Dear Friend:

We are writing to encourage you to attend – and importantly, for you to encourage appropriate members of your staff and other colleagues to attend -- the Economic Strategy Institute's Seventh Annual International Trade Conference, which will take place at the Hyatt Regency on Capitol Hill in Washington, D.C. on May 5-6, 1998. This conference will serve not only as an important forum for exchange of views on trade and economic interests but it will serve as the most important commemoration in Washington of the 50th Anniversary of the GATT.

Our Conference Co-Chairs include Philip M. Condit, Chairman & CEO, The Boeing Company; George M.C. Fisher, Chairman & CEO, Eastman Kodak; Maurice Greenberg, Chairman, AIG; Dana Mead, Chairman & CEO, Tenneco; James Morgan, Chairman & CEO, Applied Materials; Frederick Smith, Chairman & CEO, Federal Express. Our Honorary Congressional Co-Chairs include Senator Jeff Bingaman (D-NM), Senator Pete Domenici (R-NM), Senator Joseph Lieberman (D-CT), and Senator Olympia Snowe (D-ME), as well as House Democratic Leader Richard Gephardt, Speaker of the House Newt Gingrich, Congressman Amo Houghton, and Congressman Sander Levin.

ESI's annual trade conference, this year entitled *Whither Globalism: A World in Crisis?* has emerged as the major trade/economic policy conference of the year in Washington, attracting more than 500 business leaders, government officials, and members of the academic community. It also receives extensive U.S. and international press coverage by both television and print media.

This year, the conference will open with a focus on technology and how the rapid development of Internet communications and electronic commerce will affect global integration. The program will then move to discussions of regional events and circumstances and their impact on the global economy. We have organized major sessions on Asia, but will also focus on other unfolding national, regional and international trade and economic trends.

Dear Mr. McLarty:

The University of Texas Pan American (UTPA) plans to formally dedicate its International Trade and Technology Center on Saturday. I would like to take this opportunity to invite you to attend this event. The date has tentatively been set for either May 1 or May 4, 1998; however, the UTPA is flexible as they would like to accommodate your schedule.

Funding for this \$3.1 million initiative was awarded by the Department of Commerce's Economic Development Administration (EDA). In addition to housing an EDA University Center, the International Trade and Technology Center will provide facilities for other Department of Commerce programs including the Minority Business Opportunity Committee (MBOC), the NETmobile, and the State Data Center Affiliate of the U.S. Census Bureau.

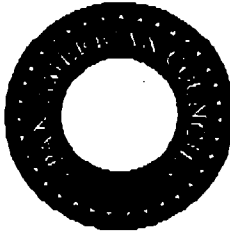

The anticipated guests attending will range from 1,500 to 2,000 business persons--both local and international, regional leaders, elected officials, bankers, and local media. It would be an honor to include you in this special event. We have received word from the Mexican Department of Commerce (SECOFI) that their Secretary, Dr. Hermino Blanco, is expected to attend the dedication to sign a joint agreement between SECOFI and UTPA to promote international business development and investment.

Your presence at this event will be extremely meaningful to my constituents in South Texas. I am hopeful that you will participate in this very special event. With best wishes and regards, I am,

Sincerely,

Rubén Hinojosa
Member of Congress

a affair.

Dear President Clinton:

On behalf of the Pan American Council and the Miami International Press Center, we would like to invite you to come to Miami on your way to the Summit of the Americas II in Santiago, Chile in April.

UCL

A major policy speech in Miami would provide the opportunity to highlight your vision for the Americas and the achievements since the original Summit of the Americas held in Miami in December, 1994.

We would organize the event around your schedule but propose the possibility of an evening event on Thursday, April 16, 1998.

We await the opportunity of hosting you again in Miami.

Sincerely yours,

LUIS LAUREDO
President

MEMORANDUM FOR MACK MCLARTY
FROM: ANDREW FRIENDLY
SUBJECT: SANTIAGO ADVANCE MEETING

As you know, last week the Chilean government hosted representatives from the countries invited to the Summit in April in order to discuss the schedule and logistics for the meeting. All but the Caribbean countries were represented by somebody from their foreign ministry or their embassy in Chile.

