CHURCHILL AWARD \ ROSE GARDEN
TUESDAY, MAY 14, 1991 \ 1:25 P.M.

YOUR MAJESTY, YOUR ROYAL HIGHNESS PRINCE PHILIP,
AMBASSADOR LOEB, FRIENDS OF WHAT IS INDEED OUR SPECIAL
RELATIONSHIP. I CAN THINK OF NO GREATER SYMBOL OF THAT
RELATIONSHIP THAN THIS OCCASION: HERE WE HAVE THE
BRITISH SOVEREIGN PRESENTING AN AMERICAN PRIZE NAMED
FOR ONE OF BRITAIN'S GREATEST STATESMEN. //

HIS NAME WAS WINSTON CHURCHILL. HE WAS A MORNING
STAR OF LIBERTY.

- 2 -

LIKE GLADSTONE, HE BELIEVED IN FIDELITY TO HONOR. LIKE
THATCHER, HE RALLIED OTHERS TO THAT CAUSE. // YOUR
HIGHNESS, WE IN AMERICA STILL ARE INSPIRED BY THE
COURAGEOUS EXAMPLE SET BY YOUR FATHER AND HIS PRIME
MINISTER, WINSTON CHURCHILL.

WINSTON CHURCHILL PROVIDED HOPE WHEN THE FREE WORLD
HAD ABANDONED IT. HE WAS LIKENED TO THE BULL DOG --
BUT TO THE ENEMY HE WAS A PIT BULL. /

HE HELPED BRITAIN STAND TALL IN THE COUNCILS OF THE EUROPE -- AND MADE THE LAMP OF LIBERTY SHINE LIKE A BLIZZARD OF FIREFLIES IN THE NIGHT. //

WHAT MADE CHURCHILL SUCH A LEGEND? FIRST OF ALL, HIS GOLDEN RHETORIC MOVED FREE MEN NOT JUST TO APPLAUD BUT TO ACT. / HIS GREAT PHRASES WILL ECHO THROUGH THE AGES. THINK OF BRITAIN'S "FINEST HOUR" OR "BLOOD, TOIL, TEARS, AND SWEAT" OR HOW HE TOLD AMERICA, "GIVE US THE TOOLS, AND WE WILL FINISH THE JOB." //

CHURCHILL DIDN'T SIMPLY SPEAK WORDS. HE ARMED THEM, AND SENT THEM MARCHING OFF TO WAR. //

YET THERE WAS MORE TO CHURCHILL THAN RHETORIC. IN MANY WAYS, HIS LIFE HELPED LINK OUR LANDS. HE HAD AN AMERICAN MOTHER -- BUT HIS BIRTHRIGHT ECLIPSED BOUNDARY, AND NATION. // HE KNEW FOREIGN POLICY -- HAD STUDIED IT FOR YEARS. / TOO, HE REALIZED HOW EDUCATION WAS OUR MOST ENDURING LEGACY -- VITAL TO ALL WE ARE, AND CAN BECOME. //

THE CHURCHILL AWARD IS BESTOWED BY THE WINSTON CHURCHILL FOUNDATION, WHICH BEQUEATHS SCHOLARSHIP AND FELLOWSHIP PROGRAMS FOR AMERICANS TO STUDY AT BRITISH UNIVERSITIES. THESE PROGRAMS REFLECT THE PROMISE OF SCIENCE AND TECHNOLOGY -- BRANDISHING THE QUALITIES OF STEEL, INTEGRITY, CREATIVITY, AND CONVICTION -- THAT INDELIBLE, BRITISH ALLOY KNOWN AS CHARACTER. /

BY HONORING IT, WE UPHOLD CHURCHILL'S MEMORY: A LEGACY THAT DEFIES LIMITATIONS AND SALUTES THE HORIZONS OF TOMORROW. /

THREE TIMES, YOUR MAJESTY -- MORE THAN ANY INDIVIDUAL -- WINSTON CHURCHILL WAS ACCORDED THE HONOR YOU WILL RECEIVE ON THURSDAY -- ADDRESSING THE CONGRESS OF THE UNITED STATES. / EACH WAS A MEMORABLE OCCASION -- AND NONE MORE WHEN IN 1943, AS THE TIDE TURNED TOWARD THE ALLIES, HE TOLD AMERICA:

"BY SINGLENESS OF PURPOSE, BY STEADFASTNESS OF CONDUCT, BY TENACITY AND ENDURANCE SUCH AS WE HAVE SO FAR DISPLAYED -- BY THESE, AND ONLY BY THESE, CAN WE DISCHARGE OUR DUTY TO THE FUTURE OF THE WORLD AND TO THE DESTINY OF MAN." //

WINSTON CHURCHILL BELIEVED PASSIONATELY IN BRITAIN AND AMERICA. HE KNEW THAT ONLY FREE NATIONS COULD DISCHARGE THEIR DUTY TO THE MEEK AND OPPRESSED. / HE LIT THE FUSE OF HOPE UNDER WARTIME BRITAIN.

