LONG DISTANCE TELEPHONE INFORMATION

The Federal Telecommunications System (FTS) is to be used in placing all official long distance calls in the fifty States, and Puerto Rico, Executive Office of the President employees should dial all long distance calls direct. To report (FTS) difficulties, dial "9611".

- To call out-of-town government telephones* - dial - 8 plus area code and 7-digit FTS number.
- To call out-of-town nongovernment telephones* - dial - 8 plus area code and commercial number.

To Obtain Telephone Number Information

For any out-of-town government number, see the FTS Users' Guide.

For any out-of-town nongovernment number, dial 8, the area code of the city concerned and 555-1212.

Request the number desired; when the information is obtained, break connection, record the number for future reference, and place the call over the FTS as outlined above.

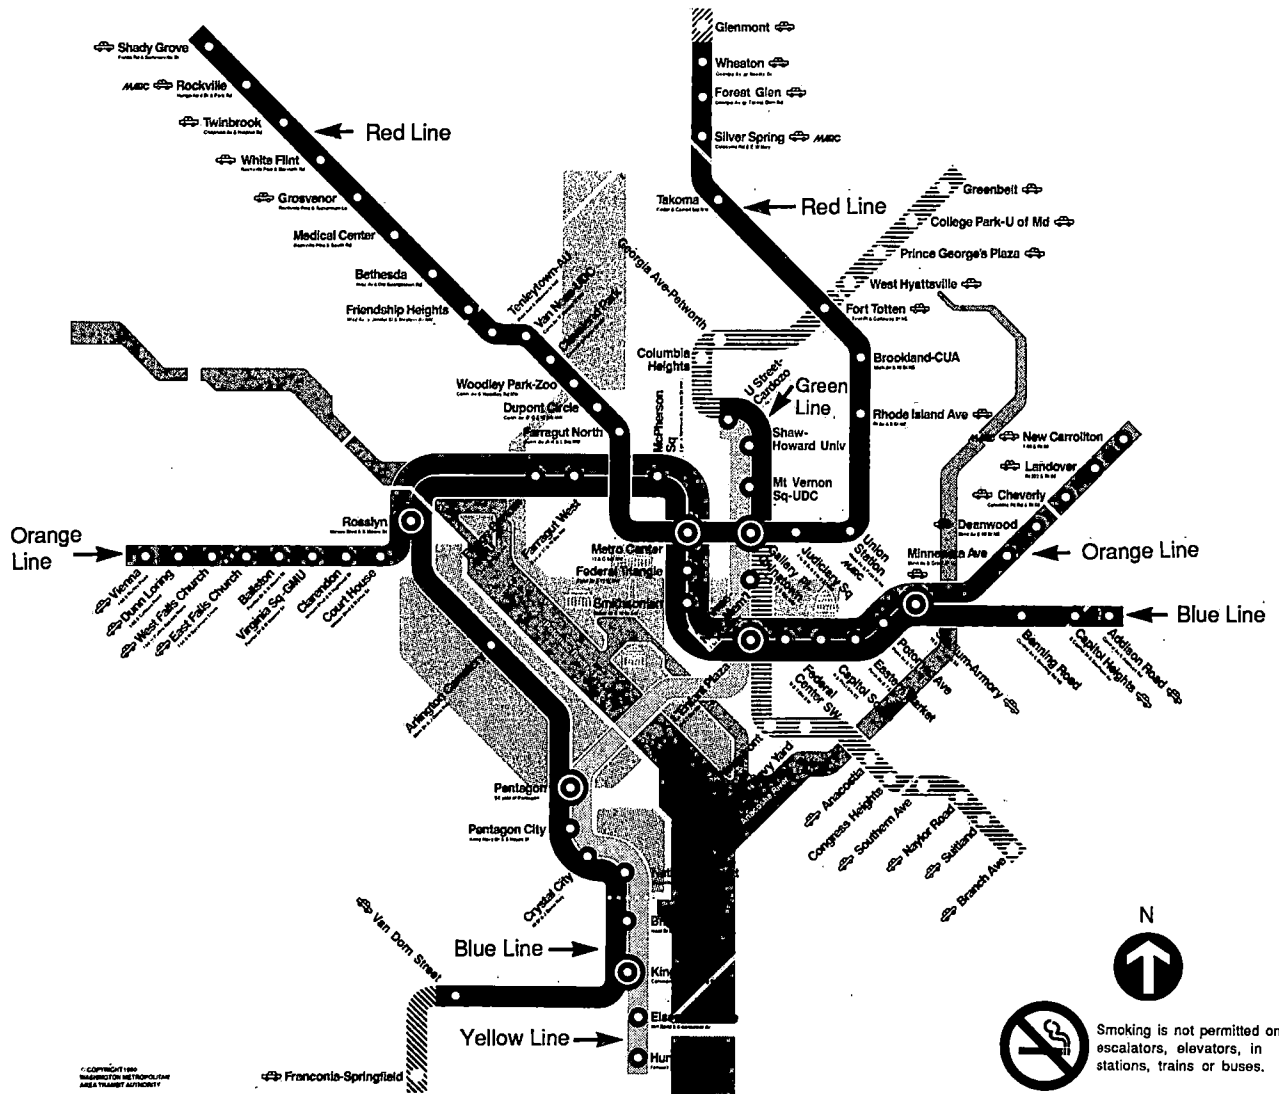

To Place an Official Call When in Travel Status

Executive Office of the President employees traveling out-of-town on official business should obtain an FTS Telephone Users' Guide before departure for reference during the trip. To make a call, dial the local FTS operator and request that the call be charged to your Agency. The operator will complete the call. The FTS operator will not furnish commercial telephone information. Contact your Administrative Officers for your Agency's FTS number.

