One Hundred Seventh Congress of the United States of America

AT THE FIRST SESSION

*Begun and held at the City of Washington on Wednesday,
the third day of January, two thousand and one*

An Act

To name the national cemetery in Saratoga, New York, as the Gerald B.H. Solomon Saratoga National Cemetery, and for other purposes.

*Be it enacted by the Senate and House of Representatives of
the United States of America in Congress assembled,*

SECTION 1. FINDINGS.

The Congress finds the following:

(1) Gerald Brooks Hunt "Jerry" Solomon of Glens Falls, New York, served in the House of Representatives for 10 terms, from January 3, 1979, to January 3, 1999, and during that service gained a reputation for being outspoken and tenacious in presenting his views on a wide range of issues.

(2) Congressman Solomon was born in Okeechobee, Florida, and grew up there during the Great Depression before moving to New York in 1945.

(3) Congressman Solomon enlisted in the United States Marine Corps at the onset of the Korean War and served in the Marine Corps for 8½ years on active and reserve duty.

(4) Before being elected to Congress in 1978, Congressman Solomon was a businessman in Glens Falls, New York.

(5) During his 20-year congressional career, Congressman Solomon served as the ranking Republican on the Committee on Veterans' Affairs, where he was recognized by the veterans community as one of its strongest advocates. Among his other accomplishments for veterans, Congressman Solomon spearheaded the effort to create the Cabinet-level Department of Veterans Affairs and successfully led a 15-year drive to establish the Saratoga National Cemetery in Saratoga, New York, where he is now interred.

(6) Congressman Solomon was also recognized for his efforts to promote pride, patriotism, and volunteerism, and when the Supreme Court ruled that laws prohibiting the burning of the United States flag were unconstitutional, Congressman Solomon was given the assignment to pass a constitutional amendment to prohibit desecration of the flag. The Solomon Amendment passed overwhelmingly in the House, but failed by one vote in the Senate.

(7) As chairman of the Committee on Rules of the House of Representatives, Congressman Solomon revamped the rules under which the House operates, abolishing proxy voting, opening all meetings to the media and the public, and making Congress subject to the same laws that the American people live under.

THE WHITE HOUSE

(8) During his congressional career, Congressman Solomon was the recipient of dozens of major awards from many national veterans organizations, including the coveted "Iron Mike Award", presented to him by the Marine Corps and Marine Corps League, and the Distinguished Citizen Award, presented to him by the National Congressional Medal of Honor Society for his legislative successes on behalf of the United States military and veterans issues.

SEC. 2. NAME OF THE NATIONAL CEMETERY IN SARATOGA, NEW YORK.

(a) **NAME.**—The national cemetery located in Saratoga, New York, shall after the date of the enactment of this Act be known and designated as the "Gerald B.H. Solomon Saratoga National Cemetery". Any reference to such national cemetery in any law, regulation, map, document, record, or other paper of the United States shall be considered to be a reference to the "Gerald B.H. Solomon Saratoga National Cemetery".

(b) **MEMORIAL.**—The Secretary of Veterans Affairs shall provide for the placement in the national cemetery referred to in subsection (a) of a suitable memorial to honor the memory of Gerald B.H. Solomon and his service to the United States.

THE SECRETARY OF VETERANS AFFAIRS
WASHINGTON

December 26, 2001

The Honorable Mitchell E. Daniels, Jr.
Director, Office of
Management and Budget
Attention: Assistant Director
for Legislative Reference
Washington, D.C. 20503

Dear Mr. Daniels:

As requested, I am writing to express the views of the Department of Veterans Affairs (VA) on the enrolled bill, H.R. 3392, 107th Congress. VA strongly recommends the President's approval.

H.R. 3392 would designate the national cemetery located in Saratoga, New York, as the "Gerald B.H. Solomon Saratoga National Cemetery." This bill would also authorize the Secretary of Veterans Affairs to place in the national cemetery a suitable memorial to honor the memory of Gerald B.H. Solomon and his service to the United States.

We wholeheartedly support this legislation, as it expresses the gratitude of this Nation for the services of the distinguished Congressman. We find the recognition of the former Marine and ranking member on the House Committee on Veterans' Affairs in this manner to be a fitting honor and memorial. Among his many accomplishments for veterans, Congressman Solomon led the effort to create the Cabinet-level Department of Veterans Affairs and successfully led a 15-year drive to establish the Saratoga National Cemetery, where he is now interred. Significantly, at the time of his death, Congressman Solomon was leading the Presidential Task Force to Improve Health Care Delivery for our Nation's Veterans.

