MEMORANDUM FOR CHRISS WINSTON

FROM: ROGER B. PORTER *RBP*

SUBJECT: Presidential Tapings: Congressional Candidate
Endorsements

We have reviewed the video scripts and have noted our comments on pages two and eleven of the attached draft. We are recommending changing the last sentence of the Bob Williams script to "And with Bob's experience in the timber industry, he'll fight hard for balance in Federal land management." We recommend this modification because we are currently formulating our position on the Spotted Owl issue and do not want to risk the possibility of having the President's statement misinterpreted or taken out of context.
