PRESIDENTIAL REMARKS: FUNDRAISER FOR PETE WILSON
San Francisco, California
September 19, 1990

30 SEP 13 P 4: 43

Thanks, Pete -- it's great to be back in California for such a good cause. You know, when they called about this fundraiser, they said to me: "it would be a big boost if this country's most famous Republican came here to help out." I replied: "Fine. What time do you want Millie to be there?" \\

George [Deukmejian] -- thanks for another one of your warm welcomes -- it's great you're here helping out the man who's going to be your successor. What a terrific act to follow. \\

Looking around, I see lots of reasons why the California GOP is going to be so strong in November: the rest of your ticket -- Marian [Bergeson] for Lieutenant Governor; Joan [Milke Flores], for Secretary of State; and Matt [Fong], for Controller. And a special thanks to Frank [Fisco], your State Chair; and to Katie [Boyd], Gene [Trefethen] and Ben [Biaqqini], who have done such a wonderful job at pulling this event together -- twice. \\

You have to agree, there's a very great and formidable woman involved in this gubernatorial race ... but of course Gayle [Wilson] is much too modest to admit it. \\

I did have my doubts about coming back to California today, though. Our latest Agriculture Department figures show that your state is the leading producer of broccoli. \\
Sort of gives a new meaning to the Big Green movement. \\

Being in San Francisco reminds me of when I congratulated

the '49ers at the White House after their second Super Bowl. I asked Joe [Montana], "so, what do you think about a 'threepeat'?" He looked at me and said, "Mr. President, I thought you were restricted to only two terms." \\\

The '49ers are fantastic champions: but we're all here today to show the respect and friendship and confidence we feel for another champion: a champion of the environment \\\ a champion for victims of crime \\\ a champion for hard-working taxpayers \\\ a champion of the American vision.\\\ The Champ: Pete Wilson.\\\

Listen to what people say about him. President Reagan calls him "principled." George [Deukmejian] calls him "experienced." Congressman Campbell calls him "dedicated"; Congressman Lewis calls him "respected." \\\ And even his opponent calls him "wonderful." \\\ As for me: I plan to call him "Governor."\\\

Because, as we look ahead to the year 2000, when California's population could soar from 28 to 40 million, we realize that this state needs a Governor committed to the quality of life issues: protecting natural assets; \\\ fighting crime and drugs; \\\ ensuring economic security; \\\ creating more jobs and opportunities. \\\ That person is my friend, Pete Wilson. \\\

It was important to have Pete in the Senate -- it's now vitally important to have him in Sacramento, where he can continue his ^{support for the} ~~environmental activism~~. You know, in this area -- as in all areas of Pete's commitment -- he holds a position of conviction, not convenience. He wrote the first coastal protection act before the environmental movement even began. And he's long fought

for clean air -- to remove toxic emissions, smog and acid rain from our once-pure skies. Clean Air has been one of our Administration's top priorities as well. I urge the Congress to send me a Clean Air bill I can sign. We must see ^{balanced, rational Clean Air} legislation enacted this year -- because it's one of the most important endowments we can make to protect the ecology of our nation and the world. \\

✓
(CA)

I think of how the late photographer Ansel Adams described Californian beauty: "It's always a sunrise, a glitter of green and golden wonder in a vast edifice of stone and space." Pete will preserve that for our children and our children's children. \\

These future generations also need the legacy of a strong economy led by a Governor with a truly exceptional fiscal record. Pete will give them that. After all, not only did he balance eleven straight budgets as mayor--he also received the "Watchdog of the Treasury" award in Washington for his anti-spending role.

[[And no domestic issue has been more on our minds than our economy during the budget talks -- so it's a triumph for the nation that we've reached this critical bipartisan agreement. \\]]

When I spoke to Congress last week, I said I wanted to be able to tell the American people that we've truly solved our deficit problem. But, I added, in order for me to do that, there were five tests that the budget agreement would have to meet.

