To: (Members of the Global AIDS Emergency Working Group)

From: Sandra Thurman, Director
Office of National AIDS Policy

As discussed in the meeting of the Global AIDS Emergency Working Group, we have been charged with making recommendations to the President on how best we may enhance the US response to HIV/AIDS in sub-Saharan Africa, and to do so in short order. To that end, we asked that each of you consider what your agency is currently doing towards this effort, as well as how additional funds could be identified and effectively utilized to shape a strengthened and more coordinated response. We would appreciate it immensely if you would briefly outline in writing your thoughts regarding this inquiry.

As you know, the President has asked that recommendations be ready during the first week in June. In order for us to meet this deadline, I hope that you will be able to respond to our request as soon as possible. I would appreciate your faxing it to Cheryl Bauerle in my office at (202) 456-2439 by Friday, May 21.

Thank you very much for your time and attention.

Memo

To: Ms. Rosa Whittaker
Assistant United States Trade Representative for Africa

From: Sandy Thurman, Director 
White House Office of National AIDS Policy

Re: **Report and Recommendations Regarding AIDS in Africa**

In response to a recent Presidential Mission to sub-Saharan Africa designed to assess the impact of the AIDS epidemic, the President has instructed me to convene and chair a global AIDS emergency working group to make recommendations for an enhanced US effort. The President has indicated that he expects this working group to be "active and effective", and that he wants the recommendations for action ready to be released along with a report during the first week in June.

Areas of consideration will include the following:

- new funding
- dept swap for AIDS
- consistent and coordinated US response
- mobilizing other donors
- promoting African leadership
- public-private partnerships

The working group will be co-chaired by Gayle Smith, Senior Director for African Affairs at the NSC and myself. The first meeting will take place on **Friday, May 7 at 1:30 PM in Room 476 of the OEOB**. At this meeting we will provide an overview briefing on AIDS in sub-Saharan Africa, followed by a strategy conversation of how best to execute the task we have been given in the time frame allotted. The success of this working group depends heavily on your participation. While we realize that this meeting is being called on short notice, I hope you will be able to attend this important opening session. Please have a member of your staff contact Cheryl Bauerle in my office at (202) 456-2959 so that she can make sure we have appropriate clearance information.

Thank you very much for your time and attention.

Note: The Working Group includes representatives from the CIA, Commerce, DOD, HHS, NIC, NSC, OMB, OVP, Peace Corps, State, Treasury, USAID and USTR.

Re: **Report and Recommendations Regarding AIDS in Africa**

In response to a recent Presidential Mission to sub-Saharan Africa designed to assess the impact of the AIDS epidemic, the President has instructed me to convene and chair a global AIDS emergency working group to make recommendations for an enhanced US effort. The President has indicated that he expects this working group to be "active and effective", and that he wants the recommendations for action ready to be released along with a report during the first week in June.

Areas of consideration will include the following:

- new funding
- dept swap for AIDS
- consistent and coordinated US response
- mobilizing other donors
- promoting African leadership
- public-private partnerships

The working group will be co-chaired by Gayle Smith, Senior Director for African Affairs at the NSC and myself. The first meeting will take place on **Friday, May 7 at 1:30 PM in Room 476 of the OEOB**. At this meeting we will provide an overview briefing on AIDS in sub-Saharan Africa, followed by a strategy conversation of how best to execute the task we have been given in the time frame allotted. The success of this working group depends heavily on your participation. While we realize that this meeting is being called on short notice, I hope you will be able to attend this important opening session. Please have a member of your staff contact Cheryl Bauerle in my office at (202) 456-2959 so that she can make sure we have appropriate clearance information.

Thank you very much for your time and attention.

Note: The Working Group includes representatives from the CIA, Commerce, DOD, HHS, NIC, NSC, OMB, OVP, Peace Corps, State, Treasury, USAID and USTR.
