IMPORTANT INFORMATION

In conjunction with U.S. law restricting smoking on airline flights, Delta will not permit smoking on any services except for flight segments serving Europe or Asia. Delta also prohibits the use of all smokeless tobacco products on all flights.

For flights serving Europe or Asia, the nonsmoking section may be expanded on demand in accordance with federal regulations to include designating additional rows, a specific cabin or the entire aircraft as nonsmoking. Federal law also provides for a penalty of up to \$2000 for tampering with the smoke detectors in aircraft lavatories.

PLEASE CHECK IN EARLY—Reservations of passengers presenting themselves at the airport loading gate less than ten minutes before the scheduled departure of a domestic flight, or at the airport check-in counter less than 30 minutes before the scheduled departure of an international flight (exception: 45 minutes for transatlantic/transpacific flights) will be subject to cancellation and denied boarding compensation will not be applicable. Passengers who do not fulfill the above check-in requirements are not guaranteed seats in the nonsmoking area on affected flights.

Passengers with advance boarding passes must present themselves at the boarding gate at least 15 minutes prior to scheduled departure of a domestic flight or at the airport check-in counter no later than 30 minutes before scheduled departure of an international flight (exception: 45 minutes for transatlantic/transpacific flights), otherwise those seats are subject to reassignment to other passengers.

Passengers with pre-assigned seats who do not have boarding passes must present themselves at the boarding gate at least 30 minutes before the scheduled departure of a domestic flight or at the airport check-in counter no later than 30 minutes before the scheduled departure of an international flight (exception: 45 minutes for transatlantic/transpacific flights), otherwise those seats are subject to reassignment to other passengers.

BAGGAGE TIPS—Outside identification is required on all checked baggage. Delta also recommends inside identification as a precaution against the loss of outside identification. Always carry medicine, money, valuable documents, keys, jewelry, cameras and other small fragile items, etc., in your hand luggage. Always lock your luggage.

FIREARMS IN CHECKED BAGGAGE—Federal Regulations require that firearms in checked baggage must be declared when baggage is presented for checking.

BAGGAGE ALLOWANCE—For each ticketed passenger, Delta Air Lines, Inc. will carry free of charge three bags not to exceed 62" (158 cm), 55" (140 cm) and 45" (114 cm) respectively in overall length, width and height. Each ticketed passenger may check three pieces and have no carry-on or check two pieces with one carry-on or check one piece and dimensions and a maximum weight of 70 pounds (31.8 kg) per piece. Checked baggage is subject to the above size 45" (114 cm) and a weight of 40 pounds (18 kg) per piece and must be stored in an approved overhead compartment or under a passenger seat except where actual underseat space requires a bag of lesser size. Delta reserves the right to transpacific travel, only one carry-on bag is allowed subject to the above restrictions. For first class and business class economy/coach class travel, each passenger may check two pieces not to exceed 62" (158 cm) each in overall length, width and height. Further information on baggage allowance and limitations may be obtained from any Delta agent. **NOTE:** Domestic U.S.A. including Puerto Rico—Delta does not assume liability for jewelry, cash, camera equipment or other similar valuable items contained in checked or unchecked baggage, unless a separate excess value has been declared and applicable charges paid.

NOTICE — OVERBOOKING OF FLIGHTS

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for a payment of the airline's choosing. If there are not enough volunteers the airline

will deny boarding to other persons in accordance with its particular boarding priority. With few exceptions, persons denied boarding involuntarily are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.

ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATION OF LIABILITY

"Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of a treaty known as the Warsaw Convention may be applicable to the entire journey, including the portion entirely within the countries of departure and destination. For such passengers special contracts of carriage embodied in applicable tariffs provide that the liability of Delta Air Lines, Inc. and certain other carrier parties to such special contracts for death of or personal injury to passengers is limited in most cases to proven damages not to exceed US \$75,000 per passenger,* and that this liability up to such limit shall not depend on negligence on the part of the carrier. For such passengers traveling by a carrier not having such special contracts of carriage or on a journey not to, from, or having an agreed stopping place in the United States of America, liability of the carrier for death or personal injury to passengers is limited in most cases to approximately US \$10,000 or US \$20,000."

"The names of carriers parties to such special contracts are available at all ticket offices of such carriers and may be examined on request."

"Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under the Warsaw Convention. For further information please consult your airline or insurance company representative."

***Note:** The limit of liability of US \$75,000 is inclusive of legal fees and costs, except that in jurisdictions where provision is made for separate award of legal fees and costs the limit shall be the sum of US \$58,000 exclusive of such fees and costs, but in no event shall the amount to which liability is limited exceed US \$75,000 including such fees and costs.