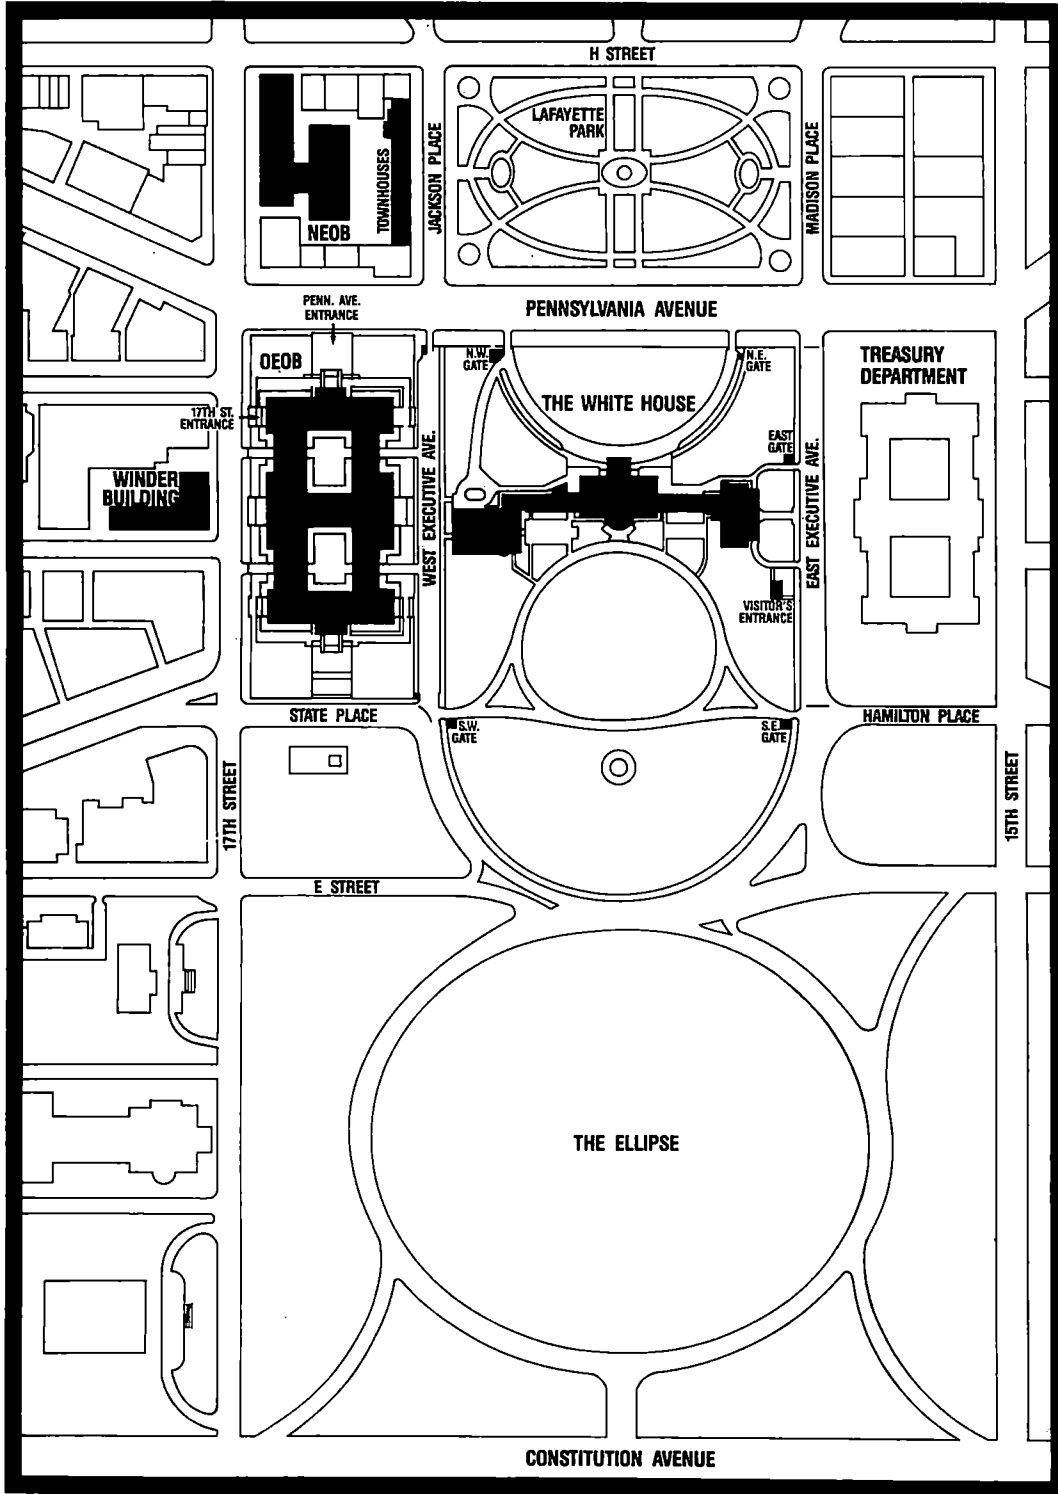

Personal Long Distance Calls

If a personal long distance call must be made from a government telephone, dial 9 and then the operator, and ask that the call be charged to your home number. Personal calls should not be charged to the Executive Office of the President.
