OKLAHOMA

CONVENES FEBRUARY 3 -- ADJOURNS MAY 29

The Oklahoma coalition is still preparing its legislative strategy for the 1992 session. OALA is working with the Chamber of Commerce to draft product liability and punitive damage reform and a measure creating a new statute of limitations on claims against CPAs and architects. This proposed legislation would come in the wake of a negative Supreme Court decision that struck down the 7 year statute of limitations for minors. However, the coalition is preparing for upcoming challenges.
