**ARRIVAL STATEMENT \ NASHUA, NEW HAMPSHIRE
SATURDAY, FEBRUARY 15, 1992 \ 10:15 A.M.**

GOOD MORNING. IT'S GOOD TO SEE GOV. GREGG; GOV. JOHN SUNUNU; GOV. WILLIAM WELD, LT. GOV. PAUL CELLUCCI; SENATOR WARREN RUDMAN; CONGRESSMAN BILL ZELIFF; CONG. RALPH REGULA OF OHIO; CONG. DAVID HOBSON OF OHIO; AND CONG. DICK SCHULZE OF PENNSYLVANIA. JOHN STABILE, BUSH-QUAYLE FINANCE CHAIRMAN.

THANK YOU FOR THAT VERY WARM WELCOME. IT'S GOING TO BE A GREAT DAY CAMPAIGNING UP HERE WITH YOU.

- 2 -

[THE FIRST THING I WANT TO SAY TO YOU IS: I WANT TO LEAD THIS COUNTRY FOR ANOTHER FOUR YEARS. I'M COUNTING ON YOUR HELP AND SUPPORT.]

LET ME GET RIGHT TO THE POINT. TUESDAY IS A BIG DAY FOR NEW HAMPSHIRE AND FOR OUR COUNTRY. YOU WILL MAKE A SERIOUS DECISION. SO I MEAN TO GIVE YOU SOME PLAIN TALK ABOUT WHAT IS AT STAKE. YOU'VE BEEN THROUGH SOME ROUGH TIMES. SOME PEOPLE HAVE LOST JOBS. OTHERS HAVE LOST HOMES. OTHERS ARE JUST PLAIN WORRIED.

I KNOW WHAT'S ON THE MIND OF NEW HAMPSHIRE'S VOTERS:
THE ECONOMY. GETTING PEOPLE BACK TO WORK. KEEPING
HOME VALUES STEADY. BANKS LENDING MONEY AGAIN.
LAST MONTH, I PUT A PLAN BEFORE THE CONGRESS -- AN
ACTION PLAN -- TO GET THE ECONOMY GOING AGAIN. WHAT
DOES THAT MEAN -- GET THE ECONOMY MOVING AGAIN?

WITH INTEREST RATES AT THEIR LOWEST LEVEL IN YEARS,
AND INFLATION DOWN, WE CAN HELP THE HOUSING INDUSTRY
LEAD THE ECONOMY OUT OF TOUGH TIMES.

MY PLAN WILL GET REAL ESTATE GOING AGAIN. IN MY PLAN,
"GETTING THE ECONOMY MOVING AGAIN" MEANS A \$5000 TAX
CREDIT TO HELP PEOPLE BUY THEIR FIRST HOME. THAT'S NOT
RHETORIC, THAT'S REAL HELP FOR NEW HAMPSHIRE HOME
BUYERS.

IT'S ALSO HELP FOR NEW HAMPSHIRE HOME BUILDERS.
HOW MUCH HELP? I'LL TELL YOU: THIS YEAR A THOUSAND NEW
HOUSING STARTS, 120 MILLION DOLLARS INTO NEW
HAMPSHIRE'S ECONOMY, AND 2000 NEW CONSTRUCTION JOBS.

- 5 -

✓ IN MY PLAN THERE'S A INVESTMENT TAX ALLOWANCE AND A CAPITAL GAINS TAX CUT SO THAT BUSINESSES CAN INVEST AND CAN HIRE MORE PEOPLE. THAT'S NOT MACROECONOMIC MUMBO-JUMBO, THAT'S MONEY TO BUY EQUIPMENT, UPGRADE THEIR PLANTS, AND CREATE NEW JOBS.

OUR PLAN CAN HELP NEW HAMPSHIRE HOMEBUYERS AND HOMEBUILDERS AS EARLY AS THIS SPRING. IT CAN HELP BUSINESS BUY NEW EQUIPMENT AND HIRE MORE PEOPLE AS EARLY AS THIS SPRING.

- 6 -

✓ I'VE SENT FORWARD A SOLID ACTION PLAN. BUT IT CAN ONLY HELP THE PEOPLE OF NEW HAMPSHIRE NOW, IF CONGRESS ACTS NOW. YOU KNOW, YOUR OWN LEGISLATURE IS IN SESSION FOR 45 DAYS A YEAR. I GAVE CONGRESS A DEADLINE OF MARCH 20. THAT'S FIFTY TWO DAYS TO PASS A STRAIGHTFORWARD, COMMON SENSE, ACTION PLAN. NOTHING FLASHY. JUST ACTION. GAVE THEM THE LEGISLATION -- HERE IT IS. [HOLD UP BOOK].

LET ME TELL YOU WHAT THE DEMOCRATS BACK IN WASHINGTON DID. WEDNESDAY, THE WAYS AND MEANS COMMITTEE DEMOCRATS VOTED AGAINST MY PLAN TWICE. THURSDAY, IN A CLOSED MEETING, THEY SURFACED A SCHEME THAT RAISES TAXES AND KILLS MY PLAN TO HELP FIRST-TIME HOME BUYERS. [THE QUESTION YOU HAVE TO ASK IS WHETHER A CONGRESS THAT HAS CONSISTENTLY SHOWN THAT IT WASTES TAXPAYERS' MONEY SHOULD BE ALLOWED TO TAKE ANY MORE OF ANY AMERICAN'S HARD-EARNED INCOME. I DON'T THINK THEY SHOULD BE.]

