THE UNITED STATES NAVY BAND  
"SEA CHANTERS"

THE UNITED STATES NAVY BAND "SEA CHANTERS"

Established in 1956, the Sea Chanters share their musical talent with people across the country. The official chorus of the United States Navy, they perform a variety of music from traditional choral music to Broadway musical tunes. The ensemble often performs at the White House, the Vice President's home, and for other Washington dignitaries, as well as notable national events, such as the 55th Presidential Inauguration Ceremony in 2005. They have provided comfort to the Nation in times of mourning by performing at the memorials for the astronauts of the space shuttle Columbia, the Presidential wreath laying ceremony at the United Airlines Flight 93 crash site in Pennsylvania, and at the National Day of Prayer and Remembrance at Washington's National Cathedral following September 11th.