Sincerely yours,

One Hundred Seventh Congress
of the
United States of America

AT THE FIRST SESSION

*Begun and held at the City of Washington on Wednesday,
the third day of January, two thousand and one*

An Act

To name the national cemetery in Saratoga, New York, as the Gerald B.H. Solomon Saratoga National Cemetery, and for other purposes.

*Be it enacted by the Senate and House of Representatives of
the United States of America in Congress assembled,*

SECTION 1. FINDINGS.

The Congress finds the following:

(1) Gerald Brooks Hunt "Jerry" Solomon of Glens Falls, New York, served in the House of Representatives for 10 terms, from January 3, 1979, to January 3, 1999, and during that service gained a reputation for being outspoken and tenacious in presenting his views on a wide range of issues.

(2) Congressman Solomon was born in Okeechobee, Florida, and grew up there during the Great Depression before moving to New York in 1945.

(3) Congressman Solomon enlisted in the United States Marine Corps at the onset of the Korean War and served in the Marine Corps for 8½ years on active and reserve duty.

(4) Before being elected to Congress in 1978, Congressman Solomon was a businessman in Glens Falls, New York.

(5) During his 20-year congressional career, Congressman Solomon served as the ranking Republican on the Committee on Veterans' Affairs, where he was recognized by the veterans community as one of its strongest advocates. Among his other accomplishments for veterans, Congressman Solomon spearheaded the effort to create the Cabinet-level Department of Veterans Affairs and successfully led a 15-year drive to establish the Saratoga National Cemetery in Saratoga, New York, where he is now interred.

(6) Congressman Solomon was also recognized for his efforts to promote pride, patriotism, and volunteerism, and when the Supreme Court ruled that laws prohibiting the burning of the United States flag were unconstitutional, Congressman Solomon was given the assignment to pass a constitutional amendment to prohibit desecration of the flag. The Solomon Amendment passed overwhelmingly in the House, but failed by one vote in the Senate.

(7) As chairman of the Committee on Rules of the House of Representatives, Congressman Solomon revamped the rules under which the House operates, abolishing proxy voting, opening all meetings to the media and the public, and making Congress subject to the same laws that the American people live under.

H. R. 3392—2

(8) During his congressional career, Congressman Solomon was the recipient of dozens of major awards from many national veterans organizations, including the coveted "Iron Mike Award", presented to him by the Marine Corps and Marine Corps League, and the Distinguished Citizen Award, presented to him by the National Congressional Medal of Honor Society for his legislative successes on behalf of the United States military and veterans issues.

SEC. 2. NAME OF THE NATIONAL CEMETERY IN SARATOGA, NEW YORK.

(a) **NAME.**—The national cemetery located in Saratoga, New York, shall after the date of the enactment of this Act be known and designated as the "Gerald B.H. Solomon Saratoga National Cemetery". Any reference to such national cemetery in any law, regulation, map, document, record, or other paper of the United States shall be considered to be a reference to the "Gerald B.H. Solomon Saratoga National Cemetery".

(b) **MEMORIAL.**—The Secretary of Veterans Affairs shall provide for the placement in the national cemetery referred to in subsection (a) of a suitable memorial to honor the memory of Gerald B.H. Solomon and his service to the United States.

Speaker of the House of Representatives.

*Vice President of the United States and
President of the Senate.*

Discussion

H.R. 3392 names the national cemetery in Saratoga, New York, as the "Gerald B.H. Solomon Saratoga National Cemetery", and directs the VA Secretary to provide for the placement of a suitable memorial in the cemetery.

Representative Solomon, a Republican, served in the U.S. House of Representatives from 1979 to 1999. He was Chairman of the Rules Committee and Ranking Member of the Veterans' Affairs Committee. In 2001, Mr. Solomon was appointed to serve on the Presidential Task Force to Improve Health Care Delivery for our Nation's Veterans. He died on October 26, 2001, at the age of 71.

Conclusion and Recommendations

VA recommends approval of H.R. 3392. The Department notes that "Congressman Solomon led the effort to create the Cabinet-level Department of Veterans Affairs and successfully led a 15-year drive to establish the Saratoga National Cemetery, where he is now interred."

We join VA in recommending approval of H.R. 3392 which passed the House by voice vote and the Senate by unanimous consent.
