Mrs. Hillary Rodham Clinton
First Lady of the United States
White House
1600 Pennsylvania Avenue
Washington, DC 20502

Dear Mrs. Clinton,

On behalf of the Board of Directors of The For All Kids Foundation, I would like to invite you to our inaugural Annual Awards Dinner as an honored guest and recipient of *The For All Kids Advocacy Award*.

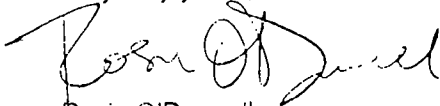

I am very impressed with the many years you have spent as an advocate working to improve healthcare, education and child care for our nation's children. I know that you too believe every child is a gift and all children deserve the same high standard of care and opportunities to succeed.

To help support the intellectual, social and cultural development of disadvantaged children throughout the United States, The For All Kids Foundation awards grants to nonprofit organizations providing child care, medical, educational and housing programs in low-income communities. During the Foundation's first fiscal year, we awarded \$1.5 million to 105 charitable organizations. With the continued generosity of individuals and corporations, we hope to increase our grants by as much as \$5 million this year.

The For All Kids Foundation Annual Awards Dinner will be held on Tuesday, December 1, 1998 at the Marriott Marquis in New York City. Should you have any questions, or should you require additional information regarding the Foundation's activities, please do not hesitate to contact me directly.

I hope you will be able to join us, and I look forward to your response.

Very truly yours,

Rosie O'Donnell
President

Dear Evan:

As I mentioned in our recent conversation, the hotel location for the benefit which Rosie O'Donnell's foundation, The For All Kids Foundation, is sponsoring on December 1, 1998, which will honor First Lady Hillary Rodham Clinton, has been changed to the New York Marriott Marquis Hotel (1535 Broadway at 45th Street in Manhattan). Please pass this information along to your colleagues.

If you have any questions, please don't hesitate to call me. Many thanks for your assistance.

With best wishes,

Charlotte C. Simon
