MEMORANDUM FOR THE PRESIDENT

SUBJECT: Enrolled Bill H.R. 2647 -- Legislative Branch Appropriations Act, FY 2002

Sponsors: Representative Taylor (R), North Carolina
Senator Durbin (D), Illinois

Last Day of Action

November 14, 2001 -- Wednesday

Funding for the agencies and accounts covered by the enrolled bill is currently provided under Public Law 107-58, the fourth FY 2002 Continuing Resolution, which will expire at midnight on Friday, November 16th.

Purpose

Provides FY 2002 appropriations for the Congress, the Congressional Budget Office, the Architect of the Capitol, the General Accounting Office, the Government Printing Office, and the Library of Congress.

Agency Recommendations

Office of Management and Budget

Approval (Signing Statement attached)

Discussion

Overall, the enrolled bill provides \$2.97 billion in FY 2002 discretionary budget authority, slightly above the request (\$8 million) and \$324 million, or 12 percent, above the FY 2001 enacted level. On November 1st, the conference report on H.R. 2647 passed the House by a vote of 374-52 and passed the Senate by unanimous consent.

By longstanding practice (reflected in 31 U.S.C. 1105(b)), appropriations requested by the Legislative Branch are included in your budget request without change.

The bill provides a combined funding level for the House of Representatives and Senate that is nearly 15 percent above FY 2001. The Congressional Budget Office is funded at the requested level of \$31 million, \$3 million above the FY 2001 enacted level. The bill provides \$422 million for the General Accounting Office, \$6 million below the request but \$38 million, or 10 percent, above the FY 2001 enacted level. The Architect of the Capitol is funded at \$315 million, \$22 million above the request and \$104 million, or 49 percent, above FY 2001. The

enrolled bill provides \$112 million for the Government Printing Office, \$15 million below the request but \$13 million, or 13 percent, above the FY 2001 enacted level.

We will continue to work with the Congress to ensure the policy and program content of each of the thirteen appropriations bills is acceptable to you and that the bill totals are within the recently agreed upon aggregate funding level of \$686 billion.

Recommendation

I recommend that you sign the enrolled bill. A signing statement is attached for your consideration.

Sincerely,

Provides FY 2002 appropriations for the Congress, the Congressional Budget Office, the Architect of the Capitol, the General Accounting Office, the Government Printing Office, and the Library of Congress.

Agency Recommendations

Office of Management and Budget

Approval (Signing Statement attached)

Discussion

Overall, the enrolled bill provides \$2.97 billion in FY 2002 discretionary budget authority, slightly above the request (\$8 million) and \$324 million, or 12 percent, above the FY 2001 enacted level. On November 1st, the conference report on H.R. 2647 passed the House by a vote of 374-52 and passed the Senate by unanimous consent.

As required by law, appropriations requested by the Legislative Branch are included in your budget request without change.

The bill provides a combined funding level for the House of Representatives and Senate that is nearly 15 percent above FY 2001. The Congressional Budget Office is funded at the requested level of \$31 million, \$3 million above the FY 2001 enacted level. The bill provides \$422 million for the General Accounting Office, \$6 million below the request but \$38 million, or 10 percent, above the FY 2001 enacted level. The Architect of the Capitol is funded at \$315 million, \$22 million above the request and \$104 million, or 49 percent, above FY 2001. The

enrolled bill provides \$112 million for the Government Printing Office, \$15 million below the request but \$13 million, or 13 percent, above the FY 2001 enacted level.

We will continue to work with the Congress to ensure the policy and program content of each of the thirteen appropriations bills is acceptable to you and that the bill totals are within the recently agreed upon aggregate funding level of \$686 billion.

Recommendation

I recommend that you sign the enrolled bill. A signing statement is attached for your consideration.

STATEMENT BY THE PRESIDENT

Today I have signed into law H.R. 2647, the "Legislative Branch Appropriations Act, 2002."

The Act provides Fiscal Year 2002 appropriations for the Congress, the Congressional Budget Office, the Architect of the Capitol, the General Accounting Office, the Government Printing Office, and the Library of Congress.

My Administration appreciates that the Congress has worked expeditiously during this difficult and trying time in our Nation's history to consider the Fiscal Year 2002 appropriations bills. Now, through a renewed sense of bipartisanship, the Congress and the Administration must work together to ensure the timely enactment of the remaining bills.

Sponsors: Representative Taylor (R), North Carolina
Senator Durbin (D), Illinois

Last Day for Action

November 14, 2001 -- Wednesday

Funding for the agencies and accounts covered by the enrolled bill is currently provided under Public Law 107-58, the fourth FY 2002 Continuing Resolution, which will expire at midnight on Friday, November 16th.

Purpose

Provides FY 2002 appropriations for the Congress, the Congressional Budget Office, the Architect of the Capitol, the General Accounting Office, the Government Printing Office, and the Library of Congress.

Agency Recommendations

Office of Management and Budget

Approval (Signing Statement attached)

Discussion

Overall, the enrolled bill provides \$2.97 billion in FY 2002 discretionary budget authority, slightly above the request (\$8 million) and \$324 million, or 12 percent, above the FY 2001 enacted level. On November 1st, the conference report on H.R. 2647 passed the House by a vote of 374-52 and passed the Senate by unanimous consent.

As required by law, appropriations requested by the Legislative Branch are included in your budget request without change.

The bill provides a combined funding level for the House of Representatives and Senate that is nearly 15 percent above FY 2001. The Congressional Budget Office is funded at the requested level of \$31 million, \$3 million above the FY 2001 enacted level. The bill provides \$422 million for the General Accounting Office, \$6 million below the request but \$38 million, or 10 percent, above the FY 2001 enacted level. The Architect of the Capitol is funded at \$315 million, \$22 million above the request and \$104 million, or 49 percent, above FY 2001. The

enrolled bill provides \$112 million for the Government Printing Office, \$15 million below the request but \$13 million, or 13 percent, above the FY 2001 enacted level.

We will continue to work with the Congress to ensure the policy and program content of each of the thirteen appropriations bills is acceptable to you and that the bill totals are within the recently agreed upon aggregate funding level of \$686 billion.

Recommendation

I recommend that you sign the enrolled bill. A signing statement is attached for your consideration.

Sincerely,