PRESIDING OVER THE DESTRUCTION OF THE GREATEST EVIL MANKIND HAS EVER KNOWN -- HE DISPLAYED TO ALL THE WORLD THE GREATEST GOOD THAT HUMANITY CAN DO. //

YOUR MAJESTY, LIKE THIS AWARD ITSELF, ITS NAMESAKE IS THE STANDARD AGAINST WHICH OTHERS ARE MEASURED. / I AM SURE THAT SIR WINSTON -- WHO SERVED AS PRIME MINISTER WHEN YOU ASSUMED THE THRONE -- WOULD BE HEARTENED TO KNOW THAT THE FRIENDSHIP BETWEEN OUR COUNTRIES IS STRONGER THAN EVER.

AND I KNOW IT WILL ONLY GET STRONGER AS YOU BEGIN YOUR
THIRD STATE VISIT TO THE UNITED STATES.

PRESIDENTIAL REMARKS: CHURCHILL AWARD
ROSE GARDEN
TUESDAY, MAY 14, 1991

Your Majesty, Prince Philip, Ambassador Loeb, friends of what is indeed our special relationship. It is a pleasure to welcome you to the White House -- and to receive an award honoring not merely a lion of winter -- but one of the greatest leaders of all time. //

His name was Winston Churchill. He was a morning star of liberty. Like Gladstone, he believed in fidelity to honor. Like Thatcher, he rallied others to that cause. // We can never reinvent him -- but we must never forget him. So we are here to recall what he meant, and what he was. //

Winston Churchill provided hope when the free world had abandoned it. He was likened to the bull dog -- but to the enemy he was a pit bull. / He helped Britain stand tall in the councils of the Europe -- and made the lamp of liberty shine like "a blizzard of fireflies in the night." //

What made Churchill such a legend? First of all, he forged a golden age of rhetoric. He moved free men not just to applaud but to act. / Think of "Britain's finest hour" or "Blood, toil, tears, and sweat" or how he told America, "Give us the tools, and we will finish the job." // Churchill didn't simply speak words. He armed them, and sent them marching off to war. //

✓
scully
45178

Yet there was more to Churchill than rhetoric alone. [He had the good sense to have an American mother] -- but his birthright eclipsed boundary, and Nation. // He knew foreign policy -- had studied it for years. / Too, he realized how education was our most enduring legacy -- vital to all we are, and can become. //

Do we
want to
say this
sully
5178

Listen to what he said in 19__ : "If the human race wishes to have a prolonged and indefinite period of prosperity, they have only got to behave in a peaceful and helpful way toward one another, and science will do for them all they wish and more than they can dream." //

The Churchill Award is bestowed by the Winston Churchill Foundation, which bequeaths scholarship and fellowship programs. All reflect the promise of science and technology -- brandishing the qualities of steel, integrity, creativity, and conviction -- that indelibly British mix known as character. /

By honoring it, we uphold Churchill's memory: A legacy that defies limitations and salutes the horizons of tomorrow. / Sir Winston taught us that in a world that is shaped by colossal events, an era can be shaped by a colossus of a man. //

Three times, Your Majesty -- more than any individual -- Winston Churchill was accorded the honor you will receive on Thursday -- addressing the Congress of the United States. / Each was a memorable occasion -- and none more when in 1943, as the tide turned toward the Allies, he told America: "By singleness of purpose, by tenacity and endurance such as we have so far

displayed -- by these, and only by these, can we discharge our duty to the future of the world and to the destiny of man." //

Winston Churchill believed passionately in Britain and America. He knew that only free Nations could discharge their duty to the meek and oppressed. / He lit the fuse of hope under wartime Britain. Presiding over the destruction of the greatest evil mankind has ever known -- he displayed to all the world the greatest good that humanity can do. //

Your Majesty, like this award itself, its namesake is the standard against which others are measured. / It is an honor to be with you -- and to receive an award saluting a man of whom it may be said: [God must have broken the mold even before He made him.] / Sir Winston Churchill.

PRESIDENTIAL REMARKS: CHURCHILL AWARD
ROSE GARDEN
TUESDAY, MAY 14, 1991

Your Majesty, Prince Philip, Ambassador Loeb, friends of what is indeed our special relationship. I can think of no greater symbol of that relationship than this occasion: Here we have the British sovereign presenting an American prize named for one of Britain's greatest statesmen. //

His name was Winston Churchill. He was a morning star of liberty. Like Gladstone, he believed in fidelity to honor. Like Thatcher, he rallied others to that cause. // Your highness, we in America still are inspired by the courageous example set by your father and his Prime Minister, Winston Churchill.