DELTA AIR LINES, INC.

NOTICE OF BAGGAGE LIABILITY LIMITATIONS

Liability for loss, delay, or damage to baggage is limited as follows unless a higher value is declared in advance and additional charges are paid: (1) For most international travel (including domestic portions of international journeys) to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 per passenger for unchecked baggage; (2) For travel wholly between U.S. points, to \$1,250 per passenger on most carriers (a few have lower limits). Excess valuation may not be declared on certain types of valuable articles. Carriers assume no liability for fragile or perishable articles. Further information may be obtained from the carrier.

Some of these problems, like bad weather, air traffic delays and mechanical repairs are hard to predict and beyond the airline's control. - *Pay cab or limousine fares between hotel and airport.
- *Give you a voucher to buy food at an airport restaurant.

ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATION OF LIABILITY

Passengers embarking on a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of a treaty known as the Warsaw Convention may be applicable to their entire journey, including the portion entirely within the countries of departure and destination. For such passengers on a journey to, from, or with an agreed stopping place in the United States of America, the Convention and special contracts of carriage embodied in applicable tariffs provide that the liability of certain carriers, parties to such special contracts, for death of or personal injury to passengers is limited in most cases to proven damages not to exceed U.S. \$75,000 per passenger, and that this liability up to such limit shall not depend on negligence on the part of the carrier. The limit of liability of U.S. \$75,000 above is inclusive of legal fees and costs except that in case of a claim brought in a country where provision is made for separate award of legal fees and costs, the limit shall be the sum of U.S. \$58,000 exclusive of legal fees and costs. For such passengers traveling by a carrier not a party to such special contracts or on a journey not to, from, or having an agreed stopping place in the United States of America, liability of the carrier for death or personal injury to passengers is limited in most cases to approximately U.S. \$10,000 or U.S. \$20,000. The names of carriers, parties to such special contracts, are available at all ticket offices of such carriers and may be examined on request. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under the Warsaw Convention or such special contracts of carriage. For further information please consult your airline or insurance company representative. SEE CONDITIONS OF CONTRACT ON REVERSE SIDE OF PASSENGER COUPON.

NOTICE OF BAGGAGE LIABILITY LIMITATIONS

Liability for loss, delay, or damage to baggage is limited unless a higher value is declared in advance and additional charges are paid. For most international travel (including domestic portions of international journeys) the liability limit is approximately \$9.07 per pound for checked baggage and \$400 per passenger for unchecked baggage. For travel wholly between U.S. points federal rules require any limit on an airline's baggage liability to be \$1,250 per passenger. Excess valuation may be declared on certain types of articles. Northwest assumes no liability for jewelry, cash, camera equipment, computer equipment or other fragile or perishable articles. Consult Northwest Airlines, Inc. for further information.

insurance. Alamo's policy is issued by Continental Insurance Company.

SUBJECT TO STATE LAW, OPTIONAL EP, IF PURCHASED, IS VOID AND OF NO FORCE OR EFFECT IF, AT THE TIME OF THE ACCIDENT OR LOSS, THE RENTER OR AUTHORIZED DRIVER WAS IMPAIRED DUE TO ALCOHOL OR DRUGS, OR THE VEHICLE WAS BEING DRIVEN BY AN UNAUTHORIZED DRIVER OR WAS ENGAGED IN ANY "PROHIBITED USE" AS DESCRIBED IN THE RENTAL AGREEMENT.

ALAMO PROTECTION PLUS (APP). The purchase of optional APP provides you a package consisting of CDW (at the Maxi Waiver Saver level) and EP, both previously described in this jacket and adds \$100,000 Automobile Accidental Death (AAD) benefit for the primary renter while in, on, boarding, or alighting from the Alamo vehicle, and \$10,000 AAD benefit for each passenger while in the Alamo vehicle. The purchase of APP may duplicate coverage already provided by your personal automobile insurance policy, homeowners insurance policy, personal liability insurance policy, or other sources of coverage. The policy providing the EP portion of this package is issued by Continental Insurance Company; the policy providing the AAD portion is issued by Federal Insurance Company. The CDW portion is not insurance.

The purchase of APP is entirely optional; you are not required to purchase it in order to rent our car.