IF YOU WANT TO SEND A MESSAGE, THEY'RE THE ONES WHO NEED TO HEAR FROM YOU. AND THEY NEED TO HEAR IT LOUD AND CLEAR. PASS MY PLAN AND PASS IT BY MARCH 20.

MY PLAN ISN'T JUST ABOUT THE SHORT-TERM. WE'VE GOT TO LOOK TO THE LONG-TERM AS WELL. MY PLAN DOES. IT'S A ROAD MAP TO BETTER EDUCATION FOR OUR KIDS -- SO THAT OUR FUTURE WORKERS WILL HAVE THE SKILLS THEY NEED TO COMPETE.

IT'S A PLAN THAT MAKES HEALTH CARE ACCESSIBLE AND AFFORDABLE FOR EVERY AMERICAN, WITHOUT GOING DOWN THE DEAD-END ROUTE OF SOCIALIZED MEDICINE.

IT'S A TAX CUT TO STRENGTHEN THE FAMILY. THOSE ARE JUST SOME OF ITS ELEMENTS. IN SHORT IT'S HOW THIS COUNTRY MOVES FORWARD INTO THE NEXT CENTURY. BUT IT WILL TAKE LEADERSHIP TO GET THERE.

THERE ARE THOSE WHO THROW AROUND BANKRUPT NOTIONS OF A BYGONE ERA.

YOU'VE PROBABLY HEARD THE CALL FOR ECONOMIC ISOLATION. SOME WOULD BUILD A WALL AROUND AMERICA. THAT'S WRONG-HEADED -- HEAD IN THE SAND -- NOT THE AMERICA YOU AND I KNOW. THEIRS IS AN AMERICA RUNNING SCARED. OUR VISION IS AN AMERICA UP AND RUNNING, PROUD AND STRONG.

NEW HAMPSHIRE KNOWS IT BETTER THAN MOST. THIRTY-FIVE THOUSAND FOREIGN TRADE JOBS HERE -- AND I WILL JUST NOT PUT THEM AT RISK.

THE AMERICAN WORKER CAN OUTCOMPETE AND OUTPRODUCE ANYBODY, ANYWHERE, BAR NONE. HERE'S PROOF: WE ARE IN AN EXPORT BOOM, MORE EXPORTS THAN AT ANY TIME IN OUR HISTORY. I'VE SEEN FIRST HAND THE QUALITY PRODUCTS THAT NEW HAMPSHIRE WORKERS SELL ABROAD. CABLETRON COMPANY RIGHT OVER IN ROCHESTER, OR DAVIDSON INTERIOR TRIM, OR G.E. JET ENGINE PARTS IN HOOKSET.

AMERICA'S WORKERS JUST NEED A LEVEL-PLAYING FIELD. MY OPPONENTS' DANGEROUS PRE-WORLD WAR TWO ISOLATIONISM IS JUST THAT -- DANGEROUS. IT WILL HURT THIS COUNTRY AND IT WILL HURT NEW HAMPSHIRE. I JUST DON'T THINK MY OPPONENTS UNDERSTAND WHAT THE STAKES ARE.

WE NEED LEADERSHIP NOT SLOGANEERING. AMERICA IS GOING TO BE CHALLENGED THESE NEXT FEW YEARS. WELL, I UNDERSTAND THE WORLD. THAT'S CRUCIAL. BUT THAT'S NOT ENOUGH. WE HAVE CHANGED THE WORLD -- WE MUST NOW CHANGE AMERICA.

LADIES AND GENTLEMEN, I AM IN A TOUGH RACE. BUT
I'VE BEEN IN TOUGH RACES BEFORE. THE STAKES ARE HIGH
NOT JUST FOR ME BUT FOR YOU AND OUR COUNTRY. I NEED
YOUR HELP AND I AM ASKING FOR YOUR SUPPORT.

[THESE CAMPAIGNS ARE ROUGH -- PERHAPS ROUGHEST ON
THE VOTERS OF THIS GREAT STATE. THIS YEAR NEW
HAMPSHIRE VOTERS HAVE BEEN SUBJECTED TO MILLIONS OF
DOLLARS OF NEGATIVE ATTACKS -- THE KIND THAT TEAR
PEOPLE DOWN, AND TURN PEOPLE OFF.

I'M CONFIDENT, VERY CONFIDENT, THAT THE PEOPLE OF
NEW HAMPSHIRE, HOWEVER, UNDERSTAND WHAT THIS ELECTION
IS REALLY ABOUT. IT IS NOT ABOUT WHO CAN TRASH
ANOTHER'S CANDIDACY IN A THIRTY SECOND SPOT.

✓
NO, WHAT IT IS REALLY ABOUT IS THE VERY SERIOUS BUSINESS OF ELECTING A PRESIDENT. WHAT IT IS REALLY ABOUT IS SETTING THE DIRECTION OF OUR COUNTRY FOR THE NEXT FOUR YEARS. I'M CONFIDENT NEW HAMPSHIRE VOTERS WILL REMEMBER THAT.]