First: It must include the measures I spelled out to increase economic growth and reduce dependence on foreign oil. \\ Second: It must be fair to all programs and all people. \\ Third: It must address the growth of government's hidden liabilities. \\

Fourth: it must reform the budget process; and it must be real. \\
 And fifth: it must avoid anything that would threaten economic growth or return us to the days of punishing income taxes. \\ \\

[[I'm delighted to stand here and tell you that this historic agreement does meet these tests. \\ That's why every citizen can be pleased with it and with the future it guarantees for our nation. And that's why I want to thank the members from both parties who have put America first in issuing this joint decision. Together, let us all look forward to -- and work for -- the promise of an exciting and strong new future that's now within our grasp. \\ \\]]

And there's one other subject on everyone's minds that I want to talk about today: our commitment to the situation in the Persian Gulf. This is something Pete, a former military man and outspoken Senator, understands first-hand. Time and circumstances have proven him farsighted: Pete Wilson has always eloquently supported the utterly essential need for a strong defense. \\

Five weeks ago, we sent our troops half a world away because we were compelled by the moral compass that guides our nation. \\ As Americans, we could not ignore this brutally aggressive act of terrorism against international law and order. \\ \\ Nor could the rest of the civilized world. The unity of outrage across the globe; \\ the depth of support in the Gulf; \\ and the ferocity of condemnation in the United Nations \\ are unprecedented. \\ \\

And now Sadaam Hussein has been given notice by the extraordinary joint declaration that President Gorbachev and I signed

in Helsinki. It is an absolutely unparalleled message of super-power solidarity: a clarion call for Iraq to comply -- immediately and completely -- with the five resolutions so urgently ordered by the U.N. Security Council. \\ And it heralds a new era for our world: the Soviet Union and the United States standing together in vigorous condemnation of an outlaw's barbarism. \\

What a dramatic legacy for our children to inherit: this stunning new partnership of nations. Ours is the generation to finally see the emergence of the promising, exciting new world order which we have sought for generations. And we are witness to the first demonstration of this new partnership for peace: the triumph of the world response to Sadaam's aggressive ambition.

So the U.N., the U.S., the Soviet Union, and countries across the globe have issued with one voice these unequivocal demands:

One: Iraq must withdraw totally and immediately from Kuwait.

Two: Iraq must restore Kuwait's legitimate government. \\

And three: Iraq must free all hostages in both countries. \\

Humanity itself will tolerate nothing less. \\

If Iraq does not meet these non-negotiable conditions, then President Gorbachev and I agree that its isolation will not end. We affirmed that we're prepared to take additional steps if sanctions and the quest for a political resolution do not work. \\

We cannot think about the Persian Gulf without remembering our young men and women there -- joined by brave compatriots of armed forces from countries spanning four continents -- all standing firm and unyielding in the distant desert sands.

Young Americans like 18-year-old Michael Pigeon of Detroit, who wanted to join the Marines here in California in order to serve his country in the Gulf. But he wasn't accepted because he was 30 pounds overweight. Here was a young man who yearned so desperately to defend the American values that mean everything to him, that he walked the 2,500 miles from his home in order to reach his dream -- and his goal. Not only did he make it to the San Diego boot camp, but he lost the weight along the way, and today -- Mike is a proud Marine. He says now that marching in combat boots will be no problem for him.\\ [Gives a new meaning to "I'd walk a mile for a camel."\\\]

Mike's brand of patriotic self-sacrifice reflects the incredible spirit of the people across this land. Splendid Americans from children to great-grandmothers who are giving our brave young servicemen and women support filled with love and pride -- coming from warm hearts as big and generous as the open sky over this country's heartlands.

It's touching to hear of the grass-roots efforts swelling from coast to coast. Radio stations volunteering to tape family messages to send to soldiers. Enough cookie air lifts to fill the ~~new~~^e Air Force One. Army mothers encouraging everyone to fly their flags in honor of our young people far from home. Yellow ribbons waving their bright, silent tribute from Maine to Arizona; Oregon to Florida. I've even heard of a group of women who have formed a group called MASH: Mothers Against Sadaam Hussein.