PERSONAL ACCIDENT INSURANCE (PAI). The purchase of optional PAI provides 24-hour accident protection to the primary renter for death or dismemberment during the entire period of the Rental Agreement. Passengers are also protected only while in, boarding or alighting from the Alamo vehicle. If within one year from the date of accident such injuries result in death, dismemberment or loss of sight, the primary renter will receive the higher of: \$15,000 for loss of life, two or more body members, or loss of sight in both eyes; \$7,500 for loss of one body member or loss of sight in one eye; or \$3,750 for loss of the thumb and index finger of the same hand. Passengers will receive the higher of: \$5,000 for loss of life, two or more body members or loss of sight in both eyes; \$2,500 for loss of one body member or loss of sight in one eye; or \$1,250 for loss of the thumb and index finger of the same hand. The maximum total benefits that shall be payable in the aggregate for all covered individuals for any covered occurrence is \$50,000, regardless of the number of persons. PAI also provides \$550 per person for emergency medical expenses and ambulance fees incurred within one year of the accident.

Personal Accident Insurance does not cover loss caused by or resulting from any of the following: (1) intentionally self-inflicted injuries; (2) suicide or attempted suicide while sane; (3) illness; disease; normal pregnancy or resulting childbirth or miscarriage; and bacterial infection of an accidental bodily injury; or if death results from the accidental ingestion of a substance contaminated by bacteria; (4) any act of declared or undeclared war; (5) accident occurring while a passenger on; or operating; or learning to operate; or serving as a member of the crew of any aircraft; (6) hernia of any type; (7) participation in professional athletics.

The purchase of PAI is entirely optional; you are not required to purchase it in order to rent our car. Alamo's policy is issued by Federal Insurance Company.

PERSONAL EFFECTS COVERAGE (PEC). The purchase of optional PEC protects your personal belongings from loss or damage caused by theft, fire, explosion, lightning, or accident to your rental car. PEC provides reimbursement for the actual cash value of most items up to \$1,000 per person for packed luggage, with a \$2,000 combined total benefit maximum. PEC protects your personal belongings as primary renter and those of your immediate family traveling with you, as well as all authorized drivers listed on your Rental Agreement and their immediate family members traveling with them.

There is a \$50 deductible per piece of lost or damaged luggage. There is a \$100 deductible and \$250 maximum reimbursement for briefcases and cameras, including camera equipment.

Due to their nature, certain items are excluded from this coverage. The items not covered are:

CB radios	currency	securities
coins	deeds	skis
computers	documents	sporting equipment
computer hardware	facsimile machines	tickets
computer peripherals	furs	watches
computer software	guns	
contact lenses	jewelry	

In addition, losses occurring through "mysterious disappearance" are not covered.

The purchase of PEC is entirely optional; you are not required to purchase it in order to rent our car. The policy is issued by Federal Insurance Company.

PERSONAL ACCIDENT AND EFFECTS COVERAGE (PAEC). This optional product combines PAI and PEC described earlier in this jacket. The purchase of PAEC is entirely optional; you are not required to purchase it in order to rent our car.

NOTICE CONCERNING OTHER INSURANCE COVERAGES YOU

MAY HAVE. The purchase of any of the protection or coverages described in this jacket may duplicate, void or cause your own policies to become excess coverage.

Your own auto policy or credit card may provide rental car damage or loss coverage. Alamo personnel cannot interpret them or advise you on what they may or may not cover. The purchase of CDW may void or limit other coverages that you may have under a credit card or personal auto policy.

If you purchase APP, PAI, PEC or PAEC, various credit card insurance death benefits could become "excess insurance coverage," meaning that any benefits due are available only if the amount sought in a claim exceeds the policy limits of any other applicable insurance purchased by cardholders, or those benefits could become void.

The purchase of EP, PAI, PEC or PAEC may duplicate coverage already provided by your personal automobile insurance policy, homeowners insurance policy, personal liability insurance policy or other sources of coverage.

Policies and coverages vary, and Alamo personnel cannot advise you concerning other coverages that may or may not be applicable.

AVAILABILITY OR PROTECTION/COVERAGES DESCRIBED.

Federal, state or local law may limit or vary the terms and conditions of the protection/coverages described, or may prohibit them entirely. Thus, some of these options may not be available in the particular state in which you are renting. Any offer as described in this jacket is void if prohibited by law. In some states, Alamo may be a qualified self-insurer for certain coverages.

PROOF OF COVERAGE. Your proof of coverage under any optional product is your Rental Agreement. The optional coverage abbreviation will appear on the face of the agreement in computer-generated print along with the daily charge and a line for you to sign your initials next to each option selected. You should save your copy of the Rental Agreement. However, in case you lose it, Alamo will provide a copy on request.