I KNOW WE CAN LIFT OURSELVES UP AND GET THIS ECONOMY MOVING AGAIN, AND I BELIEVE WE WILL. NEW HAMPSHIRE CAN LEAD THE WAY BECAUSE YOU UNDERSTAND THE POWER OF FREEDOM. WE'VE BEEN THROUGH A LOT TOGETHER BUT I GUARANTEE YOU WITH YOUR HELP AMERICA'S BEST DAYS ARE AHEAD OF HER.

THANK YOU FOR THIS OCCASION / THANK YOU FOR YOUR SUPPORT / AND MAY GOD BLESS THIS WONDROUS LAND -- THE UNITED STATES OF AMERICA.

IF YOU WANT TO LEAD IN THE WORLD, YOU'VE GOT TO KNOW THE NEIGHBORHOOD. YOU AND I KNOW THE NEIGHBORHOOD PRETTY WELL. THAT MEANS THAT WE KNOW HOW TO OPEN MARKETS FOR AMERICAN PRODUCTS, AND CREATE JOBS FOR AMERICAN WORKERS. AND MY PLAN WILL HELP US DO JUST THAT.

BUT IT'S GOING TO TAKE LEADERSHIP AS WELL. NEW HAMPSHIRE WILL SOON DECIDE WHAT KIND OF LEADERSHIP IS RIGHT FOR THE 1990'S. THAT'S WHAT MAKES YOUR DECISION ON TUESDAY SO IMPORTANT FOR OUR COUNTRY. PRESIDENTIAL REMARKS: ARRIVAL STATEMENT
SATURDAY, FEBRUARY 15, 1992
NASHUA, NEW HAMPSHIRE

[ACKNOWLEDGMENTS]

Thank you for that very warm welcome. It's going to be a great day campaigning up here with you.

Let me get right to the point.

Tuesday is a big day for New Hampshire and for our country. You will make a serious decision. So I mean to give you some plain talk about what is at stake. You've been through some rough times. Some people have lost jobs. Others have lost homes. Others are just plain worried. I know what's on the mind of New Hampshire's voters: the economy. Getting people back to work. Keeping home values steady. Banks lending money again.

Last month, I put a plan before the Congress -- an action plan -- to get the economy going again. What does that mean -- get the economy moving again?

With interest rates at historic lows, and inflation down, we can help the housing industry lead the economy out of tough times. My plan will get real estate going again. In my plan, "getting the economy moving again" means a \$5000 tax credit to help people buy their first home. That's not rhetoric, that's real help for New Hampshire home buyers.

It's also help for New Hampshire home builders. How much help? I'll tell you: this year a thousand new housing starts, 120 million dollars into New Hampshire's economy, and 2000 new construction jobs.

In my plan there's a investment tax allowance and a capital gains tax cut so that businesses can invest and can hire more people. That's not macroeconomic mumbo-jumbo, that's money to buy equipment, upgrade their plants, and create new jobs.

Our plan can help New Hampshire homebuyers and homebuilders as early as this Spring. It can help business buy new equipment and hire more people as early as this Spring.

I've sent forward a solid action plan. But it can only help the people of New Hampshire now, if Congress acts now. You know, your own legislature is in session for 45 days a year. I gave Congress a deadline of March 20. That's fifty two days to pass a straightforward, common sense, action plan. Nothing flashy. Just action. Gave them the legislation -- here it is. [HOLD UP BOOK].

Let me tell you what the Democrats back in Washington did. Wednesday, the Ways and Means Committee Democrats voted against my plan twice. Thursday, in a closed meeting, they surfaced a scheme that raises taxes and kills my plan to help first-time home buyers. If you want to send a message, they're the ones who need to hear from you. And they need to hear it loud and clear. Pass my plan and pass it by March 20.

My plan isn't just about the short-term. We've got to look to the long-term as well. My plan does. It's a road map to better education for our kids -- so that our future workers will have the skills they need to compete.

It's a plan that makes health care accessible and affordable for every American, without going down the dead-end route of socialized medicine.

It's a tax cut to strengthen the family. Those are just some of its elements. In short it's how this country moves forward into the next century. But it will take leadership to get there.

There are those who throw around bankrupt notions of a bygone era. You've probably heard the call for economic isolation. Some would build a wall around America. That's wrong-headed - head in the sand -- not the America you and I know. Theirs is an America running scared. Our vision is an America up and running, proud and strong.

New Hampshire knows it better than most. Thirty-five thousand trade jobs here -- and I will just not put them at risk.

The American worker can outcompete and outproduce anybody, anywhere, bar none. Here's proof: we are in an export boom, more exports than at any time in our history. I've seen first hand the quality products that New Hampshire workers sell abroad. Cabletron Company right over in Rochester, or Davidson Interior Trim, or G.E. jet engine parts in Hookset.

America's workers just need a level-playing field. My opponents' dangerous pre-world war two isolationism is just that -- dangerous. It will hurt this country and it will hurt New Hampshire. I just don't think my opponents understand what the stakes are.

We need leadership not sloganeering. America is going to be challenged these next few years. Well, I understand the world. That's crucial. But that's not enough. We have changed the world -- we must now change America.

I understand America. I can feel it's heartbeat. I know that our workers are the most productive in the world -- period.

But, I know the new reality of what we're up against. I know that to succeed economically at home, we need to lead economically abroad. If you want to lead in the world, you've got to know the neighborhood. You and I know the neighborhood pretty well. That means that we know how to open markets for American products, and create jobs for American workers. And my plan will help us do just that.

