Dear Sandra,

We would like to thank your office for its commitment to AIDS prevention and education in Africa.

We are a news media organization with registered office in Riverdale Maryland U.S.A. Our publication titled African & American World is a quarterly focus on U.S. & Africa economic and social development initiatives with special interest in the development of U.S. franchises in sub saharan Africa.

As a news organization, we can play a significant role in AIDS education in Africa through mass media campaign.

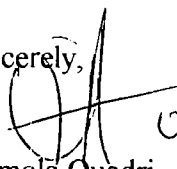

We, therefore, request to serve as a volunteer organization on your Education committee.

May we request for press kit and information on your AIDS Prevention and Education Initiative in Africa for use in the summer 2000 edition of African & American World.

We missed your recent summit on HIV/AIDS IN U.S. & AFRICA. We suggest that you include us on your press mailing list.

Looking forward to your early response.

Sincerely,

Demola Quadri
Editor/CEO
