

BB-
How wonderful
to know
that you are
tutoring

Dear Mrs. Bush,

Hi my name is Jodi. I am 18 years old and have recently graduated from John F. Kennedy High School. I am planning to get an Associated Arts degree in Early Childhood Education from Montgomery College. I then will go to a 4 year school and get a degree in Elementary Education. I bet you guessed that I want to be a teacher.

Let me explain why I am writing you this letter. Today I met a twenty-eight year old man who wants to be an EMT (emergency medical technician). Well his only problem is that he cannot read. I have offered to help him, because I used to tutor a 7 yr. old in reading, plus I was a teachers aide for first graders, and I helped them read. I have told him

to go to the library
and get some Easy To Read
children's books. I even told
him to watch Sesame Street.
I am very interested in
helping this man. He did
not graduate from high school.

I really hope you read
this letter and maybe
give me some tips. (Just some
pointers)

My neighbor Pamela Grey-
mendes works in The Old
Executive Office as a stenog-
rapher for Mr. Bush and other
political figures. I am even
going up to Kennebunkport
with her and her son in
August. Maybe I will get
a chance to meet you.
Until then - thanks a lot
for your help and under-
standing.

Fondly,

my address is on Gadi Lynn Brenner