But it's going to take leadership as well. New Hampshire will soon decide what kind of leadership is right for the 1990's. That's what makes your decision on Tuesday so important for our country. You will decide which candidate has the experience / the understanding / and the character / to do right for you -- and right by your kids. Ladies and gentleman, I am in a tough race. But I've been in tough races before. The stakes are high

not just for me but for you and our country. I need your help
and I am asking for your support.

I know we can lift ourselves up and get this economy moving again, and I believe we will. New Hampshire can lead the way because you understand the power of freedom. We've been through a lot together but I guarantee you with your help America's best days are ahead of her.

Thank you for this occasion / thank you for your support / and may God bless this wondrous land -- the United States of America.

PRESIDENTIAL REMARKS: ARRIVAL STATEMENT
SATURDAY, FEBRUARY 15, 1992
NASHUA, NEW HAMPSHIRE

Fellow New Hampshiremen. Fellow Americans. _____, thank you for that introduction. ((I also want to thank Arnold for picking me up at the airport. He didn't put me down until we got right here.))

Let me cut right to the chase. I need your help. I need the support of the people of New Hampshire. I want to be your President four more years.

Some candidates have spent the past weeks trying to get to know you. I have spent it revisiting old friends, and renewing deep ties. I'm proud to say I know the people of New Hampshire and I know them well.

For six decades, I have been your neighbor -- playing baseball here as a kid speaking at your Rotary Clubs. My dreams are the same as yours. They find their strength from the important things in life: Family, home, school, church, community, country.

Tuesday is a big day for New Hampshire and for our country. You will make a serious decision. So I mean to talk to you from my heart about the Tuesday Primary: that for New Hampshire is part pageant / part covenant / but above all, truly a sacred trust.

You will decide what kind of leadership you want, and what kind of Nation we are to be. You will decide which candidate has the experience / toughness / and character / to do right for you -- and right by your kids. I am that candidate, and I ask for your support.

No State knows better than New Hampshire about the symbol of democracy called the ballot box. Some people would have you send a signal. Some would have you send a protest. I would have you send this President to Washington for four more years.

For decades you have regarded your role in electing a President as a serious responsibility. For indeed it is a serious responsibility, and that's the way it should be.

I cast my first vote in 1948. I remember it like yesterday -- a true coming of age. I say that not because of how I voted - - but because what my vote meant. I love this country. I believe in it. Like you, I say it without apology. I believe America is blessed -- that leadership is not only our duty -- but our destiny.

Three days ago, I went to Concord -- addressed the State Legislature -- talked to citizen legislators who are also fathers / mothers / daughters / sons. New Hampshire knows it better than most. Thirty-five thousand trade jobs here -- I will not put them at risk.

NASHUA, NEW HAMPSHIRE

Fellow New Hampshiremen. Fellow Americans. _____, thank you for that introduction. ((I also want to thank Arnold for picking me up at the airport. He didn't put me down until we got right here.))

Let me cut right to the chase. I need your help. I need the support of the people of New Hampshire. I want to be your President four more years.

Some candidates have spent the past weeks trying to get to know you. I have spent it revisiting old friends, and renewing deep ties. I'm proud to say I know the people of New Hampshire and I know them well.

For six decades, I have been your neighbor -- playing baseball here as a kid speaking at your Rotary Clubs. My dreams are the same as yours. They find their strength from the important things in life: Family, home, school, church, community, country.

Tuesday is a big day for New Hampshire and for our country. You will make a serious decision. So I mean to talk to you from my heart about the Tuesday Primary: that for New Hampshire is part pageant / part covenant / but above all, truly a sacred trust.

You will decide what kind of leadership you want, and what kind of Nation we are to be. You will decide which candidate has the experience / toughness / and character / to do right for you -- and right by your kids. I am that candidate, and I ask for your support.

No State knows better than New Hampshire about the symbol of democracy called the ballot box. Some people would have you send a signal. Some would have you send a protest. I would have you send this President to Washington for four more years.

For decades you have regarded your role in electing a President as a serious responsibility. For indeed it is a serious responsibility, and that's the way it should be.

I cast my first vote in 1948. I remember it like yesterday -- a true coming of age. I say that not because of how I voted - - but because what my vote meant. I love this country. I believe in it. Like you, I say it without apology. I believe America is blessed -- that leadership is not only our duty -- but our destiny.

PRESIDENTIAL REMARKS: ARRIVAL STATEMENT
SATURDAY, FEBRUARY 15, 1992
NASHUA, NEW HAMPSHIRE

[ACKNOWLEDGMENTS]

Thank you for that very warm welcome. It's going to be a great day campaigning up here with you.

Let me get right to the point.

Tuesday is a big day for New Hampshire and for our country. You will make a serious decision. So I mean to give you some plain talk about what is at stake. You've been through some rough times. Some people have lost jobs. Others have lost homes. Others are just plain worried. I know what's on the mind of New Hampshire's voters: the economy. Getting people back to work. Keeping home values steady. Banks lending money again.

Last month, I put a plan before the Congress -- an action plan -- to get the economy going again. What does that mean -- get the economy moving again?

With interest rates at lowest level in years, and inflation down, we can help the housing industry lead the economy out of tough times. My plan will get real estate going again. In my plan, "getting the economy moving again" means a \$5000 tax credit to help people buy their first home. That's not rhetoric, that's real help for New Hampshire home buyers.