HOW TO MAKE A CLAIM. All claims must be made on Alamo's claim forms within ninety (90) days of the incident or accident giving rise to the claim. Forms are available at all Alamo rental locations or through our Claims Representative, Willis Corroon Company (dial toll-free 1-800-327-1200). If the claim is for personal injuries, you must also obtain and submit itemized medical expense statements. If the claim is for personal effects, you must also obtain and submit a police report. All claims must be mailed to:

Willis Corroon Company
Special Risk Claim Department
P.O. Box 2007
Greenville, SC 29602

In addition, you must call Alamo to report the incident or accident as soon as possible. You may call either the Alamo location at which you rented the car

or the location nearest you.

As of December 1, 1991, the insurance companies named in this jacket have issued the policies described. Alamo may from time to time change insurance carriers. Please call the above "800" number if you need to confirm the name of the insurance carrier.

OTHER IMPORTANT INFORMATION

AIRPORT IMPOSED TAXES/FEES. Many airports impose a tax or fee on off-airport rental car transactions which applies if the customer exits the airport using the off-airport company's shuttle bus. In airports where this applies, we unfortunately must pass this tax/fee through to our customers as an additional charge, just as with state sales taxes and other taxes. The amount of the tax/fee varies by airport - in some it is a percentage of the rental charges, while in others it is a flat, fixed sum regardless of the amount of the rental charges. If the Alamo location of your current rental is within an airport jurisdiction which imposes such a tax or fee, and if you used our shuttle bus to reach our rental station, this charge will appear as a separate item entitled "Arpt. Tax" in the pre-calculation of charges set forth in your Rental Agreement. However, if you arrived at our facility by any other means of transportation (i.e., taxi or private auto) other than our shuttle bus, you may be exempted from this charge. If you so advise our Rental Agent at the counter, we will provide you an exemption certificate or Rental Agreement verification to sign certifying that you did not exit the airport using our shuttle bus service.

SALES TAX AND OTHER TAXES. In addition to sales tax, which varies in amount from state to state, several states, counties and cities impose additional taxes on car rental transactions. The amount taxed may be in the form of a percent of the total rental charges such as in Phoenix, Arizona and Portland, Oregon or a fixed per diem surcharge such as in Florida and Hawaii. These surcharges may also be subject to sales tax under various state laws, rules or regulations. By law, Alamo must collect these taxes and remit them to the taxing entity. All such taxes are set forth in the pre-calculation of charges on your Rental Agreement.

RENTAL PERIOD AND EXTENSIONS. Your rental period and return date are as shown on the face of your Rental Agreement. If you wish to extend the rental period beyond the return date shown, **you must go to an Alamo rental station and sign a new Rental Agreement.** Extensions are not automatic and may be refused by Alamo at its sole discretion. In addition, any extension is subject to availability. **Failure to obtain a new agreement to replace an expired one may cause Alamo to request police to issue a warrant for the vehicle and subject you to both civil and criminal penalties.**

SEAT BELTS AND CHILD RESTRAINTS. State law may require the use of seat belts. If you fail to wear them, you may be subject to fines and penalties. Also, in some states, if you are involved in an accident and are not wearing a seat belt, your ability to recover damages from a negligent driver may be affected. Child restraint seats are also required to be used in some states. **SEAT BELTS AND CHILD RESTRAINTS CAN SAVE LIVES.** We urge you to use them.

STATE LAWS. Remember, state laws may prohibit or modify the optional products offered. Any offer or description of benefits is void where prohibited by law.

PROMOTIONAL AND SALES BROCHURES. You should not rely on any promotional brochures, advertising literature or sales brochures which in any way may conflict with the information contained in this Rental Agreement Jacket.

IMPORTANT INFORMATION ABOUT OUR OPTIONAL PRODUCTS

Described below are the optional products you may purchase. Alamo offers no "full coverage" product. The benefits provided by any optional product, if purchased by you, are only as described in this Rental Agreement Jacket, the Rental Agreement itself, and the underlying insurance policy, if any. No Rental Agent or other Alamo employee may vary any of the terms or conditions of any optional product or the Rental Agreement.

COLLISION DAMAGE WAIVER (CDW). The purchase of optional CDW contractually waives or limits your personal responsibility to Alamo for damage to or loss of our rental car, regardless of fault, unless you or an authorized driver intentionally caused the loss or damage or were impaired due to alcohol or drugs, or the loss or damage occurred when the car was being driven by an unauthorized driver. In addition, if you violate the Rental Agreement by taking the car into Mexico or by engaging in any other "Prohibited Use" as described in the Rental Agreement, any CDW benefits become void and of no force or effect. The law of the state in which you are renting may limit the reasons for voiding CDW or may limit the maximum daily charge. CURRENTLY THE STATES OF NEW YORK AND ILLINOIS PROHIBIT ANY SALE OF CDW.

