Schedule Proposal

date 7 / 18 / 05

TO: Melissa S. Bennett
Deputy Assistant to the President
for Appointments and Scheduling

FROM: STEVE HADLEY *SH*

REQUEST: Greeting with German Opposition Envoy
Wolfgang Schaeuble

PURPOSE: To discuss foreign policy under a
Christian Democrat-led German
Government with the opposition
leader's representative

BACKGROUND: Given the President's meeting with
German Chancellor Schroeder during
election season in Germany, we had
invited Angela Merkel, the Christian
Democratic candidate for Chancellor,
to Washington. Merkel, however, is
unable to visit given the press of
campaigning in advance of the
September 18 vote. She has asked
Wolfgang Schaeuble to travel to key
capitals for her, including
Washington and Moscow. Schaeuble, a
former party leader, has the lead on
security and European policy for the
campaign, although he is a party
elder rather than a minister-in-
waiting. Merkel is sending Schaeuble

REQUEST: Photo Opportunity with the March of Dimes 2005 National Ambassador

PURPOSE: To meet and pose for a photo with the March of Dimes 2005 National Ambassador.

BACKGROUND: March of Dimes National Ambassadors travel around the country with their families to share their story and help people learn about some of the serious consequences associated with premature birth. C., to meet the President began with President Franklin D. Roosevelt.

The 2005 ambassador is Navy Anderson of Logan, Utah. Navy and her twin brother, Jackson, were born 17 weeks premature. Jackson lived only three hours, but Navy, who weighed only 1 lb., 6 oz., survived after overcoming life threatening complications and today is seven years old with no serious health problems.

PREVIOUS PARTICIPATION: The President has participated in annual photo ops with previous National Ambassadors since he took office.

For Appointments and Scheduling

FROM: Karl Rove *WR*

REQUEST: Remarks to 2005 Boys and Girls Nation delegates.

PURPOSE: To address the 2005 American Legion Boys and Girls Nation delegates.

BACKGROUND: Each year American Legion Departments and their Ladies auxiliaries select two outstanding Boys State and Girls State graduates to represent them at American Legion Boys Nation and Girls Nation held in Washington, D.C. It is here that the delegates are introduced to the structure and function of the federal government.

Boys and Girls Nation is designed to instill in each delegate a deep loyalty to America and provides practical insight to the operation of the federal government. American Legion Boys & Girls Nation gives its representatives the opportunity to increase their understanding and appreciation for our form of government and for their birthrights as American citizens.

The first American Legion Boys Nation (then called Boys Forum of National Government) was held on the campus of American University, Washington, D.C., August 4-9, 1946, under the sponsorship of the Legion's National Americanism Commission. It was officially adopted as a major youth activity by the 1946 National Convention of The American Legion in San Francisco, California, and subsequent action by The American Legion National Convention in 1949 at Philadelphia, Pennsylvania, changed the name to Boys Nation.

PREVIOUS PARTICIPATION: The President has addressed the delegates in 2001, 2002, and 2003. He was unable to address them in 2004.

We just received a call from the team and we have an issue with timing. If we show up at 630 and go on stage at around 7 the sun is directly behind the president. We would like to suggest a 7pm arrival with speaking around 730. The 30 minutes helps the picture and solves this problem. I believe the original request from the BS was for a 7 pm arrival.

Just spoke with Gary. Now that the number is down from 260 to 192, he said this will work if we keep it to kids, no chaperones. It will be tight and we'll have chairs across the front row (did this for intern photo.) This will be much better given the heat!!

Thanks everyone,

gary walters just called. he is - as we all are - worried about the heat for this photo and raised the possibility of moving it inside. it sounds like the residence can accomodate it logistically. the question, i guess, is whether the photographers can make it work and/or whether the project office is ok w/ doing it indoors.

pls weigh in.