Jim M

NAHB

It's also help for New Hampshire home builders. How much help? I'll tell you: this year a thousand new housing starts, 120 million dollars into New Hampshire's economy, and 2000 new construction jobs.

In my plan there's a investment tax allowance and a capital gains tax cut so that businesses can invest and can hire more people. That's not macroeconomic mumbo-jumbo, that's money to buy equipment, upgrade their plants, and create new jobs.

Our plan can help New Hampshire homebuyers and homebuilders as early as this Spring. It can help business buy new equipment and hire more people as early as this Spring.

I've sent forward a solid action plan. But it can only help the people of New Hampshire now, if Congress acts now. You know, your own legislature is in session for 45 days a year. I gave Congress a deadline of March 20. That's fifty two days to pass a straightforward, common sense, action plan. Nothing flashy. Just action. Gave them the legislation -- here it is. [HOLD UP BOOK].

NH

Let me tell you what the Democrats back in Washington did. Wednesday, the Ways and Means Committee Democrats voted against my plan twice. Thursday, in a closed meeting, they surfaced a scheme that raises taxes and kills my plan to help first-time home buyers. If you want to send a message, they're the ones who need to hear from you. And they need to hear it loud and clear. Pass my plan and pass it by March 20.

Bel

My plan isn't just about the short-term. We've got to look to the long-term as well. My plan does. It's a road map to better education for our kids -- so that our future workers will have the skills they need to compete.

It's a plan that makes health care accessible and affordable for every American, without going down the dead-end route of socialized medicine.

It's a tax cut to strengthen the family. Those are just some of its elements. In short it's how this country moves forward into the next century. But it will take leadership to get there.

There are those who throw around bankrupt notions of a bygone era. You've probably heard the call for economic isolation. Some would build a wall around America. That's wrong-headed - head in the sand -- not the America you and I know. There is an America running scared. Our vision is an America up and running, proud and strong.

OR 35,000 NH JOBS TIED DIRECTLY TO FOREIGN TRADE. Post Smith

FOREIGN

New Hampshire knows it better than most. Thirty-five thousand trade jobs here -- and I will just not put them at risk.

The American worker can outcompete and outproduce anybody, anywhere, bar none. Here's proof: we are in an export boom, more exports than at any time in our history. I've seen first hand the quality products that New Hampshire workers sell abroad. Cabletron Company right over in Rochester, or Davidson Interior Trim, or G.E. jet engine parts in Hookset.

4

America's workers just need a level-playing field. My opponents' dangerous pre-World War Two isolationism is just that -- dangerous. It will hurt this country and it will hurt New Hampshire. I just don't think my opponents understand what the stakes are.

We need leadership not sloganeering. America is going to be challenged these next few years. Well, I understand the world. That's crucial. But that's not enough. We have changed the world -- we must now change America.

I understand America. I can feel it's heartbeat. I know that our workers are the most productive in the world -- period.

But, I know the new reality of what we're up against. I know that to succeed economically at home, we need to lead economically abroad. If you want to lead in the world, you've got to know the neighborhood. You and I know the neighborhood pretty well. That means that we know how to open markets for American products, and create jobs for American workers. And my plan will help us do just that.

But it's going to take leadership as well. New Hampshire will soon decide what kind of leadership is right for the 1990's. That's what makes your decision on Tuesday so important for our country. You will decide which candidate has the experience / the understanding / and the character / to do right for you -- and right by your kids.

Ladies and gentleman, I am in a tough race. But I've been in tough races before. The stakes are high not just for me but

5

for you and our country. I need your help and I am asking for your support.

I know we can lift ourselves up and get this economy moving again, and I believe we will. New Hampshire can lead the way because you understand the power of freedom. We've been through a lot together but I guarantee you with your help America's best days are ahead of her.

Thank you for this occasion / thank you for your support / and may God bless this wondrous land -- the United States of America.

Fellow New Hampshiremen. Fellow Americans. _____, thank you for that introduction. ((I also want to thank Arnold for picking me up at the airport. He didn't put me down until we got right here.))

Let me cut right to the chase. I need your help. I need the support of the people of New Hampshire. I want to be your President four more years.

Some candidates have spent the past weeks trying to get to know you. I have spent it revisiting old friends, and renewing deep ties. I'm proud to say I know the people of New Hampshire and I know them well.

For six decades, I have been your neighbor -- playing baseball here as a kid, speaking at your Rotary Clubs. My dreams are the same as yours. They find their strength from the important things in life: Family, home, school, church, community, country.

Tuesday is a big day for New Hampshire and for our country. You will make a serious decision. So I mean to talk to you from my heart about the Tuesday Primary: that for New Hampshire is part pageant / part covenant / but above all, truly a sacred trust.

You will decide what kind of leadership you want, and what kind of Nation we are to be. You will decide which candidate has the experience / toughness / and character / to do right for you -- and right by your kids. I am that candidate, and I ask for your support.

No State knows better than New Hampshire about the symbol of democracy called the ballot box. Some people would have you send a signal. Some would have you send a protest. I would have you send this President to Washington for four more years.

For decades you have regarded your role in electing a President as a serious responsibility. For indeed it is a serious responsibility, and that's the way it should be.