CDW is not insurance. The purchase of CDW is entirely optional; you are not required to purchase it in order to rent our car.

In most states, Alamo offers three different levels of CDW protection, which we call Waiver Savers,SM described immediately below. Some state laws permit the sale of only our Maxi Waiver Saver level.

WAIVER SAVER 500 - Alamo limits your responsibility to amounts in excess of the first \$500.00 of loss or damage; We agree not to execute any claim or judgment against you for this first \$500.00; you are responsible for all loss or damage which exceeds \$500.00.

WAIVER SAVER 3000 - Alamo limits your responsibility to amounts in excess of the first \$3,000.00 of loss or damage; We agree not to execute any claim or judgment against you for this first \$3,000.00; you are responsible for all loss or damage which exceeds \$3,000.00.

MAXI WAIVER SAVER - Alamo waives your responsibility for all loss or damage to the car.

FUEL. Your Alamo car contains a full tank of fuel. We offer the following two choices; you must elect one of them at the start of the rental:

- Return the car with a full tank of fuel at the end of the rental; if you return it with less than a full tank, you must pay Alamo for all fuel that you used but did not replace. The price per gallon will be substantially higher than the local retail pump prices (plus applicable taxes). OR,

- Purchase the full tank of fuel at the start of the rental. The per gallon price will be near or below local retail pump prices (plus applicable taxes). UNDER THIS OPTION, THERE IS NO REFUND FOR UNUSED FUEL.

EXTENDED PROTECTION (EP). The purchase of optional EP provides you and authorized drivers up to an aggregate, single limit of \$1 million for claims that may be made by others against renters or authorized drivers for bodily injury, death and/or property damage arising out of the use or operation of the vehicle. Alamo's EP also includes Uninsured Motorist (UM) benefits up to \$1 million to (a) the renter, (b) all authorized drivers, and (c) members of their immediate family injured while occupying the Alamo rental vehicle. UM coverage applies to injuries caused by a negligent uninsured motorist, by a negligent hit and run driver, or by a negligent motorist whose liability limits are less than your damages. If you do not purchase EP, there is no UM protection whatsoever included with the basic Rental Agreement unless required by state law, and then only the minimum required by such law.

EP is in effect while driving the Alamo vehicle within the United States and Canada. **EP COVERAGE DOES NOT APPLY IN MEXICO.** All exclusions and limitations of EP are listed in Alamo's Insurance policy. EP does not cover claims for punitive or exemplary damages.

The purchase of EP is entirely optional; you are not required to purchase it in order to rent our car. The purchase of EP is not an application for

insurance. Alamo's policy is issued by Continental Insurance Company.

SUBJECT TO STATE LAW, OPTIONAL EP, IF PURCHASED, IS VOID AND OF NO FORCE OR EFFECT IF, AT THE TIME OF THE ACCIDENT OR LOSS, THE RENTER OR AUTHORIZED DRIVER WAS IMPAIRED DUE TO ALCOHOL OR DRUGS, OR THE VEHICLE WAS BEING DRIVEN BY AN UNAUTHORIZED DRIVER OR WAS ENGAGED IN ANY "PROHIBITED USE" AS DESCRIBED IN THE RENTAL AGREEMENT.

ALAMO PROTECTION PLUS (APP). The purchase of optional APP provides you a package consisting of CDW (at the Maxi Waiver Saver level) and EP, both previously described in this jacket and adds \$100,000 Automobile Accidental Death (AAD) benefit for the primary renter while in, on, boarding, or alighting from the Alamo vehicle, and \$10,000 AAD benefit for each passenger while in the Alamo vehicle. The purchase of APP may duplicate coverage already provided by your personal automobile insurance policy, homeowners insurance policy, personal liability insurance policy, or other sources of coverage. The policy providing the EP portion of this package is issued by Continental Insurance Company; the policy providing the AAD portion is issued by Federal Insurance Company. The CDW portion is not insurance.

The purchase of APP is entirely optional; you are not required to purchase it in order to rent our car.

