let me congratulate you on the outstanding job you're doing for the American Lung Association of South Carolina and for the state of South Carolina in the U.S. Congress.

Without a doubt, they could not have selected an honorary chairman who is more committed, more dedicated to their cause than you. And Floyd, let me say that your personal courage is not only an inspiration to South Carolinians, but to all Americans.

But, let me also acknowledge and applaud everyone attending tonight's event. The support you give to the American Lung Association will reach far beyond the borders of South Carolina. There's much more work and research that needs to be done before we can claim victory in the fight against respiratory disease but, with your generous commitment and determined spirit, I'm confident it's only a matter of time before we win the battle.

Thank you all for the wonderful work you do. And, Floyd, thank you for your leadership in this fight. Best of luck, have a great evening, and God bless you all.

PROPOSED VIDEO MESSAGE  
BOB HOPE CHARITY DINNER

Good evening. It's a great pleasure to cross the Pacific Ocean and join you this evening in Tokyo. I'm sure this audience holds many friends and acquaintances of mine, but let me offer a special "hello" to Bob Hope. Bob, I've known you long and well enough to know that you're always off on the "Road To Somewhere" to help someone in need. And that's what takes you to Japan for the "Bob Hope Charity Dinner." Bob, these days it seems like you get around faster than a rumor in Washington! But, as always it's for a good cause -- just like tonight's.

While the "Bob Hope Charity Dinner" is only in it's third year, you've already taken giant strides toward the goal of conquering cancer. Yes, it's an ambitious goal, but of vital importance to everyone the world over and I congratulate Dr. Kohno and the many dedicated individuals who have helped make this effort a success. Cancer knows no national boundaries, no cultural differences, and no age group. What we do know is that all of humanity will benefit from a cure for this deadly disease. And, tonight's dinner will help reach this goal.

But, that's just like Bob Hope. Wherever there's someone that needs help, or a cause that needs a boost, chances are that Bob Hope will be hosting a dinner or swinging a golf club to lend

a helping hand. Bob, your generosity truly extends to all parts of the globe.

Thank you for including me in tonight's dinner. Your work in this important fight inspires us all.

PROPOSED VIDEO MESSAGE  
CONGRESSMAN FLOYD SPENCE

Good evening to everyone in Columbia, South Carolina! It's wonderful to join you for tonight's important event. Floyd, on this special night, let me congratulate you on the outstanding job you're doing for the American Lung Association of South Carolina, *and for the state of South Carolina in the U.S. Congress!*

Without a doubt, they could not have selected an honorary chairman who is more committed, more dedicated to their cause than you. And Floyd, let me say that your personal courage is not only an inspiration to South Carolinians, but to all Americans.

But, let me also acknowledge and applaud everyone attending tonight's event. The support you give to the American Lung Association will reach far beyond the borders of South Carolina. There's much more work and research that needs to be done before we can claim victory in the fight against respiratory disease but, with your generous commitment and determined spirit, I'm confident it's only a matter of time before we win the battle.

Thank you all for the wonderful work you do. And, Floyd, thank you for your leadership in this fight. Best of luck, have a great evening, and God bless you all.