I cast my first vote in 1948. I remember it like yesterday -- a true coming of age. I say that not because of how I voted - - but because what my vote meant. I love this country. I believe in it. Like you, I say it without apology. I believe America is blessed -- that leadership is not only our duty -- but our destiny.

Three days ago, I went to Concord -- addressed the State Legislature -- talked to citizen legislators who are also fathers / mothers / daughters / sons. There, I thought of why leadership -- and this Election -- matters so very much. It will shape the future of America -- and America's future in the world.

I come to New Hampshire with a record I am proud of. In the former Soviet Union, communism is a four-letter word: D-e-a-d, dead. In Eastern Europe, the walls have come tumbling down.

Freedom has swept the globe -- the Cold War is over -- and America won.

Yet a record is not something to stand upon -- but something to build upon. We have changed the world -- we must now change America.

I understand the world. That's crucial. But that's not enough.

I understand America. I can feel it's heartbeat. I know that our workers are the most productive in the world -- bar none.

I also know that to succeed economically at home, we need to lead economically abroad. If you want to lead in the world, you've got to know the neighborhood. Well, you and I know the neighborhood pretty well. That means that we know how to open markets for American products, and create jobs for American workers. We've been in some tough times. Some people up here have lost their jobs. Some, even their homes.

That is why when the people of New Hampshire and all across this country put out an S.O.S. my administration heard you. I put a plan before the Congress -- an action plan -- to get the economy going again. The plan I announced in my State of the Union recognizes that government is too big, and spends too much.

Our plan will cut wasteful spending / create jobs / and restore home values. It can help New Hampshire homebuyers and homebuilders as early as this Spring. It can help business buy

new equipment as early as this Spring. But it can help the people of New Hampshire this Spring, only if Congress acts now. They're the ones who need to hear from you. And they need to hear it loud and clear. Pass my plan and pass it now.

Then there are those who throw around simple bankrupt notions of a bygone era. You've probably heard the call for economic isolation. Some would build a wall around America. That's wrong-headed - head in the sand -- not the America you and I know. Theirs is an America running scared. Our vision is an America up and running, proud and strong.

New Hampshire knows it better than most. Thirty-five thousand trade jobs here -- I will not put them at risk.

Let the American worker outcompete and outproduce any Nation / and we'll have an America standing tall. To those who clamor "America First," I say: America already is first. America is the undisputed leader of the free world. As long as I am President America always will be.

For two centuries, Americans have done their duty. This year, we can do it again. I think God created America for a reason -- to act nobly, and thus do good. I believe He put us here to achieve similar ends: To help one another -- to love one another -- to lend a hand, and bind a wound -- to win the war of plenty over want / tolerance over bigotry / health over disease.

For, you see, politics -- like government -- it's not remote, impersonal -- not a magic wand from Washington -- not some ideological game. Politics affects every citizen. It's as

real as a family struggling to pay off their credit card balance. It's as personal as any child's dreams -- precious and alive. Think of your kids -- hold them -- take their hand. They are what this Election is all about.

To do these good things we must have a unity of purpose -- the kind we saw when the Desert Storm raged in the Gulf. New Hampshire can lead the way because you understand the power of freedom. We've been through a lot together but I guarantee you with your help America's best days are ahead of her.

economy
may not have a lot of flash to it

You will decide what kind of leadership you want, and what kind of Nation we are to be. You will decide which candidate has the experience / toughness / and character / to do right for you -- and right by your kids. I am that candidate, and I ask for your support.

No State knows better than New Hampshire about the symbol of democracy called the ballot box. Some people would have you send a signal. Some would have you send a protest. I would have you send this President to Washington for four more years.

For decades you have regarded your role in electing a President as a serious responsibility. For indeed it is a serious responsibility, and that's the way it should be.

I cast my first vote in 1948. I remember it like yesterday -- a true coming of age. I say that not because of how I voted - - but because what my vote meant. I love this country. I believe in it. Like you, I say it without apology. I believe America is blessed -- that leadership is not only our duty -- but our destiny.

Three days ago, I went to Concord -- addressed the State Legislature -- talked to citizen legislators who are also fathers / mothers / daughters / sons. There, I thought of why leadership -- and this Election -- matters so very much. It will shape the future of America -- and America's future in the world.

I come to New Hampshire with a record I am proud of. In the former Soviet Union, communism is a four-letter word: D-e-a-d, dead. In Eastern Europe, the walls have come tumbling down.

Freedom has swept the globe -- the Cold War is over -- and America won.

Yet a record is not something to stand upon -- but something to build upon. We have changed the world -- we must now change America.

I understand the world. That's crucial. But that's not enough.

I understand America. I can feel it's heartbeat. I know that our workers are the most productive in the world -- bar none.

I also know that to succeed economically at home, we need to lead economically abroad. If you want to lead in the world, you've got to know the neighborhood. Well, you and I know the neighborhood pretty well. That means that we know how to open markets for American products, and create jobs for American workers. And we're going to keep on doing just that.

We've been in some tough times. Some people up here have lost their jobs. Some, even their homes.

That is why when the people of New Hampshire and all across this country put out an S.O.S. my administration heard you. I put a plan before the Congress -- an action plan -- to get the economy going again. The plan I announced in my State of the Union recognizes that government is too big, and spends too much.

