HEADLINE: First lady witnesses fruits of women's work Panama group nurtures  
reforestation, community with seedling business

BYLINE: Associated Press

DATELINE: CHICA, Panama

BODY:

CHICA, Panama - **Hillary Rodham Clinton** trudged up a red, muddy mountainside on the edge of Panama's rain forest Friday and found what she was looking for - crooked rows of guava and mango seedlings.

There, shyly at first, then with growing confidence, Faustina Nunez told **Mrs. Clinton** that the men of her village thought the women were silly to try to start a nursery.

"They said that our nursery was going to fail, that this was something that men did, ...

... profits.

"We grew and grew, and our community was able to see that we were playing an important role," said Ms. Nunez, sitting next to **Mrs. Clinton** on a bamboo bench surrounded by plants. "We were a society of strong-willed women, and we were not going to step ...

... world that works to fulfill a need in the community and also give income to people like the ones we've seen today," **Mrs. Clinton** said.

She and Panama's first lady, Dora Boyd de Perez, quizzed Ms. Nunez about the ownership of the nursery plot, which is leased to them.

"We want to make sure you have the land," **Mrs. Clinton** said, laughingly explaining that both of the first ladies are lawyers.

The nursery is part of a larger reforestation project supported in ...

... U.S. Agency for International Development. It is designed to ensure there is enough fresh water to supply the locks of the Panama Canal.

**Mrs. Clinton** flew by helicopter over the canal's watershed area on her way to Chica and got an overview of the deforestation caused ...
