THE PRESIDENT HAS SEEN

October 24th 2002

Dear President Bush,

My daughter, Jacqueline Danforth, telephoned me, more excited than I have heard her in years. She had just met you in Bangor, Maine. She told me you were enormously kind to her ... that you walked right up to her ... but not only that, she thought your speech was beautifully delivered and very important. "He is such a nice man, Mom," she said.

Jackie is usually a pretty cool cookie and very rarely enthuses. I cannot thank you enough, as a mother, for taking such special time with my daughter and showing her that the President of the United States is a warm and caring person.

and appreciation
