Princ. Dear Mrs. Bush,

Happy birthday to you! I am sending you my very best wishes for much happiness and success in the year ahead. Happy birthday to a First Lady who is a true inspiration to the American people!

I have been sending you birthday greetings every year since I first met you during the Bush for President effort in the Michigan primary of 1980. I was only 17 years old at the time! Now I have just turned 26 and remain a big fan of George and Barbara Bush. I am now in Washington too -- a first year lawyer at a major firm. As always, if there is anything I can do to help you in your work on behalf of the entire nation, please call on me.

Once again, happy birthday to a fine lady! I am so pleased to see you in the White House -- keep up the excellent work, Mrs. Bush!
