Tab C International AIDS Legislative Goals and Calendar

Part I: Appropriations Process

1) **Secure full funding for the President's budget request on international AIDS (including HIPC&IDA money) in Appropriations process.** Key Appropriations subcommittees are Agriculture, Foreign Operations, Defense, and Labor/HHS (to be reviewed by Martha Foley (WH Legislative Affairs), OMB, USAID **first**). Attached Appropriations calendar to follow.

2) **Organize interagency briefings for above subcommittees.** Also target and work with friends on the Committee (Pelosi, Leahy, Durbin, Jackson (Il), Feinstein, etc.).

Part II: Non-Appropriations Measures

1) **Secure passage of Administration proposals.** Seek legislative vehicle for our vaccine tax credit proposal (Ways & Means, Finance, Health Care revenue bills).

2) **Devise strategy for managing congressional initiatives.** Leach/Lee (H.R. 3519) passed in the House by voice vote on May 15. Need to fine-tune administration position and prepare for Senate strategy. Currently OMB, Treasury, and USAID are reviewing H.R. 3519's language and devising coordinated strategy for future negotiations with members.

Part III: General Education and Outreach to Members and Committee Education

1) **Draft and clear interagency talking points on the AIDS crisis and highlight the Administration's proposals.**

2) **Design outreach (including specific talking points) for interested congressional groups (CBC, Women's, Asian, Military Committees, etc.).**

3) **Develop and utilize existing core groups of interested members (for dear colleagues, floor debates, one minutes, "whipping" -- internal lobbying, etc.).**

Tab C International AIDS Legislative Goals and Calendar

Part I: Appropriations Process

1) Secure full funding for the President's budget request on international AIDS (including HIPC&IDA money) in Appropriations process. Key Appropriations subcommittees are Agriculture, Foreign Operations, Defense and Labor/HHS (to be reviewed by Martha Foley (WH Legislative Affairs), OMB, USAID first). Attached Appropriations calendar to follow.

2) Organize interagency briefings for above subcommittees. Also target and work with friends on the Committee (Pelosi, Leahy, Durbin, Jackson (Il), Feinstein etc.).

Part II: Non-Appropriations Measures

1) Secure passage of Administration proposals. Seek legislative vehicle for our vaccine tax credit proposal (Ways & Means, Finance, Health Care revenue bills).

2) Devise strategy for managing congressional initiatives. Leach/Lee (H.R. 3519) passed in the House by voice vote on May 15th. Need to fine-tune administration position and prepare for Senate strategy. Currently OMB, Treasury and USAID are reviewing H.R. 3519's language and devising coordinated strategy for future negotiations with members.

Part III: General Education and Outreach to Members and Committee Education

1) Draft and clear interagency talking points on the AIDS crisis and highlight the Administration's proposals.

2) Design outreach (including specific talking points) for interested congressional groups (CBC, Women's, Asian, Military Committees etc.).

3) Develop and utilize existing core groups of interested members (for dear colleagues, floor debates, one minutes, "whipping" internal lobbying, etc.).

Legislative Calendar

May

4 Senate & House Ag Appropriations - Subcommittee

9 Senate Ag & Foreign Ops Appropriations - Full Committee

10 House Ag Appropriations - Full Committee, House Labor/H Approps - Subcommittee & Senate Labor/H Approps - Subcommittee

Tab D **International AIDS Legislative Goals and Calendar**

Part I: Appropriations Process

1) **Secure full funding for the President's budget request on international AIDS (including HIPC&IDA money) in Appropriations process.** Key Appropriations subcommittees are Agriculture, Foreign Operations, Defense and Labor/HHS (to be reviewed by Martha Foley (WH Legislative Affairs), OMB, USAID **first**). Attached Appropriations calendar to follow.

2) **Organize interagency briefings for above subcommittees.** Also target and work with friends on the Committee (Pelosi, Leahy, Durbin, Jackson (Il), Feinstein etc).

Part II: Non-Appropriations Measures

1) **Secure passage of Administration proposals.** Seek legislative vehicle for our vaccine tax credit proposal (Ways & Means, Finance, Health Care revenue bills).

2) **Devise strategy for managing congressional initiatives.** Leach/Lee (H.R. 3519) passed in the House by voice vote on May 15th. Need to fine-tune administration position and prepare for Senate strategy. Currently OMB, Treasury and USAID are reviewing H.R. 3519's language and devising coordinated strategy for future negotiations with members.

Part III: General Education and Outreach to Members and Committee Education

1) **Draft and clear interagency talking points on the AIDS crisis and highlight the Administration's proposals.**

2) **Design outreach (including specific talking points) for interested congressional groups (CBC, Women's, Asian, Military Committees etc).**

3) **Develop and utilize existing core groups of interested members (for dear colleagues, floor debates, one minutes, "whipping"- internal lobbying, etc).**