SCHEDULE AND ISSUES:

Most of the working meetings and events surrounding the Summit are planned for the Sheraton Hotel since all of the leaders, except President Clinton, will be staying there. The Summit starts at 9 am on Saturday, April 18th with an Inaugural Ceremony in one of the hotel's ballrooms and planned remarks by President Frei and President Clinton. The first working session is that morning in another ballroom of the hotel and is scheduled to last until 12:45 pm. There will be an official photo and lunch at the Camino Real Restaurant on a hill overlooking Santiago until 2:45 pm and the second session, back at the hotel, will start an hour later and last until 6:30. President Frei will host a performance and dinner at La Moneda that night for the leaders and spouses only. At the same time, the foreign ministers will be having a dinner, possibly with the other ministers who will be in Santiago, at the Mapocho Station Cultural Center. (Mapocho is a former train station that has been converted into a center for performances and exhibits. During the Summit week, it will contain exhibits and food from all the countries of the Americas. Our Embassy has arranged for Herbie Hancock and his band to represent the U.S. A number of U.S. companies are helping to sponsor the events and exhibits.)

Sunday's schedule starts at 9:45 with the final working session at the Sheraton. President Frei will host a lunch in his suite before the closing ceremony and communique signing in another hotel ballroom. According to the Chileans, President Clinton and President Frei are expected to host a press conference until 4:30 pm. Both the lunch and the press conference are new additions to the Summit schedule and take away from any free time that the President might have had that afternoon. Presumably, the State Visit would start that night with a State Dinner hosted by the Freis.

The schedule for the State Visit is still to be determined, but the Chileans have made it clear that the President will be expected to lay a wreath at the O'Higgins statue in Santiago, speak to the

Congress in Valpariso (a 45 minute helicopter ride away on the coast), meet with President Frei for bi-lateral discussions, and perhaps have a meal with Frei at his summer house in Vina del Mar (a 15 minute drive from the Congress). The President would presumably return to the U.S. that night. Other events that should be kept in mind include Ambassador Guerra's desire to have the President address the business community -- perhaps at the American Chamber of Commerce; a meeting with any opposition leaders, if necessary; and a meet and greet with the Embassy staff.

According to the Chilean protocol chief, there is no official spousal program yet, but Mrs. Frei is considering organizing one. Since she will be hosting the First Ladies for their meeting in Santiago in October, it is unclear how many will be coming in April. I talked with Patti Solis yesterday about Mrs. Clinton's schedule and the possibility of stopping in other countries before coming to Santiago for the State Visit portion. Patti is very interested in your suggestions for possible stops, but is also concerned that the Chileans will eventually lay on a spousal program that Mrs. Clinton would be obligated to attend. Maybe you want to feel out the Chileans about Mrs. Clinton not arriving until Sunday evening.

Visually, the visit is shaping up to be very flat. There is nothing attractive about the meeting venues and the only sight that looks foreign, La Moneda, is late on a Saturday night -- a black hole for the press. I don't know how much we can change the Summit designs, but we might have some flexibility for the State visit sights or events. Maybe a business event could be at a factory or the stock exchange, something other than a hotel ballroom. Also, the lack of free time poses a significant problem to appease the President's desire to "see something" of real Chile. Shots of Mrs. Clinton in pretty places with real Latin Americans might be a good way to fill the vacuum of good pictures on Saturday and Sunday.

The most significant event of the meeting last week was the draw for seating and placement assignments for all the working sessions, the official photo, and the closing ceremony. We participated in the draw, but made a case with the Chilean protocol chief that as the former host of the Summit, President Clinton should be treated differently. Our Embassy will continue to work the issue to ensure that the President is seated to the right of President Frei and is treated appropriately at the other events. Oscar Pizarro told Charles Shapiro, our DCM, that our concerns would be answered and not to worry.

OTHER CONCERNS

Some other issues that you should be aware of:

- Brazil, on behalf of the MERCOSUR countries, made a motion to be seated together and treated as a block for the meetings -- the Chileans avoided dealing with the issue for now
- the Chileans are sending a military plane to Miami and San Jose to pick up whatever leader wants a ride to Santiago on Friday, April 17th. They will be taken home on Sunday

[001]

While recent Presidential overseas trips have included Congressional representation, it will be very hard for Members of Congress, Governors, business leaders, or other members of any official delegation to be included in the Summit activities. Creating a separate program for such a delegation might prove to be more difficult than it is worth.

CONCLUSION

All in all, the Chileans are far along in the Summit planning and seem to be very well organized.

That being said, however, the Summit lacks energy or character. We should start to work with the communications office on ways to infuse the weekend with some color and visuals. Perhaps the Chileans will be open to some suggestions.

The biggest outstanding issue is still our plans for the State Visit. We owe them an answer right away. I don't think we have a real choice other than to do it on Sunday night and Monday, but maybe you could strongly encourage the NSC and scheduling to settle the matter.