Our plan will cut wasteful spending / create jobs / and restore home values. It can help New Hampshire homebuyers and homebuilders as early as this Spring. It can help business buy

new equipment as early as this Spring. But it can help the people of New Hampshire this Spring, only if Congress acts now. They're the ones who need to hear from you. And they need to hear it loud and clear. Pass my plan and pass it now.

Then there are those who throw around simple bankrupt notions of a bygone era. You've probably heard the call for economic isolation. Some would build a wall around America. That's wrong-headed - head in the sand -- not the America you and I know. Theirs is an America running scared. Our vision is an America up and running, proud and strong.

New Hampshire knows it better than most. Thirty-five thousand trade jobs here -- I will not put them at risk.

Let the American worker outcompete and outproduce any Nation / and we'll have an America standing tall. To those who clamor "America First," I say: America already is first. America is the undisputed leader of the free world. As long as I am President America always will be.

For two centuries, Americans have done their duty. This year, we can do it again. I think God created America for a reason -- to act nobly, and thus do good. I believe He put us here to achieve similar ends: To help one another -- to love one another -- to lend a hand, and bind a wound -- to win the war of plenty over want / tolerance over bigotry / health over disease.

For, you see, politics -- like government -- it's not remote, impersonal -- not a magic wand from Washington -- not some ideological game. Politics affects every citizen. It's as

real as a family struggling to pay off their credit card balance. It's as personal as any child's dreams -- precious and alive. Think of your kids -- hold them -- take their hand. They are what this Election is all about.

To do these good things we must have a unity of purpose -- the kind we saw when the Desert Storm raged in the Gulf. New Hampshire can lead the way because you understand the power of freedom. We've been through a lot together but I guarantee you with your help America's best days are ahead of her.

Thank you for this occasion / thank you for your support / and may God bless this wondrous land -- the United States of America.

**Proclamation 6404—National
Visiting Nurse Associations Week,
1992**

February 14, 1992

*By the President of the United States
of America*

A Proclamation

When Florence Nightingale and William Rathbone's concept of the visiting nurse was brought to the United States in 1885, that event marked the beginning of a long and distinguished tradition of service to homebound Americans. Today the Department of Health and Human Services reports that more than 1,500,000 men, women, and children receive home health care and support services through visiting nurse associations. Such assistance is invaluable to persons who are terminally ill, to persons who are recovering from a temporary illness or injury, and to persons who are incapacitated by a chronic disease or disability—individuals who might otherwise be forced to seek care in an institutional setting. Visiting nurse associations enable these Americans to obtain needed services in the comfort and security of their own homes.

While it is inspired by the same spirit of compassion and volunteerism, the role of the visiting nurse has changed dramatically over the past 100 years. In addition to providing medical care, visiting nurse associations also offer social services, nutritional counseling and Meals-on-Wheels programs, as well as physical, speech, and occupational therapy. Today's visiting nurse associations also operate wellness clinics, hospices, and adult day care centers. Their efforts are a reminder that health care is made more accessible and more affordable by the hundreds of thousands of Americans who volunteer their time and service to others.

The Visiting Nurse Associations of America are independently operated community

organizations that serve more than 500 urban and rural communities in 45 States. These organizations are committed to providing quality health care to all people, regardless of one's ability to pay, and this week, we gratefully salute the many hardworking professionals and volunteers who help to uphold their wonderful tradition of service.

The Congress, by Public Law 102-207, has designated the week beginning February 16, 1992, as "National Visiting Nurse Associations Week" and has authorized and requested the President to issue a proclamation in observance of this week.

Now, Therefore, I, George Bush, President of the United States of America, do hereby proclaim the week of February 16 through February 22, 1992, as National Visiting Nurse Associations Week. I invite all Americans to observe this week with appropriate programs and activities.

In Witness Whereof, I have hereunto set my hand this fourteenth day of February, in the year of our Lord nineteen hundred and ninety-two, and of the Independence of the United States of America the two hundred and sixteenth.

George Bush

**Remarks at the Door-to-Door
Kickoff Rally in Nashua, New
Hampshire**

February 15, 1992

The President. Thank you so much. And first, let me thank our great campaign man-

ager, our leader up here, our chairman, Judd Gregg, the Governor of this State. What a job he's done. And from the neighboring State, Governor Bill Weld, doing a superb job for the principles we believe in, and also Paul Cellucci, my longtime friend who is a great Lieutenant Governor of Massachusetts, here with us today. Speaking of Governors, I'm proud to be with the former Governor of this State, John Sununu. And there's another former Governor who's helped me so much, Hugh Gregg, who's around here someplace. And also, may I thank Senator Warren Rudman, the great Senator from New Hampshire; Congressman Bill Zeff with us today; the distinguished Members of Congress, my friends from Washington and other States that are with us, three of them here today; and then John Stabile, our finance chairman. We've got a first-class team. And I'm glad to see all of you as a part of it. Thank you.

Let me be very clear as to why I'm here. I want to lead this country for another 4 years. And I ask for your support.

Audience members. Four more years! Four more years! Four more years!

The President. Having watched this, sometimes close in and sometimes from afar, I really honestly believe that the people of New Hampshire are a little bit tired of all the negative advertisements and all the attack-dog tactics coming from the left and coming from the right. What they want to do is see progress for the State of New Hampshire, not listen to a lot of political carping.