PERSONAL ACCIDENT INSURANCE (PAI). The purchase of optional PAI provides 24-hour accident protection to the primary renter for death or dismemberment during the entire period of the Rental Agreement. Passengers are also protected only while in, boarding or alighting from the Alamo vehicle. If within one year from the date of accident such injuries result in death, dismemberment or loss of sight, the primary renter will receive the higher of: \$15,000 for loss of life, two or more body members, or loss of sight in both eyes; \$7,500 for loss of one body member or loss of sight in one eye; or \$3,750 for loss of the thumb and index finger of the same hand. Passengers will receive the higher of: \$5,000 for loss of life, two or more body members or loss of sight in both eyes; \$2,500 for loss of one body member or loss of sight in one eye; or \$1,250 for loss of the thumb and index finger of the same hand. The maximum total benefits that shall be payable in the aggregate for all covered individuals for any covered occurrence is \$50,000, regardless of the number of persons. PAI also provides \$550 per person for emergency medical expenses and ambulance fees incurred within one year of the accident.

Personal Accident Insurance does not cover loss caused by or resulting from any of the following: (1) intentionally self-inflicted injuries; (2) suicide or attempted suicide while sane; (3) illness; disease; normal pregnancy or resulting childbirth or miscarriage; and bacterial infection of an accidental bodily injury; or if death results from the accidental ingestion of a substance contaminated by bacteria; (4) any act of declared or undeclared war; (5) accident occurring while a passenger on; or operating; or learning to operate; or serving as a member of the crew of any aircraft; (6) hernia of any type; (7) participation in professional athletics.

The purchase of PAI is entirely optional; you are not required to purchase it in order to rent our car. Alamo's policy is issued by Federal Insurance Company.

PERSONAL EFFECTS COVERAGE (PEC). The purchase of optional PEC protects your personal belongings from loss or damage caused by theft, fire, explosion, lightning, or accident to your rental car. PEC provides reimbursement for the actual cash value of most items up to \$1,000 per person for packed luggage, with a \$2,000 combined total benefit maximum. PEC protects your personal belongings as primary renter and those of your immediate family traveling with you, as well as all authorized drivers listed on your Rental Agreement and their immediate family members traveling with them.

There is a \$50 deductible per piece of lost or damaged luggage. There is a \$100 deductible and \$250 maximum reimbursement for briefcases and cameras, including camera equipment.

Due to their nature, certain items are excluded from this coverage. The items not covered are:

CB radios	currency	securities
coins	deeds	skis
computers	documents	sporting equipment
computer hardware	facsimile machines	tickets
computer peripherals	furs	watches
computer software	guns	
contact lenses	jewelry	

In addition, losses occurring through "mysterious disappearance" are not covered.

The purchase of PEC is entirely optional; you are not required to purchase it in order to rent our car. The policy is issued by Federal Insurance Company.

PERSONAL ACCIDENT AND EFFECTS COVERAGE (PAEC). This optional product combines PAI and PEC described earlier in this jacket. The purchase of PAEC is entirely optional; you are not required to purchase it in order to rent our car.

NOTICE CONCERNING OTHER INSURANCE COVERAGES YOU

MAY HAVE. The purchase of any of the protection or coverages described in this jacket may duplicate, void or cause your own policies to become excess coverage.

Your own auto policy or credit card may provide rental car damage or loss coverage. Alamo personnel cannot interpret them or advise you on what they may or may not cover. The purchase of CDW may void or limit other coverages that you may have under a credit card or personal auto policy.

If you purchase APP, PAI, PEC or PAEC, various credit card insurance death benefits could become "excess insurance coverage," meaning that any benefits due are available only if the amount sought in a claim exceeds the policy limits of any other applicable policy purchased by cardholders, or those benefits could become void.

The purchase of EP, PAI, PEC or PAEC may duplicate coverage already provided by your personal automobile insurance policy, homeowners insurance policy, personal liability insurance policy or other sources of coverage.

Policies and coverages vary, and Alamo personnel cannot advise you concerning other coverages that may or may not be applicable.

AVAILABILITY OR PROTECTION/COVERAGES DESCRIBED.

Federal, state or local law may limit or vary the terms and conditions of the protection/coverages described, or may prohibit them entirely. Thus, some of these options may not be available in the particular state in which you are renting. Any offer as described in this jacket is void if prohibited by law. In some states, Alamo may be a qualified self-insurer for certain coverages.

PROOF OF COVERAGE. Your proof of coverage under any optional product is your Rental Agreement. The optional coverage abbreviation will appear on the face of the agreement in computer-generated print along with the daily charge and a line for you to sign your initials next to each option selected. You should save your copy of the Rental Agreement. However, in case you lose it, Alamo will provide a copy on request.