THE WHITE HOUSE
WASHINGTON

August 14, 1997

His Excellency Alvaro Ramos Trigo
Foreign Minister of Uruguay
c/o Embassy of Uruguay
2715 M Street, NW, 3rd Floor
Washington, DC 20007

Dear Alvaro:

Your thoughtful letter of August 4th is received. I, too, enjoyed our luncheon conversation at the IDB. Enrique Iglesias is a wonderful example of Uruguay's leadership and is doing an absolutely splendid job.

Your request regarding President Clinton visiting Uruguay before or after the Santiago Summit is in keeping with our past discussions. Please know it would be a great honor for the President to visit Uruguay, and your request will be fully considered. Of course, scheduling considerations always make matters like these difficult ones, but you have a friend and advocate in me.

Secretary Albright and I visited yesterday about the upcoming UN General Assembly meeting in September. I hope to be there with her for most of the week and certainly look forward to our arranging a mutually convenient time for a meeting.

Again, it was good to be with you when you were in Washington, and Donna joins me in sending our warmest regards to you and your wonderful wife. We still recall our time in Uruguay with great fondness.

Personally,

Mad McClellan

Washington, D.C.*

Montevideo, August 4th, 1997

Dear Thomas,

I remember the friendly lunch we shared in opportunity to my recent visit to Washington, D.C. and also I very much appreciate your proposition to collaborate of making possible the visit of Mr. President Clinton to our country.

We suggest that the visit is held previously to the Summit of the Americas, which is scheduled in April 18-19, 1998 in Santiago, Chile.

Also I am pleased to put on your knowledge that the consultations with IDB to accomplish a high level entrepreneurial encounter to evaluate the Mercosur-USA relations are in progress.

We have considered that Mr. President Clinton could address in the opening and closing sessions of the meeting.

Finally, I let you know that is my aspiration to have a meeting with you as well as with Secretary of State Mrs. Madeleine Albright, when I come to the United States on the occasion of the UN General Assembly meeting on next September.

Truly yours,

ALVARO RAMOS TRIGO

Estimado Thomas:

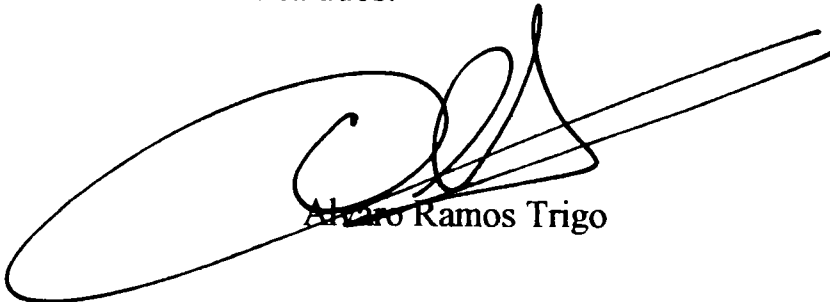

Recuerdo con simpatía el almuerzo que compartimos en ocasión de mi última visita a Washington y mucho te agradezco tu ofrecimiento para cooperar a los efectos de hacer posible la visita del señor Presidente Clinton a nuestro país.

Estamos interesados en que la visita se realice previo a la Cumbre de las Américas, programada para el 18 y 19 de abril del próximo año, en Santiago de Chile.

Asimismo, me es grato poner en tu conocimiento que se encuentran muy avanzadas negociaciones con el BID para realizar un encuentro empresarial del más alto nivel que analizaría las relaciones Mercosur-Estados Unidos. Hemos pensado que la apertura y clausura de este evento podría ser realizada por el señor Presidente Clinton.

Finalmente, pongo en tu conocimiento que es mi deseo entrevistarme contigo, así como con la Secretario de Estado Madeleine Albright, cuando visite en el mes de setiembre los Estados Unidos, con motivo de la Asamblea General de la ONU.

Recibe mis más atentos saludos.

Dear Ambassador McLarty:

In my capacity as Chairman of the Standing Committee of the Pacific Economic Cooperation Council (PECC) and the Chilean Committee on Pacific Economic Cooperation (CHILPEC), I have the honor of inviting you to attend the 12th General Meeting of the Pacific Economic Cooperation Council (PECC XII) to be held in Santiago between September 30 and October 2, 1997, and specifically as a keynote speaker before lunch on Tuesday, September 30, 1997.

The general theme of PECC XII is "Transpacific Partnership", i.e. the idea of cooperation across the Pacific to promote liberalized trade and investment links based on enhanced understanding between Pacific Basin countries and Latin America.

In your planning for your participation in PECC XII, you may wish to have general information about PECC General Meetings, specific information about the role of the United States in the Pacific Economic Cooperation Council, and the program of the PECC XII conference. For this purpose, I would suggest that your office contact the U.S. National Committee for Pacific Economic Cooperation
