Discussion

4-H — an educational and development program, promoted by USDA's Cooperative State Research, Education, and Extension Service in collaboration with state and local sponsors — is one of the Nation's largest youth programs. In anticipation of the program's 2002 centennial celebration, the National 4-H Council has proposed a public-private initiative to devise youth development programs.

S. 657 authorizes the Secretary of Agriculture to provide a cost-share grant, not to exceed \$5 million, to the Council to: (1) sponsor national, state, and local forums on youth development; and (2) prepare a report that, in part, recommends youth development strategies and a plan to implement them. The federal cost-share would be 50 percent, and the matching non-federal share may be in the form of cash or in-kind contributions.

S. 657 authorizes appropriations of \$5 million for the grant. The Secretary may make the grant either from funds appropriated pursuant to the bill's authorization or from other funds that are available to the Secretary for rural development activities.

Conclusion and Recommendations

We join Agriculture in recommending the approval of S. 657, which passed the Senate by unanimous consent and the House by voice vote.

DEPARTMENT OF AGRICULTURE
OFFICE OF THE SECRETARY
WASHINGTON, D.C. 20250

JUN 29 2001

The Honorable Mitchell E. Daniels, Jr.
Director
Office of Management and Budget
Washington, DC 20503

Dear Director Daniels:

Thank you for the opportunity to comment on the enrolled bill S. 657, "To authorize funding for the National 4-H Program Centennial Initiative". The enrolled bill would authorize the Department of Agriculture to make a grant of not more than \$5,000,000 to the National 4-H Council to conduct a program of discussions through meetings, seminars, and listening sessions on the National, State and local levels regarding strategies for youth development. The enrolled bill would authorize appropriations and would authorize the use of funds provided under the Fund for Rural America (7 U.S.C. 2204f) for the grant. As FY 2001 Fund for Rural America funds have been previously allocated to rural development and competitively awarded research programs, any funds to conduct this activity would likely derive from future allocations under the Fund or future appropriations.

The Department of Agriculture recommends that the President sign the enrolled bill.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann M. Veneman", with a long, sweeping horizontal line extending to the right.

Ann M. Veneman
Secretary

One Hundred Seventh Congress of the United States of America

MEMORANDUM FOR THE PRESIDENT

SUBJECT: Enrolled Bill S. 657 - National 4-H Program Centennial Initiative
Sponsors - Sen. Lugar (R) Indiana and 32 cosponsors

Last Day for Action

July 10, 2001 - Tuesday

Purpose

Authorizes a \$5 million matching grant to the National 4-H Council to devise youth development programs.

Agency Recommendations

Office of Management and Budget

Approval

Department of Agriculture (USDA)

Approval

Discussion

4-H — an educational and development program, promoted by USDA's Cooperative State Research, Education, and Extension Service in collaboration with state and local sponsors — is one of the Nation's largest youth programs. In anticipation of the program's 2002 centennial celebration, the National 4-H Council has proposed a public-private initiative to devise youth development programs.

S. 657 authorizes the Secretary of Agriculture to provide a cost-share grant, not to exceed \$5 million, to the Council to: (1) sponsor national, state, and local forums on youth development; and (2) prepare a report that, in part, recommends youth development strategies and a plan to implement them. The federal cost-share would be 50 percent, and the matching non-federal share may be in the form of cash or in-kind contributions.

S. 657 authorizes appropriations of \$5 million for the grant. The Secretary may make the grant either from funds appropriated pursuant to the bill's authorization or from other funds that are available to the Secretary for rural development activities.

Conclusion and Recommendations

We join Agriculture in recommending the approval of S. 657, which passed the Senate by unanimous consent and the House by voice vote.