HOW TO MAKE A CLAIM. All claims must be made on Alamo's claim forms within ninety (90) days of the incident or accident giving rise to the claim. Forms are available at all Alamo rental locations or through our Claims Representative, Willis Corroon Company (dial toll-free 1-800-327-1200). If the claim is for personal injuries, you must also obtain and submit itemized medical expense statements. If the claim is for personal effects, you must also obtain and submit a police report. All claims must be mailed to:

Willis Corroon Company
Special Risk Claim Department
P.O. Box 2007
Greenville, SC 29602

In addition, you must call Alamo to report the incident or accident as soon as possible. You may call either the Alamo location at which you rented the car

or the location nearest you.

As of December 1, 1991, the insurance companies named in this jacket have issued the policies described. Alamo may from time to time change insurance carriers. Please call the above "800" number if you need to confirm the name of the insurance carrier.

OTHER IMPORTANT INFORMATION

AIRPORT IMPOSED TAXES/FEEES. Many airports impose a tax or fee on off-airport rental car transactions which applies if the customer exits the airport using the off-airport company's shuttle bus. In airports where this applies, we unfortunately must pass this tax/fee through to our customers as an additional charge, just as with state sales taxes and other taxes. The amount of the tax/fee varies by airport - in some it is a percentage of the rental charges, while in others it is a flat, fixed sum regardless of the amount of the rental charges. If the Alamo location of your current rental is within an airport jurisdiction which imposes such a tax or fee, and if you used our shuttle bus to reach our rental station, this charge will appear as a separate item entitled "Arpt. Tax" in the pre-calculation of charges set forth in your Rental Agreement. However, if you arrived at our facility by any other means of transportation (i.e., taxi or private auto) other than our shuttle bus, you may be exempted from this charge. If you so advise our Rental Agent at the counter, we will provide you an exemption certificate or Rental Agreement verification to sign certifying that you did not exit the airport using our shuttle bus service.

SALES TAX AND OTHER TAXES. In addition to sales tax, which varies in amount from state to state, several states, counties and cities impose additional taxes on car rental transactions. The amount taxed may be in the form of a percent of the total rental charges such as in Phoenix, Arizona and Portland, Oregon or a fixed per diem surcharge such as in Florida and Hawaii. These surcharges may also be subject to sales tax under various state laws, rules or regulations. By law, Alamo must collect these taxes and remit them to the taxing entity. All such taxes are set forth in the pre-calculation of charges on your Rental Agreement.

RENTAL PERIOD AND EXTENSIONS. Your rental period and return date are as shown on the face of your Rental Agreement. If you wish to extend the rental period beyond the return date shown, **you must go to an Alamo rental station and sign a new Rental Agreement.** Extensions are not automatic and may be refused by Alamo at its sole discretion. In addition, any extension is subject to availability. **Failure to obtain a new agreement to replace an expired one may cause Alamo to request police to issue a warrant for the vehicle and subject you to both civil and criminal penalties.**

SEAT BELTS AND CHILD RESTRAINTS. State law may require the use of seat belts. If you fail to wear them, you may be subject to fines and penalties. Also, in some states, if you are involved in an accident and are not wearing a seat belt, your ability to recover damages from a negligent driver may be affected. Child restraint seats are also required to be used in some states. **SEAT BELTS AND CHILD RESTRAINTS CAN SAVE LIVES.** We urge you to use them.

STATE LAWS. Remember, state laws may prohibit or modify the optional products offered. Any offer or description of benefits is void where prohibited by law.

PROMOTIONAL AND SALES BROCHURES. You should not rely on any promotional brochures, advertising literature or sales brochures which in any way may conflict with the information contained in this Rental Agreement Jacket.

OTHER INFORMATION OR ASSISTANCE. For directions to return your car or other assistance, call the nearest Alamo rental station at the number listed in this jacket. You may also write Alamo Rent A Car, Inc. at P.O. Box 22776, Ft. Lauderdale, Florida 33335. For future rental information or reservations call 1-800-327-9633.

NOTICE

If the passenger's journey involves an ultimate destination or stop in a country other than the country of departure the Warsaw Convention may be applicable and the Convention governs and in most cases limits the liability of carriers for death or personal injury and in respect of loss of or damage to baggage. See also notice headed "Advice to International Passengers on Limitation of Liability".