I will continue with a positive campaign. I will continue to lead this country. And first on the economy, I have sent a comprehensive plan to the United States Congress. And it was so heavy I asked Barbara if she would carry it. Here it is. Here it is. Everybody read it, and we're going to have a quiz afterward here. [Laughter]

The reason I held that up is this: Yesterday, I'm told, New Hampshire voters were subjected to flat, outright lies about this plan. This plan includes many things, including deductions for student loans and, perhaps most important, a tax relief provision for families with children. It's there. It's in this bill. And I want the Congress to move on this just as

soon as possible. And it must be done in this session of Congress. Keep the pressure on the Congress.

And in addition, in addition, I've broken out seven of my proposals that would have the greatest immediate effect on stimulating this economy. And these should be the least controversial provisions. I've asked Congress to put politics aside now, take a look at each one of them, and to move now. Interest rates are low. Inflation is low. The gloom and doom candidates are wrong. The way to help the people in this State who desperately need help is to get Congress to set aside politics long enough to pass the seven incentives in this bill. And they ought to do it.

The key provisions—you know this State—the key provision, a \$5,000 tax credit to help people buy their first home. And for New Hampshire this year, 1,000 new housing starts and 2,000 construction jobs if Congress will only get going and pass this bill.

And in these incentives there's also an investment tax allowance. Stimulate the purchase of capital equipment, capital gains cut so that businesses can invest and hire more people. That's money to buy equipment, to upgrade the plants, to create new jobs now. And this plan can help New Hampshire homebuyers and homebuilders literally as early as this spring. And it can help business buy new equipment and hire more people as early as this spring.

Now, I've sent forward this solid action plan. But it can only help the people of New Hampshire now if the Congress moves now. And you know, the New Hampshire legislature is in session, I'm told, 45 days a year. Now, I gave Congress a deadline to March 20th. That's 52 days to pass this little—52 days to pass this straightforward, common-sense, compact program. It is an action plan, nothing fancy. And I say give them that, give the people of this State this legislation, and you watch this economy move forward. And you watch the pain and suffering be relieved.

But Warren Rudman knows this, and Bill Zeff, our great Congressman, knows this. Wednesday, the Ways and Means Committee's Democrats, every one of them, voted against this plan twice. And Thursday, in a closed meeting, they surfaced a scheme that, you guessed it; raises taxes and kills this plan

for first-time homebuyers. And this campaign, you hear a lot about sending messages. Well, my request to the people of this State is, send the Congress a message: Pass this plan by March 20th. It can be done, and it must be done.

Lastly, you've probably heard around this State, from the left, from other places as well, the call for economic isolation. Some would build a protective wall around this country. And that's wrong. That's head in the sand. That's not the America that you and I know. That is an America running scared. And our vision is an America up and running strong, the leader of the free world. And they're not going to do it by pulling back.

I think the voters in New Hampshire are pretty smart. They know that there are 35,000 jobs here that depend on exports. And I will not let those candidates or this Congress put walls of protection around that are going to throw those people out of work in New Hampshire.

And so, in just a handful of days, New Hampshire is going to decide what kind of leadership is right for the nineties. And that's what makes the decision here on Tuesday so important for our country. Voters here will decide which candidate has the experience and the leadership to do right for you and to do right for your kids.

And ladies and gentlemen, I'm in a tough race, but I've been in tough races before. And the stakes are high, not just for me but for you and for this country. And I need your help, and I am asking for your support.

You know I've been around the track some, and these campaigns are rough, perhaps roughest on the voters. But this year the New Hampshire voters have been subjected to literally millions of dollars of negative attacks, the kind that tear people down, don't offer any solutions, but tear down the other guy. And I am confident, very confident, that the people of New Hampshire understand what this election is really about. It's not about who can trash another's candidacy in some 30-second spot. What it's about is the very serious business of electing a President of the United States of America. And it's about somebody that has the toughness and the experience to lead this country.

I believe I am that man, and I want your support. Now let's go out and get to work.

Thank you, and may God bless the United States of America.

Audience members. Four more years! Four more years! Four more years!

The President. Thank you all very much. Now let's go out and do a little canvassing.

Note: The President spoke at 10:10 a.m. at the Davidson Flight Service hangar at Nashua Airport.

Remarks at a Community Welcome in New Boston, New Hampshire February 15, 1992

Thank you for that warm welcome to New Boston. I was talking to Darlene a minute ago, and we were reminiscing. And it does seem like old times. I've been here several times before. And let me just get right to the point. I came here to thank you, but I also came here to ask for your vote so I will be President of the United States for 4 more years.

Let me not only thank Darlene Goodin, our chairman here, who is doing a superb job day in and day out, but also Governor Gregg, the Governor of this State, who is my campaign leader; Governor Weld, next-door neighbor down in Massachusetts, a new Governor doing a superb job for that State where I was born, I'll tell you. And may I salute former Governor John Sununu, my friend with us here today, and also Senator Humphrey. He served with distinction in Washington, and now he's serving in the senate here. He believes in a government close to the people. I salute him; delighted to have this support.

And I heard a little bit of music, and I want to thank the principal of this school, Rick Matthews, I believe he's here with us today, for arranging all of this. And also thank Dr. Jamrog and the fifth and sixth graders who did that marvelous work with the band back there. Thank you all.

I want to talk to you briefly about the economy. But before that I want to know if Jeremy Forest is here. Jeremy, where are you?