Once again the people of our country have come together to

✓
(COA)

show the world our finest strengths -- American optimism; unity; unselfishness; the wonderful values of family; and the good, sound "old-fashioned" morality that made this country what it is: the best and brightest place on earth. \\

I know that every American looks forward to the day when our extraordinary young men and women will return home to a nation proud of its ideals of freedom, integrity and honor -- a nation committed to its tradition of preserving, protecting and defending those precious beliefs which have always made America a beacon of hope and freedom to the world.

God bless them, and God bless the United States of America.

Third: It must address the growth of government's hidden liabilities. \\
\\

4

Fourth: it must reform the budget process; and it must be real. \\
And fifth: it must avoid anything that would threaten economic
growth or return us to the days of punishing income taxes. \\ \\

[[I'm delighted to stand here and tell you that this
historic agreement does meet these tests. \\ That's why every

- the promise of an exciting and strong new future that's now
within our grasp. \\ \\]]

And there's one other subject on everyone's minds that I
want to talk about today: our commitment to the situation in the
Persian Gulf. This is something Pete, a former military man and
outspoken Senator, understands first-hand. Time and circumstan-
ces have proven him farsighted: Pete Wilson has always eloquently
supported the utterly essential need for a strong defense. \\

Five weeks ago, we sent our troops half a world away because
we were compelled by the moral compass that guides our nation. \\
As Americans, we could not ignore this brutally aggressive act of
terrorism against international law and order. \\ \\ Nor could the
rest of the civilized world. The unity of outrage across the
globe; \\ the depth of support in the Gulf; \\ and the ferocity
of condemnation in the United Nations \\ are unprecedented. \\ \\

And now Sadaam Hussein has been given notice by the extra-
ordinary joint declaration that President Gorbachev and I signed

in Helsinki. It is an absolutely unparalleled message of super-
power solidarity: a clarion call for Iraq to comply -- immedi-
 ately and completely -- with the five resolutions so urgently
 ordered by the U.N. Security Council. || And it heralds a new era
for our world: the Soviet Union and the United States standing
together in vigorous condemnation of ^{outrageous aggression} ~~an outlaw's barbarism~~. |||

What a dramatic legacy for our children to inherit: this
 stunning new partnership of nations. Ours is the generation to
finally see the emergence of the promising, exciting new world
order which we have sought for generations. And we are witness
 to the first demonstration of this new partnership for peace: ~~the~~
^{a united,} ~~triumph~~ of the world response to Sadaam's aggressive ambition.

So the U.N., the U.S., the Soviet Union, and countries across
 the globe have issued with one voice these unequivocal demands:

One: Iraq must withdraw totally and immediately from Kuwait.

Two: Iraq must restore Kuwait's legitimate government. ||

And three: Iraq must free all hostages in both countries. |||

Humanity itself will tolerate nothing less. |||

If Iraq does not meet these non-negotiable conditions, then
 President Gorbachev and I agree that its isolation will not end.
We affirmed that we're prepared to take additional steps if sanc-
tions and the quest for a political resolution do not work. |||

We cannot think about the Persian Gulf without remembering
 our young men and women there -- joined by brave compatriots of
 armed forces from countries spanning four continents -- all
 standing firm and unyielding in the distant desert sands.

PRESIDENTIAL REMARKS: FUNDRAISER FOR PETE WILSON
San Francisco, California
September 19, 1990

90 SEP 13 P 4: 43

Thanks, Pete -- it's great to be back in California for such a good cause. You know, when they called about this fundraiser, they said to me: "it would be a big boost if this country's most famous Republican came here to help out." I replied: "Fine. What time do you want Millie to be there?" \\\

George [Deukmejian] -- thanks for another one of your warm welcomes -- it's great you're here helping out the man who's going to be your successor. What a terrific act to follow. \\\

