whoa. we all need to get together and resolve this holiday behind the
scenes

thing. i belive the 48 hours thing is a great possibility. the audiecne
for

that would be (what mark neschis? about triple today show?) and then we
have to

make some of this happen. and why are we screwing around with regis and
kathy

lee? we have an opportunity to do a prime time documentary on cbs that would be great and we're going for day-part soap opera audiences? can we get some coordination on this monday?
