welcomes you to

for a luncheon honoring

THE SPOUSES OF THE SENATE

CLINTON STATE SERVICE

2000 - Lenox, Inc., Trenton, N. J.

Commissioned to commemorate the 200th anniversary of the White House with designs inspired by architectural motifs – from the State Dining Room on the cream soup cup and saucer; first use of images of the White House.

REAGAN STATE SERVICE

1982 - Lenox, Inc., Trenton, N. J.

Red and gilt edge; Presidential coat of arms. The cross-hatching on the dessert plates was derived from a Madison family service.

JOHNSON STATE SERVICE

1968 - Castleton China, Inc., New Castle, Pa.

Gilt dot pattern overlaid with wild flowers on some pieces. The eagle emblem was derived from the James Monroe state dessert service. The dessert plates, not completed until 1972, are decorated with 51 different flowers for the 50 states and the District of Columbia.

EISENHOWER SERVICE PLATES

1955 - Castleton China, Inc., New Castle, Pa.

Heavy gilded rim; Presidential coat of arms at the center. Although the manufacturer suggested a new service, Mrs. Eisenhower opted for service plates to supplement the recently acquired 1951 Truman state service.

TRUMAN STATE SERVICE

1951 - Lenox, Inc., Trenton, N. J.

Cream rim with green and gilt edge and gilt Presidential coat of arms. Ordered as part of the Truman renovation of the White House, 1949-52.

F. D. ROOSEVELT STATE SERVICE

1934 - Lenox, Inc., Trenton, N. J.

Blue edge with gilt stars; band of gilt roses and sets of three feathers, derived from the Roosevelt family arms, interrupted by the Presidential coat of arms.

"JERSEY BOYS"

JERSEY BOYS

Nominated for eight Tony Awards, the hit Broadway musical *Jersey Boys* is the rags-to-riches tale of four blue-collar kids working their way from the streets of Newark to the heights of stardom. The musical is based on the life and career of Frankie Valli and the Four Seasons, whose unmistakable pop sound brought them a string of hits in the 1960s, including "Big Girls Don't Cry," "Sherry," "Walk Like a Man," and "Rag Doll."