Looking around, I see lots of reasons why the California GOP is going to be so strong in November: the rest of your ticket -- Marian [Bergeson] for Lieutenant Governor; Joan [Milke Flores], for Secretary of State; and Matt [Fong], for Controller. And a special thanks to Frank [Fisco], your State Chair; and to Katie [Boyd], Gene [Trefethen] and Ben [Biaggini], who have done such a wonderful job at pulling this event together -- twice. \\\

You have to agree, there's a very great and formidable woman involved in this gubernatorial race ... but of course Gayle [Wilson] is much too modest to admit it. \\\

I did have my doubts about coming back to California today, though. Our latest Agriculture Department figures show that your state is the leading producer of broccoli. \\\ Sort of gives a new meaning to the Big Green movement. \\\

Being in San Francisco reminds me of when I congratulated

the '49ers at the White House after their second Super Bowl. I asked Joe [Montana], "so, what do you think about a 'threepeat'?" He looked at me and said, "Mr. President, I thought you were restricted to only two terms." \\\

The '49ers are fantastic champions: but we're all here today to show the respect and friendship and confidence we feel for another champion: a champion of the environment \\\ a champion for victims of crime \\\ a champion for hard-working taxpayers \\\ a champion of the American vision.\\\ The Champ: Pete Wilson.\\\

Listen to what people say about him. President Reagan calls him "principled." George [Deukmejian] calls him "experienced." Congressman Campbell calls him "dedicated"; Congressman Lewis calls him "respected." \\\ And even his opponent calls him "wonderful." \\\ As for me: I plan to call him "Governor."\\\

Because, as we look ahead to the year 2000, when California's population could soar from 28 to 40 million, we realize that this state needs a Governor committed to the quality of life issues: protecting natural assets; \\\ fighting crime and drugs; \\\ ensuring economic security; \\\ creating more jobs and opportunities. \\\ That person is my friend, Pete Wilson. \\\

It was important to have Pete in the Senate -- it's now vitally important to have him in Sacramento, where he can continue his environmental activism. You know, in this area -- as in all areas of Pete's commitment -- he holds a position of conviction, not convenience. He wrote the first coastal protection act before the environmental movement even began. And he's long fought

for clean air -- to remove toxic emissions, smog and acid rain from our once-pure skies. Clean Air has been one of our Administration's top priorities as well. I urge the Congress to send me a Clean Air bill I can sign. We must see legislation enacted this year -- because it's one of the most important endowments we can make to protect the ecology of our nation and the world. \\

I think of how the late photographer Ansel Adams described Californian beauty: "It's always a sunrise, a glitter of green and golden wonder in a vast edifice of stone and space." Pete will preserve that for our children and our children's children. \\

These future generations also need the legacy of a strong economy led by a Governor with a truly exceptional fiscal record. Pete will give them that. After all, not only did he balance eleven straight budgets as mayor--he also received the "Watchdog of the Treasury" award in Washington for his anti-spending role.

[[And no domestic issue has been more on our minds than our economy during the budget talks -- so it's a triumph for the nation that we've reached this critical bipartisan agreement. \\]]

When I spoke to Congress last week, I said I wanted to be able to tell the American people that we've truly solved our deficit problem. But, I added, in order for me to do that, there were five tests that the budget agreement would have to meet.

First: It must include the measures I spelled out to increase economic growth and reduce dependence on foreign oil. \\ Second: It must be fair to all programs and all people. \\ Third: It must address the growth of government's hidden liabilities. \\

Fourth: it must reform the budget process; and it must be real. \\
 And fifth: it must avoid anything that would threaten economic
 growth or return us to the days of punishing income taxes. \\ \\

[[I'm delighted to stand here and tell you that this
 historic agreement does meet these tests. \\ That's why every

BUT WE CAN'T THINK ABOUT THE PERSIAN GULF WITHOUT REMEMBERING OUR YOUNG MEN AND WOMEN THERE -- JOINED BY BRAVE COMPATRIOTS OF ARMED FORCES FROM COUNTRIES SPANNING FOUR CONTINENTS -- ALL STANDING FIRM AND UNYIELDING IN THE DISTANT DESERT SANDS.

