Subject: 2:00PM Meeting on USG-UNAIDS Technical Resources
Attachment:
Date: 10/07/1999 11:26 AM

456 2439

The proposed attendees for today's meeting are:

1. Jim Sherry-UNAIDS
2. Carmine Bozzi-CDC
3. Richard Keenlyside-CDC
4. Paul De Lay-USAID
5. Alex Ross-USAID
6. Barbara de Zalduondo-USAID
7. Roscoe Moore-DHHS-Office of Refugee and International Health
8. Jason Wright-ORIH
9. ????????Wendy Wertheimer-NIH
10. ????????Marsha Martin-OS

We propose the following agenda for this one hour meeting. Sandy should serve as chair.

-Jim Sherry should give a brief background on the development of the International Partnerships for Africa, the concept of the "technical resource platforms," and what are we trying to achieve at the November "Technical Resource Meeting." (20 minutes)

-Alex Ross and Barbara de Zalduondo should then present our latest thinking on the major issues that need to be adequately addressed at the November meeting. A number of these outstanding concerns should be addressed both in preparing for the November meeting, as well as being part of the agenda for that meeting. These include how we determine priority needs for TA; short term versus long term goals and activities (e.g. for the short term using existing African and expatriate technical consultants versus longer term training/mentoring of individuals and enhancing African institutions/networks); ensuring that there is a linkage of TA with resources to implement; etc.) (20 minutes)

We also need to address some logistics issues, such as finalizing dates and times for the meeting. (November 16-17 are tentatively proposed) and finalizing the invitees (particularly focusing on enhancing African participation)

-Next steps and identifying key roles to prepare for the November meeting. (20 minutes)
