

Dear, President Honor

As much as I don't
want my dad to fight. I

am willing to give him
to you. I hope he doesn't
get killed. If he does get

killed I will know he died
for the people and the country.

I prayed and I cried
for all the people that ^{have} died.
Even though I am sad I will
still try to help. I hope

one day every one will get
along.

1/19/01
Sincerely, Nichole Carter