the Arab response has been extraordinary. And

FIRST: IT MUST INCLUDE THE MEASURES I SPELLED OUT TO INCREASE ECONOMIC GROWTH AND REDUCE DEPENDENCE ON FOREIGN OIL. \\ SECOND: IT MUST BE FAIR TO ALL PROGRAMS AND ALL PEOPLE. \\ THIRD: IT MUST ADDRESS THE GROWTH OF GOVERNMENT'S HIDDEN LIABILITIES. \\ FOURTH: IT MUST REFORM THE BUDGET PROCESS; AND IT MUST BE REAL. \\ AND FIFTH: IT MUST AVOID ANYTHING THAT WOULD THREATEN ECONOMIC GROWTH OR RETURN US TO THE DAYS OF PUNISHING INCOME TAX RATES. \\ \\

I WANT TO STAND IN FRONT OF THE AMERICAN PUBLIC AND TELL YOU THE NEGOTIATORS HAVE COME UP WITH AN AGREEMENT THAT MEETS THESE TESTS. I WANT TO TELL YOU THAT THE AGREEMENT REFLECTS NOT ONLY THE IMPROVEMENT IN EAST-WEST RELATIONS, BUT ALSO OUR BROADER RESPONSIBILITIES TO DEAL WITH THE CONTINUING RISKS OF OUTLAW ACTIONS AND REGIONAL CONFLICT. \\ I HOPE WE WILL SEE THIS AGREEMENT SOON -- AND I LOOK FORWARD TO SAYING TO AMERICA: TOGETHER, LET US ALL WORK FOR THE PROMISE OF AN EXCITING AND STRONG NEW FUTURE THAT'S NOW WITHIN OUR GRASP. \\ \\

ONE: IRAQ MUST WITHDRAW TOTALLY AND IMMEDIATELY
FROM KUWAIT.

TWO: IRAQ MUST RESTORE KUWAIT'S LEGITIMATE
GOVERNMENT. \\
AND THREE: IRAQ MUST FREE ALL
HOSTAGES IN BOTH COUNTRIES. \\\ HUMANITY ITSELF WILL
TOLERATE NOTHING LESS. \\\

IF IRAQ DOES NOT MEET THESE NON-NEGOTIABLE
CONDITIONS, THEN ITS ISOLATION WILL NOT END. \\
WE ARE
PREPARED TO TAKE ADDITIONAL STEPS IF SANCTIONS AND THE
QUEST FOR A POLITICAL RESOLUTION DO NOT WORK. \\\

IN THE MEANTIME, ACTION THROUGH DIPLOMATIC CHANNELS CONTINUES. JUST THIS PAST WEEKEND, THE U.N. SECRETARY GENERAL PASSED ITS 7TH RESOLUTION, IN THIS CASE CONDEMNING IRAQ FOR ITS ILLEGAL TREATMENT OF FOREIGN DIPLOMATS. AND LAST THURSDAY THE U.N., WITH OUR SUPPORT, PASSED SECURITY COUNCIL RESOLUTION 666, ESTABLISHING A FRAMEWORK SO THAT FOOD CAN BE DELIVERED UNDER CLOSE SUPERVISION TO IRAQ AND KUWAIT IF HUMANITARIAN REASONS SO REQUIRE. THIS WILL PROVIDE A FAIR PROCEDURE FOR ALLOWING FOOD TO REACH CIVILIANS IN NEED -- INNOCENT CHILDREN, MOTHERS, THE SICK AND THE ELDERLY. \ \

