Dear Mr. President,

It is a great honor to present you with this especially wrapped curved-butt-spin cast trolling rod which I designed with the Tarpon fisherman in mind. It provides 30% more leverage when fighting larger fish, with greatly reduced line stress.

We at Chum Magic are a new company and pride ourselves with introducing innovative and original products. We seek no publicity from this gift. Please just enjoy it.

We think you are a fine President and we wanted to show you in a way that we thought you would appreciate. We at Chum Magic are all anglers and we love having a President who is also.

We are also proud of our community and we all wish you a happy and restful stay. Happy Fishing!
