President George Bush
The White House
1600 Pennsylvania Avenue NW
Washington, DC 20500

Dear President Bush,

On behalf of the 3,000 members of the Pittsburgh District of the Zionist Organization of America we would like to express to you our opposition in accepting the PLO as a member of the World Health Organization of the United Nations. I understand that Secretary of State James Baker has advised you that the United States make no further contributions to any international body which makes any changes in the PLO's present status as an observer organization.

I urge you to stand firm on this position. I feel that the PLO is a threat to world security and peace and that any legitimizing of the PLO is a mistake.

Very truly yours,

Marian Ungar Davis
President
Pittsburgh Zionist District
