HEADLINE: The first daughter and the gag rule

BYLINE: Nat Hentoff; HENTOFF is a nationally renowned authority on the First Amendment and the rest of the Bill of Rights.; (C) Newspaper Enterprise Association

BODY:

... staff member Jesse Oxfeld. Previously, he had been the paper's managing editor for special sections. His offense was mentioning Stanford freshman **Chelsea Clinton** in a column, thereby breaking the editor's rule that the first daughter could not be written about unless she did something noteworthy.

Neither **Chelsea Clinton** nor her parents, it should be noted, had anything to do with the termination of Oxfeld, who is a communications major. Neither did the Stanford administration.

The sole antagonists are the columnist and the editor, and the issue is when, if ever, a gag rule is justified, particularly in this case when **Chelsea Clinton's** privacy was not invaded. Oxfeld's comment had nothing to do with the arrangements for her presence.

In what turned out to be his farewell column, Oxfeld noted that since it was announced **Chelsea Clinton** was coming to Stanford, "everyone at this university has gone to great pains assuring the world that she'll have a typical college experience. As ...

... a Stanford Daily alumnus, Philip Taubman of The New York Times:

"If the long-term goal is to discourage a preoccupation with **Chelsea Clinton**, the White House should have considered a less flamboyant way of getting her to school."

After all, Oxfeld continued, when the president traveled to ...

... in a recent editorial said: "We are dedicated to preserving both the right of freedom of speech and the principle of individual privacy."

But **Chelsea Clinton**, however involuntarily, is a public figure, and if a columnist cannot write about the effects of a public figure's presence on ...
