METRO BANK
Vice Chairman

I joined Metro Bank in 1989 as Director of the Company and was elected as a member on the Board of Directors that same year. I serve on several Committees and was promoted to Vice Chairman in 1999. Metro Bank is a community bank with branches in the Greater Houston area and Dallas. The bank has grown from 3 million to over 700 million in assets today.

WEST PLAZA MANAGEMENT
C.E.O.

West Plaza Management was established in 1988 as an investment and management company. Its operation involves the management and investments of commercial properties. Projects include an office building, condos, town-homes, apartments, marina etc.

UNITEX BAG, INC.
CEO.

PAST EXPERIENCE:

Started a manufacturing plant / Unitex Bag, Incorporated in 1985. I choose Houston because of the advantage of its location, cost and the positive business environment for establishing the facility. Unitex Bag produces USDA certified woven plastic bags that are used for packaging grain and fertilizer for export. Worked with USDA, Ports of Corpus Christi, Houston, New Orleans, and Galveston, also worked with Grain Companies like Cargill and ADM in the Southern region of the United States. I sold the company in 1998, because I did not have enough time to take care of all the business that was required to run the company.

In 1996 I joined with City Officials to conduct business developments between Houston, Beijing, Hong Kong and Taipei. Also went to Panama to promote International Trade for the city of Houston.

Before I came to Houston Texas, I was in San Francisco, California; I was working for Walker Interactive Products, a Computer Software Company, for two (2) years as a computer programmer, after taking computer courses at U.C. Berkley. I then started a company in California to import plastic sheets, which I later sold in 1983.

From the education background in Finance, Computers and Economics, plus over ten (10) years hands on experience with International Trade Development, International Trade Regulations, Investments, Banking, Manufacturing, and Real Estate, I have the diversified experience that can be utilized in many different areas that would be best served.

WHITE HOUSE INITIATIVE ON
ASIAN AMERICANS AND PACIFIC ISLANDERS

May 4, 2003

Mr. Timothy Saunders
Executive Clerk
The White House
Washington, D.C. 20502

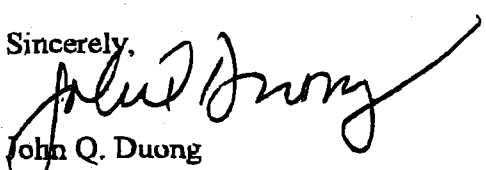

Dear Mr. Saunders:

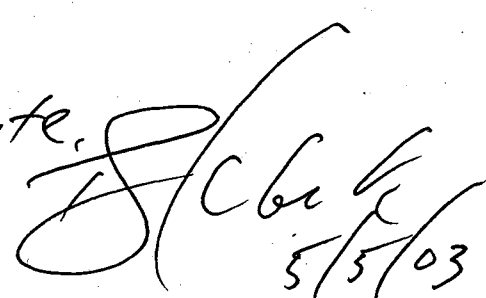

I am writing to you at the request of Commissioner Jhoon Rhee. Mr. Rhee was appointed by President Bush in ^{Sep} August of 2001 to serve as a member of the President's Advisory Commission on Asian Americans and Pacific Islanders.

Mr. Rhee recently informed me that to date, he has not received his official appointment certificate. I am aware that all the certificates were sent out quite some time ago to each Commissioner, however at this point, I can only assume that it was lost in transit. These were mailed during the anthrax period where mail was being eradicated and delivery service was quite inconsistent in the Washington, DC area where Mr. Rhee resides. As a matter of fact, a certificate that was sent to another member of the Commission who also lives in the Washington, DC area was destroyed and needed to be reissued.

The Executive Order establishing this current Commission is set to expire on June 6, 2003. Mr. Rhee is requesting a replacement certificate reflecting his service to the President and on the Commission prior to the end of his term. If you have any questions, please do not hesitate giving me a call at 301-443-2492. Thank you for your speedy attention to this matter.

Sincerely,

John Q. Duong
Executive Director
