Pentagon Memorial
October 11, 2001
Draft #8

We have come here to pay our respects to 125 men and women who lived and died in service to America. We also remember 64 passengers on a hijacked plane – those men and women, and boys and girls, who fell into the hands of evildoers, and also died here exactly a month ago.

The Taliban regime has brought nothing but fear and misery to the people of Afghanistan. These rulers call themselves holy men, even with their record of drawing money from the heroin trade. They consider themselves pious and devout, while subjecting women to fierce brutality.

The Taliban regime has brought nothing but fear and misery to the people of Afghanistan. These rulers call themselves holy men, even with their record of drawing money from the heroin trade. They consider themselves pious and devout, while subjecting women to fierce brutality. The Taliban has allied itself with murderers, and given them shelter. But today, for al-Qaida and the Taliban, there is no shelter.