CONDITIONS OF CONTRACT

(See Also Notice Of Incorporated Terms)

1. As used in this contract "ticket" means this passenger ticket and baggage check, of which these conditions and the notices form part, "carriage" is equivalent to "transportation", "carrier" means all air carriers that carry or undertake to carry the passenger or his baggage hereunder or perform any other service incidental to such air carriage, "WARSAW CONVENTION" means the Convention for the Unification of Certain Rules Relating to International Carriage by Air signed at Warsaw, 12th October 1929, or that Convention as amended at The Hague, 28th September 1955, whichever may be applicable.

2. Carriage hereunder is subject to the rules and limitations relating to liability established by the Warsaw Convention unless such carriage is not "International carriage" as defined by that Convention.

3. To the extent not in conflict with the foregoing carriage and other services performed by each carrier are subject to: (I) provisions contained in this ticket, (II) applicable tariffs, (III) carrier's conditions of carriage and related regulations which are made part hereof (and are available on application at the offices of carrier), except in transportation between a place in the United States or Canada and any place outside thereof to which tariffs in force in those countries apply.

4. Carrier's name may be abbreviated in the ticket, the full name and its abbreviation being set forth in carrier's tariffs, conditions of carriage, regulations or timetables; carrier's address shall be the airport of departure shown opposite the first abbreviation of carrier's name in the ticket; the agreed stopping places are those places set forth in this ticket or as shown in carrier's timetables as scheduled stopping places on the passenger's route; carriage to be performed hereunder by several successive carriers is regarded as a single operation.

5. An air carrier issuing a ticket for carriage over the lines of another carrier does so only as its agent.

6. Any exclusion or limitation of liability of carrier shall apply to and be for the benefits of agents, servants and representatives of carrier and any person whose aircraft is used by carrier for carriage and its agents, servants and representatives.

7. Checked baggage will be delivered to bearer of the baggage check. In case of damage to baggage moving in international transportation complaint must be made in writing to carrier forthwith after discovery of damage and, at the latest, within 7 days from receipt; in case of delay, complaint must be made within 21 days from date the baggage was delivered. See tariffs or conditions of carriage regarding non-international transportation.

8. This ticket is good for carriage for one year from date of issue, except as otherwise provided in this ticket, in carrier's tariffs, conditions of carriage, or related regulations. The fare for carriage hereunder is subject to change prior to commencement of carriage. Carrier may refuse transportation if the applicable fare has not been paid.

9. Carrier undertakes to use its best efforts to carry the passenger and baggage with reasonable dispatch. Times shown in timetable or elsewhere are not guaranteed and form no part of this contract. Carrier may without notice substitute alternate carriers or aircraft, and may alter or omit stopping places shown on the ticket in case of necessity. Schedules are subject to change without notice. Carrier assumes no responsibility for making connections.

10. Passenger shall comply with Government travel requirements, present exit, entry and other required documents and arrive at airport by time fixed by carrier or, if no time is fixed, early enough to complete departure procedures.

11. No agent, servant or representative of carrier has authority to alter, modify or waive a provision of this contract unless approved by corporate officer of the carrier.

Mr. Richard Porter
Counselor to the Vice President
Office of the Vice President
Old Executive Office Building
Washington, D.C. 20501

Dear Richard,

Thanks for taking time out of your very busy schedule to spend time with N.A.C.A. members in Pampano Beach.

Richard, it goes without saying, you did an outstanding job! Thank you.

There was a significant point made by one of the members that I trust is worthy of further consideration - that is the issue of memoranda, policies or practices that are not regulations but have the same force and effect as regulations. I would hope this could be brought up to the Vice President so that it could be included in the regulatory review process. These internal practices may have a greater downside effect on competitiveness than regulations themselves.

Enclosed you will find the list of attendees. Please forward your notes along with envelopes to my office and I will see to it that they are addressed and mailed.

Again, thank you for your help.

Warm Personal Regards,

Jack C. Parnell

Co-Director

Dear Harvey:

Thank you for having me up to your august institution on Saturday to give the Administration's view on health care. Not many people seemed to buy our plan, but I am comforted that, after listening to everyone else, I am more convinced that we are on the right track.

One fellow in biotechnology venture capital came up to me after my remarks to complain about FDA. Things are getting so bad, his founders are starting to weigh options for getting out of the business. Their experiences with the FDA sound like something out of Kafka.

I am glad that you are so happy being back in the academy. I guess your strategy for dealing with a midlife crisis paid off -- and you don't even have any car payments for a Porsche!

I am enclosing receipts for \$25.00 for parking, train and cab expenses during my trip. I hope your Center can cover them.

I hope it is not another year before I see you again. Best wishes to Marsha and your family.

Sincerely,

Richard P. [Signature]