AND ON FRIDAY I SENT TO CONGRESS A REQUEST THAT WILL PROVIDE THE LEGAL MECHANISM FOR THE U.S. TO SHARE THE EXTRAORDINARY BURDEN OF OUR PRESENCE IN THE GULF WITH OUR FRIENDS AND ALLIES. IT'S IMPORTANT THAT A CONSIDERABLE PART OF THIS EFFORT BE BORNE BY THOSE BEING DEFENDED AND BY THOSE BENEFITING FROM THE FREE FLOW OF OIL. AND I'M GRATIFIED AT THE INTERNATIONAL WILLINGNESS TO HELP. THE ARAB RESPONSE HAS BEEN EXTRAORDINARY. AND LAST WEEK ALONE, JAPAN'S PRIME MINISTER KAIFU PLEDGED \$4 BILLION; AND GERMANY AGREED TO CONTRIBUTE \$2 BILLION, PLUS TRANSPORT SHIPS AND PLANES. \ \

YOUNG AMERICANS LIKE 18-YEAR-OLD MICHAEL PIGEON OF DETROIT, WHO WANTED TO JOIN THE MARINES HERE IN CALIFORNIA IN ORDER TO SERVE HIS COUNTRY IN THE GULF. BUT HE WASN'T ACCEPTED BECAUSE HE WAS OVER THE WEIGHT LIMIT. HERE WAS A YOUNG MAN WHO YEARNED SO DESPERATELY TO DEFEND THE AMERICAN VALUES THAT MEAN EVERYTHING TO HIM, THAT HE TREKKED THE 2,500 MILES FROM HIS HOME IN ORDER TO REACH HIS DREAM -- AND HIS GOAL. NOT ONLY DID HE MAKE IT TO THE SAN DIEGO BOOT CAMP, BUT HE LOST THE WEIGHT ALONG THE WAY, AND TODAY -- MIKE IS ON HIS WAY TO BEING A PROUD MARINE. HE SAYS NOW THAT MARCHING IN COMBAT BOOTS WILL BE NO PROBLEM FOR HIM. \ \ [GIVES A NEW MEANING TO "I'D WALK A MILE FOR A CAMEL." \ \ \]

MIKE'S KIND OF PATRIOTIC SELF-SACRIFICE REFLECTS THE INCREDIBLE SPIRIT OF THE AMERICAN PEOPLE. SPLENDID AMERICANS FROM CHILDREN TO GREAT-GRANDMOTHERS. THEY GIVE OUR BRAVE YOUNG SERVICEMEN AND WOMEN LOVING SUPPORT AND PROUD RESOLVE.

IT'S TOUCHING TO HEAR OF THE GRASS-ROOTS EFFORTS SWELLING FROM COAST TO COAST. RADIO STATIONS VOLUNTEERING TO TAPE FAMILY MESSAGES TO SEND TO SOLDIERS. ENOUGH COOKIE AIR LIFTS TO FILL CANDLESTICK PARK. A PEN PAL NETWORK TO MAIL GREETINGS TO SERVICEMEN AND WOMEN. ARMY MOTHERS ENCOURAGING EVERYONE TO FLY THEIR FLAGS IN HONOR OF OUR YOUNG PEOPLE FAR FROM HOME. YELLOW RIBBONS WAVING THEIR BRIGHT, SILENT TRIBUTE FROM MAINE TO CALIFORNIA; WASHINGTON STATE TO FLORIDA. \\ I'VE EVEN HEARD OF A GROUP OF WOMEN WHO HAVE FORMED A GROUP CALLED MASH: "MOTHERS AGAINST SADDAM HUSSEIN". \\

ONCE AGAIN THE PEOPLE OF OUR COUNTRY HAVE COME TOGETHER TO SHOW THE WORLD OUR FINEST STRENGTHS -- AMERICAN OPTIMISM; UNITY; UNSELFISHNESS; THE WONDERFUL VALUES OF FAMILY; AND THE WILL TO STAND UP FOR WHAT'S RIGHT AND GOOD. \\ STRENGTHS THAT FORM THE VERY HEART OF AMERICA -- AND THAT MAKE POSSIBLE THE FREEDOMS OUR BRAVE SERVICEMEN AND WOMEN ARE STRIVING TO DEFEND.

