HEADLINE: Clinton's claims of executive privilege fail key tests

BYLINE: Tony Snow

BODY:

... alone. It is his recent attempt to claim executive privilege for counselors Bruce Lindsey and Sidney Blumenthal and first lady **Hillary Rodham Clinton**.

... system.

Consider the key issues:

. Is the first lady subject to privilege?

The White House argued during the health-care debacle that **Mrs. Clinton** wasn't a "special government employee" but just an outsider with superhuman endowments of civic virtue.

But a ...

... use privilege to shield someone who doesn't work for him, so the White House must have reversed itself and declared **Mrs. Clinton** a bona fide official. Unfortunately, that is against the law. The so-called Kennedy rule, drafted after Robert Kennedy served as his brother's attorney general, prohibits presidents from hiring relatives in top positions.

Mrs. Clinton may be stronger and more influential today than ever before. But that still isn't good enough to qualify her as a candidate for ...
