We have called all the guests (except the Members of Congress) selected by the President and Mrs. Bush and already have 7 regrets. There were 15 couples who were not selected from the list - may we consider them Tier Two and begin inviting them?

Attached is a guest list for next Monday's screening of "Amazing Grace", followed by dinner. Would you please print out for the President and Mrs. Bush to review and choose 30 couples to be invited? It would be great if we could get it back in the morning so that we can begin calling to invite guests - we don't have much lead time for this event. Thanks so much.

Also, would you ask Mrs. Bush if she would like to have the dinner in the Diplomatic Reception Room, with the buffet tables in the lower crosshall, as we did the last time?
