Clinton Presidential Records Digital Records Marker

This is not a presidential record. This is used as an administrative marker by the William J. Clinton Presidential Library Staff.

This marker identifies the place of a publication.

Publications have not been scanned in their entirety for the purpose of digitization. To see the full publication please search online or visit the Clinton Presidential Library's Research Room.

The background of the cover is a collage of medical-related images. At the top left, there is a close-up of numerous small, round, white pills. To the right of the pills is a medical syringe with a needle. Below the syringe, there is a close-up of a microscope's eyepiece and objective lenses. The text is overlaid on these images in white rectangular boxes with black borders.
