Approval (Assumed)

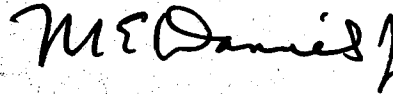

Discussion

At this time, only two (i.e., Defense and Military Construction) of the thirteen FY 2003 appropriations bills have been passed by the Congress. Because only limited progress has been made on the remaining bills, an extension of the third continuing resolution (CR) will be necessary to ensure continued funding for government operations. H.J. Res. 123 is a clean resolution that extends the terms and conditions of the current CR until November 22, 2002. H.J. Res. 123 passed the House by a vote of 228-172 and the Senate by unanimous consent on October 17, 2002.

Recommendation

H.J. Res. 123 is a clean CR that provides funding to the Government until regular appropriations bills can be approved by the Congress. Therefore, I recommend that you sign the enrolled bill.

Sincerely,

Last Day for Action

October 29, 2001 -- Tuesday

Your signature as soon as possible is recommended. Funding for the agencies and accounts covered by the enrolled bill expires at midnight on Friday, October 18th.

Purpose

Provides FY 2003 appropriations for continuing projects and activities of the Federal Government through November 22, 2002.

Agency Recommendations

Office of Management and Budget
Other affected departments
and agencies

Approval

Approval (Assumed)

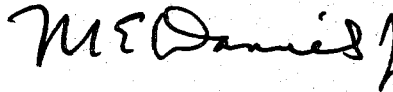

Discussion

At this time, only two (i.e., Defense and Military Construction) of the thirteen FY 2003 appropriations bills have been passed by the Congress. Because only limited progress has been made on the remaining bills, an extension of the third continuing resolution (CR) will be necessary to ensure continued funding for government operations. H.J. Res. 123 is a clean resolution that extends the terms and conditions of the current CR until November 22, 2002. H.J. Res. 123 passed the House by a vote of 228-172 and the Senate by unanimous consent on October 17, 2002.

Recommendation

H.J. Res. 123 is a clean CR that provides funding to the Government until regular appropriations bills can be approved by the Congress. Therefore, I recommend that you sign the enrolled bill.

Sincerely,

Last Day for Action

October 29, 2001 -- Tuesday

Your signature as soon as possible is recommended. Funding for the agencies and accounts covered by the enrolled bill expires at midnight on Friday, October 18th.

Purpose

Provides FY 2003 appropriations for continuing projects and activities of the Federal Government through November 22, 2002.

Agency Recommendations

Office of Management and Budget
Other affected departments
and agencies

Approval (Assumed)

Discussion

At this time, only two (i.e., Defense and Military Construction) of the thirteen FY 2003 appropriations bills have been passed by the Congress. Because only limited progress has been made on the remaining bills, an extension of the third continuing resolution (CR) will be necessary to ensure continued funding for government operations. H.J. Res. 123 is a clean resolution that extends the terms and conditions of the current CR until November 22, 2002. H.J. Res. 123 passed the House by a vote of 228-172 and the Senate by unanimous consent on October 17, 2002.

Recommendation

H.J. Res. 123 is a clean CR that provides funding to the Government until regular appropriations bills can be approved by the Congress. Therefore, I recommend that you sign the enrolled bill.

Sincerely,

MEMORANDUM FOR THE PRESIDENT

SUBJECT: Enrolled Bill H.J. Res. 123 -- Making Further Continuing Appropriations for the Fiscal Year 2003, and for Other Purposes

Sponsors: Representative Young (R), Florida
Senator Byrd (D), West Virginia

Last Day for Action

October 29, 2001 -- Tuesday

Your signature as soon as possible is recommended. Funding for the agencies and accounts covered by the enrolled bill expires at midnight on Friday, October 18th.

Purpose

Provides FY 2003 appropriations for continuing projects and activities of the Federal Government through November 22, 2002.

Agency Recommendations

Office of Management and Budget
Other affected departments
and agencies

Approval

Approval (Assumed)

Discussion

At this time, only two (i.e., Defense and Military Construction) of the thirteen FY 2003 appropriations bills have been passed by the Congress. Because only limited progress has been made on the remaining bills, an extension of the third continuing resolution (CR) will be necessary to ensure continued funding for government operations. H.J. Res. 123 is a clean resolution that extends the terms and conditions of the current CR until November 22, 2002. H.J. Res. 123 passed the House by a vote of 228-172 and the Senate by unanimous consent on October 17, 2002.

Recommendation

H.J. Res. 123 is a clean CR that provides funding to the Government until regular appropriations bills can be approved by the Congress. Therefore, I recommend that you sign the enrolled bill.

Sincerely,

A handwritten signature in black ink, appearing to read "M E Daniels Jr", with a stylized flourish at the end.