Winston Churchill provided hope when the free world had abandoned it. He was likened to the bull dog -- but to the enemy he was a pit bull. / He helped Britain stand tall in the councils of the Europe -- and made the lamp of liberty shine like a blizzard of fireflies in the night. //

What made Churchill such a legend? First of all, his golden rhetoric moved free men not just to applaud but to act. / His great phrases will echo through the ages. Think of Britain's "finest hour" or "Blood, toil, tears, and sweat" or how he told America, "Give us the tools, and we will finish the job." //

Churchill didn't simply speak words. He armed them, and sent them marching off to war. //

Yet there was more to Churchill than rhetoric. In many ways, his life helped link our lands. He had an American mother -- but his birthright eclipsed boundary, and Nation. // He knew foreign policy -- had studied it for years. / Too, he realized how education was our most enduring legacy -- vital to all we are, and can become. //

As he once said: "If the human race wishes to have a prolonged and indefinite period of prosperity, they have only got to behave in a peaceful and helpful way toward one another, and science will do for them all they wish and more than they can dream." //

The Churchill Award is bestowed by the Winston Churchill Foundation, which bequeaths scholarship and fellowship programs for Americans to study at British universities. These programs reflect the promise of science and technology -- brandishing the qualities of steel, integrity, creativity, and conviction -- that indelible, British alloy known as character. /

By honoring it, we uphold Churchill's memory: A legacy that defies limitations and salutes the horizons of tomorrow. /

Three times, Your Majesty -- more than any individual -- Winston Churchill was accorded the honor you will receive on Thursday -- addressing the Congress of the United States. / Each was a memorable occasion -- and none more when in 1943, as the tide turned toward the Allies, he told America: "By singleness

of purpose, by tenacity and endurance such as we have so far displayed -- by these, and only by these, can we discharge our duty to the future of the world and to the destiny of man." //

Winston Churchill believed passionately in Britain and America. He knew that only free Nations could discharge their duty to the meek and oppressed. / He lit the fuse of hope under wartime Britain. Presiding over the destruction of the greatest evil mankind has ever known -- he displayed to all the world the greatest good that humanity can do. //

Your Majesty, like this award itself, its namesake is the standard against which others are measured. / I am sure that Sir Winston -- who served as Prime Minister when you assumed the throne -- would be heartened to know that the friendship between our countries is stronger than ever. And I know it will only get stronger as you begin your third State Visit to the United States.

PRESIDENTIAL REMARKS: CHURCHILL AWARD
ROSE GARDEN
TUESDAY, MAY 14, 1991

Your Majesty, Prince Philip, Ambassador Loeb, friends of what is indeed our special relationship. *What greater symbol of that relationship could there be than to have the British welcome you to the White House -- and to receive an award sovereign present an American prize named in honor honoring not merely a lion of winter -- but one of the greatest of one of Britain's greatest statesman.*
~~It is a pleasure to~~
~~and to receive an award~~
~~honoring not merely a lion of winter -- but one of the greatest~~
~~leaders of all time. //~~

His name was Winston Churchill. He was a morning star of liberty. Like Gladstone, he believed in fidelity to honor. Like Thatcher, he rallied others to that cause. *The courageous leadership that your father and his Prime Minister, Sir Winston Churchill, provided during the darkest days of World War II inspires us still.*
~~// We can never~~
~~reinvent him -- but we must never forget him. So we are here to~~
~~recall what he meant, and what he was. //~~

Winston Churchill provided hope when the free world had abandoned it. He was likened to the bull dog -- but to the enemy he was a pit bull. / He helped Britain stand tall in the councils of the Europe -- and made the lamp of liberty shine like "a blizzard of fireflies in the night." //

What made Churchill such a legend? First of all, *his* ~~he~~ forged a golden age of rhetoric. *his phrase - Rogich* ~~He~~ moved free men not just to applaud but to act. / Think of "Britain's finest hour" or "Blood, toil, tears, and sweat" or how he told America, "Give us the tools, and we will finish the job." // Churchill didn't simply speak words. He armed them, and sent them marching off to war. //

Yet there was more to Churchill than rhetoric alone. He had the good sense to have an American mother -- but his birthright eclipsed boundary, and Nation. // He knew foreign policy -- had studied it for years. / Too, he realized how education was our most enduring legacy -- vital to all we are, and can become. //

Listen to what he said in 19__ : "If the human race wishes to have a prolonged and indefinite period of prosperity, they have only got to behave in a peaceful and helpful way toward one another, and science will do for them all they wish and more than they can dream." //

for Americans to study at British universities.

