Mickey and Jan Rooney

January 12, 2007

Dear Mr. President

What a horrendous time you must be going through. Decisions have to be made, and it must be very tedious for you to do so. I just wanted to let you know that my wife Jan and I are with you a one-hundred percent. As a veteran of the World War II, I appreciate everything that you are doing. God bless our men and women of the arm forces, and all concerned with the safety of our great country. I remember from long ago a saying, "Carry on full speed ahead".

With love and Gods guidance,

*Mickey & Jan -
