U.S. EMBASSY COMMUNITY EVENT

SCENESETTER

PURPOSE

To express appreciation to US and Japanese members of the Embassy staff and their families for their work on behalf of the US-Japan relationship and in making your visit to Japan a success.

THE SETTING

This event will be held in the Embassy's first floor auditorium; about 500 American staff, family members and Japanese foreign service nationals are expected to attend. Following your remarks at a similar event during your February 1989 visit to Japan, you and Mrs. Bush invited children of the Embassy community to pose with you for a group photograph, and greeted members of the audience. No outside visitors or members of the media will attend.

DRAFT REMARKS FOR EMBASSY COMMUNITY EVENT

Barbara and I want to thank so many of you for sharing your time with us today as we complete a very successful visit to Japan and our other key friends and allies in Asia.

As all of you know better than anyone else, the US-Japan relationship is one of the most important in the world. Our discussions with Prime Minister Miyazawa and other Japanese business and political leaders have further strengthened our relationship and laid the basis for a global partnership well equipped to deal with the challenges we will face in the coming decade.

Much of what we have accomplished during the past three days would not have been possible without your hard work and long hours, and I'd like to offer my sincere gratitude to you all for supporting the visit and helping to make it a success.

When I was chief of our interests section in Beijing some years ago, I learned first hand the hard work and dedication that goes into representing our country overseas. I left there convinced that there is no more dedicated a group of public servants than the men and

women who represent the United States' interests abroad, and the able and professional staff of foreign service national employees who support them in their efforts. This is one President who appreciates from personal experience the efforts you put in to support our goals here; keep up the good work.

I also want to say a special word of thanks to the unsung heroes of Embassy Tokyo -- the spouses and children of the Embassy staff for putting up with the long hours of separation from your husbands, wives and parents. Without your support and understanding, their work would be far more difficult. I know your spouses and parents appreciate it and so do Barbara and I.

A lot has happened since Barbara and I last visited with many of you in this same room three years ago. None of us could have predicted the changes which have taken place during those three years. I suspect that the coming years will be equally unpredictable and challenging. I am confident, however, that under the excellent leadership of Mike Armacost and with your continued hard work, we will meet those challenges.

Thank you all very much.