The Churchill Award is bestowed by the Winston Churchill Foundation, which bequeaths scholarship and fellowship programs. *These programs* All reflect the promise of science and technology -- brandishing the qualities of steel, integrity, creativity, and conviction -- *indelible(?) - Rogich* that indelibly British mix known as character. /

By honoring it, we uphold Churchill's memory: A legacy that defies limitations and salutes the horizons of tomorrow. /] ~~Sir Winston taught us that in a world that is shaped by colossal events, an era can be shaped by a colossus of a man. //~~

Three times, Your Majesty -- more than any individual -- Winston Churchill was accorded the honor you will receive on Thursday -- addressing the Congress of the United States. / Each was a memorable occasion -- and none more when in 1943, as the tide turned toward the Allies, he told America: "By singleness of purpose, by tenacity and endurance such as we have so far

*too effusive?
Need to give a nod to the Queen and her father, not overdoing the praise to Sir Winston*

displayed -- by these, and only by these, can we discharge our duty to the future of the world and to the destiny of man." //

Winston Churchill believed passionately in Britain and America. He knew that only free Nations could discharge their duty to the meek and oppressed. / He lit the fuse of hope under wartime Britain. Presiding over the destruction of the greatest evil mankind has ever known -- he displayed to all the world the greatest good that humanity can do. //

Your Majesty, like this award itself, its namesake is the standard against which others are measured. / ~~It is an honor to be with you -- and to receive an award saluting a man of whom it may be said: God must have broken the mold even before He made him. / Sir Winston Churchill.~~

#

Churchill was witty humorous in a lot of ways. maybe you could include some quotes on him from that angle.
OCA

I am sure that Sir Winston -- your first Prime Minister -- would be heartened to know that ~~our~~ the friendship between our countries is stronger than ever as you begin your third State Visit to the United States.

PRESIDENTIAL REMARKS: CHURCHILL AWARD
ROSE GARDEN
TUESDAY, MAY 14, 1991

Your Majesty, Prince Philip, Ambassador Loeb, friends of what is indeed our special relationship. It is a pleasure to welcome you to the White House -- and to receive an award honoring not merely a lion of winter -- but one of the greatest leaders of all time. //

His name was Winston Churchill. He was a morning star of liberty. Like Gladstone, he believed in fidelity to honor. Like Thatcher, he rallied others to that cause. // We can never reinvent him -- but we must never forget him. So we are here to recall what he meant, and what he was. //

Winston Churchill provided hope when the free world had abandoned it. He was likened to the bull dog -- but to the enemy he was a pit bull. / He helped Britain stand tall in the councils of the Europe -- and made the lamp of liberty shine like "a blizzard of fireflies in the night." //

What made Churchill such a legend? First of all, he forged a golden age of rhetoric. He moved free men not just to applaud but to act. / Think of "Britain's finest hour" or "Blood, toil, tears, and sweat" or how he told America, "Give us the tools, and we will finish the job." // Churchill didn't simply speak words. He armed them, and sent them marching off to war. //

Yet there was more to Churchill than rhetoric alone. He had the good sense to have an American mother -- but his birthright eclipsed boundary, and Nation. // He knew foreign policy -- had studied it for years. / Too, he realized how education was our most enduring legacy -- vital to all we are, and can become. //

Listen to what he said in 19__ : "If the human race wishes to have a prolonged and indefinite period of prosperity, they have only got to behave in a peaceful and helpful way toward one another, and science will do for them all they wish and more than they can dream." //

The Churchill Award is bestowed by the Winston Churchill Foundation, which bequeaths scholarship and fellowship programs. All reflect the promise of science and technology -- brandishing the qualities of steel, integrity, creativity, and conviction -- that indelibly British mix known as character. /

By honoring it, we uphold Churchill's memory: A legacy that defies limitations and salutes the horizons of tomorrow. / Sir Winston taught us that in a world that is shaped by colossal events, an era can be shaped by a colossus of a man. //

Three times, Your Majesty -- more than any individual -- Winston Churchill was accorded the honor you will receive on Thursday -- addressing the Congress of the United States. / Each was a memorable occasion -- and none more when in 1943, as the tide turned toward the Allies, he told America: "By singleness of purpose, by tenacity and endurance such as we have so far

displayed -- by these, and only by these, can we discharge our duty to the future of the world and to the destiny of man." //

Winston Churchill believed passionately in Britain and America. He knew that only free Nations could discharge their duty to the meek and oppressed. / He lit the fuse of hope under wartime Britain. Presiding over the destruction of the greatest evil mankind has ever known -- he displayed to all the world the greatest good that humanity can do. //

Your Majesty, like this award itself, its namesake is the standard against which others are measured. / It is an honor to be with you -- and to receive an award saluting a man of whom it may be said: God must have broken the mold even before He made him. / Sir Winston Churchill.

↓
Churchill was witty & humorous in a lot of ways. Maybe ~~some~~^{you} could include some quotes on him from that angle.
