THE PRESIDENT HAS SEEN

Dear Mr. President,

I'm sure this will just be another letter in a long list of letters. But I just want you and your wife to know that I have never seen two people leading this country who have stood up taller day after day, event after event, crisis after crisis, with such bravery and stature. As you know, you can count me in your army, and I'm in the foxhole with you. You've been just that great.

Best Personal Regards,

George M. Steinbrenner
