THE PRESIDENT HAS SEEN

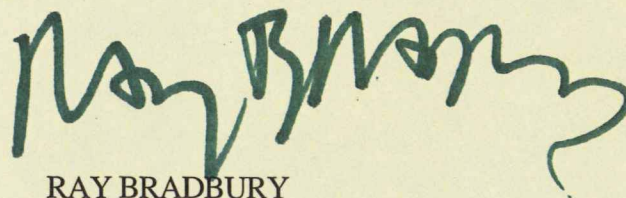

Dear President and Mrs. Bush:

I am pleased to hear of your commitment to return to the Moon and to move on out with a manned expedition to Mars.

I enclose a copy of an article that was published this week about that very subject, which I hope you will enjoy. Under separate cover I will be sending you a copy of THE MARTIAN CHRONICLES, a book I published 53 years ago and which is now being read in hundreds of schools across America.

If there is anything I can do in the next few weeks or months to help you with this project, please feel free to contact me.

Sincerely,

RAY BRADBURY
