SUBJECT: REQUEST FOR DOCUMENTS

M. Dennis Sculimbrene has filed a lawsuit alleging in part that the White House maintains files on him in violation of the Privacy Act. To allow us to respond to these allegations, please conduct a thorough and complete search of all your records -- whether in hard copy, computer form, or any other form -- for any of the following material:

Any and all documents relating or pertaining to M. Dennis Sculimbrene. To the extent that you have responsive documents, please provide a copy of the file folders or file jackets that the documents were contained in as well as the documents.

Every employee is responsible for searching his or her own files and

records to ensure a comprehensive search. Each office head or Assistant to the President must certify that his or her staff has done a complete and thorough search.

In addition, if you believe that files from your office that have been sent to the Office of Records Management may contain responsive information, please advise us so that we may ensure that all responsive documents have been located.

All materials must be provided to Shelli Peterson (OEOB Room 482) by noon on Thursday, September 30, 1999. If you have any questions, Shelli can be reached at 456-7804.

Subject: Request for Documents

Adam,

Reference the E-Mail from Beth Nolan requesting documents on M. Dennis Sculimbren. We do have a response from the security office. Since it is information contained in a security file I will provide the data directly to Shelli Peterson.

Thanks,

Chuck

well, there is really not a whole lot of "checking" that we can do. i don't know who this person is--as far as i am aware, he has not appeared on any comment line reports or tally sheets that we have produced in this office and we definitely do not have any sort of file on him. i checked with carrie about how these requests for documents have been handled previously in this office and i think we have enough of an understanding of what goes on in the office to be able to say that to the best of our knowledge we do not have any responsive documents.

well, there is really not a whole lot of "checking" that we can do. i don't know who this person is--as far as i am aware, he has not appeared on any comment line reports or tally sheets that we have produced in this office and we definitely do not have any sort of file on him. i checked with carrie about how these requests for documents have been handled previously in this office and i think we have enough of an understanding of what goes on in the office to be able to say that to the best of our knowledge we do not have any responsive documents.

Subject: Request for Documents

Each OA employee should have received the September 21, 1999 e-mail from Beth Nolan, Counsel to the President, requesting a search for documents relating or pertaining to M. Dennis Sculimbrene (including, in addition to the responsive documents, copies of the file folders or jackets in which they were contained). In order for OA to respond to this request, I am requesting that each OA Associate Director or staff member to whom this memo is directed provide me with any responsive documents. Each respondent should also send me a certification that all staff members in his or her office were directed to complete this search, and that all documents responsive to the request were provided. If no responsive documents are found, a negative certification should be provided.

Two copies of any document should be provided to me. Please also notify me of any files sent to records management which may contain responsive materials.

Your certifications and any responsive documents (two copies) or other information must be provided to me by noon on Tuesday, September 28. If there is any reason why this deadline cannot be met, OA recipients of this memo should immediately explain the situation to me by e-mail so I may keep Management and Administration fully informed.

Please call me at 5-1268 if you have any questions or if I can otherwise be of assistance.