ONE OF THESE FREEDOMS IS THE RIGHT TO VOTE -- TO CHOOSE OUR FORM OF GOVERNMENT. \\ FELLOW REPUBLICANS, I CAN'T THINK OF ANYTHING THAT WOULD BETTER HONOR THESE HEROES THAN TO EXERCISE THAT PRIVILEGE. \\ AS WE DO, WE'LL STAND UP FOR AMERICA. WE'LL SHOW SADDAM HUSSEIN WHAT THIS GREAT NATION IS ALL ABOUT. \\ \\

I KNOW THAT EVERY AMERICAN LOOKS FORWARD TO THE DAY WHEN OUR EXTRAORDINARY YOUNG MEN AND WOMEN WILL RETURN HOME TO A NATION PROUD OF ITS IDEALS OF FREEDOM, INTEGRITY AND HONOR -- A NATION COMMITTED TO ITS TRADITION OF PRESERVING, PROTECTING AND DEFENDING THOSE PRECIOUS BELIEFS WHICH HAVE ALWAYS MADE AMERICA A BEACON OF HOPE AND FREEDOM TO THE WORLD. \\ \\

THANK YOU FOR YOUR WARM WELCOME AND THE SUPPORT YOU'RE GIVING TO NEXT GOVERNOR OF THIS GREAT STATE -- PETE WILSON. GOD BLESS YOU AND THE UNITED STATES OF AMERICA.

FIRST, I'VE CALLED ON CONGRESS TO ENACT A PACKAGE OF GROWTH-ORIENTED TAX INCENTIVES -- EVERYTHING FROM EXPANDED IRA'S AND FAMILY SAVINGS ACCOUNTS TO ENTERPRISE ZONES AND, YES, A CUT IN THE CAPITAL GAINS TAX. ONCE AGAIN THIS NOT A TAX BREAK FOR THE RICH. THE TREASURY ESTIMATES THAT MY PROPOSAL WILL NOT LOSE REVENUE -- IN FACT IT WILL INCREASE REVENUES TO THE FEDERAL GOVERNMENT. AND IT WILL CREATE JOBS. // THESE ARE THE STEPS WE MUST TAKE -- TO SPUR SAVINGS. ENCOURAGE INVESTMENT. EXPAND JOBS FOR THE MEN AND WOMEN OF AMERICA. INCREASE COMPETITIVENESS. TO GIVE THIS NATIONAL ECONOMY OF OURS MORE OF WHAT IT NEEDS TO KEEP ON GROWING. //

THAT'S JUST ONE REASON I'M COUNTING ON THIS TALENTED COLORADO TEAM. BECAUSE I NEED THE SUPPORT OF THE PEOPLE OF COLORADO -- AND THE VOTES UP ON CAPITOL HILL TO PUT THIS PRO-GROWTH PROGRAM INTO EFFECT. //

SECOND, I'VE CALLED ON THE CONGRESS TO TAKE FORWARD-LOOKING MEASURES TO ENCOURAGE ADDITIONAL ENERGY PRODUCTION -- HERE IN THE UNITED STATES. WE'VE INDULGED A DANGEROUS HABIT FOR FAR TOO LONG. I SAY TO YOU TODAY: WE MUST MOVE NOW TO END AMERICA'S EXCESSIVE DEPENDENCE ON FOREIGN OIL. // THAT MEANS ALTERNATE SOURCES, THAT MEANS MORE INCENTIVES TO INCREASE DOMESTIC DRILLING, AND, YES, THAT MEANS MORE CONSERVATION.

ONE: IRAQ MUST WITHDRAW TOTALLY AND IMMEDIATELY FROM KUWAIT.

TWO: IRAQ MUST RESTORE KUWAIT'S LEGITIMATE GOVERNMENT. \ \ AND THREE: IRAQ MUST FREE ALL HOSTAGES IN BOTH COUNTRIES. \ \ \ HUMANITY ITSELF WILL TOLERATE NOTHING LESS. \ \ \
