Memo

To: File
From: Brooke Clement, Archivist

Date: 7/23/09
Re: Presidential Daily Diary: January 1, 2009

The George W. Bush Presidential Library received two versions of January 1, 2009 with the "Presidential Daily Diary" series. The document that follows this memo is the **final version**, which came with a Post-It from Diarist Debbie Carter that stated that this version "replaced the previous edition." Archivists determined that both were presidential records and kept both versions. The "previous edition" mentioned by Debbie Carter immediately follows the final version in this folder.

Re: Presidential Daily Diary: January 9, 2009

The George W. Bush Presidential Library received two versions of January 9, 2009 with the "Presidential Daily Diary" series. The document that follows this memo is the **final version**, which came with a Post-It from Diarist Debbie Carter that stated that this version "replaced the previous edition." Archivists determined that both were presidential records and kept both versions. The "previous edition" mentioned by Debbie Carter immediately follows the final version in this folder.
