Chris

Calls should go to the following people to thank them for their efforts around the crime bill.

Bishop H.H. Brookins
African Methodist Church
310/472-7122

Bishop Brookins sent a letter to prominent African American clergy across the U.S., urging them to support passage of the crime bill with all of its provisions intact.

Dr. John Miles
Pastor of the Morning Star Baptist Church
Kansas City, MO
816/923-3558
816/921-4444

Dr. Miles played a significant role in galvanizing support for the crime bill in Kansas City. When the vote was on the line he organized leading African American clergy in the city and got them to participate in a press conference in support of the bill. They then placed numerous calls asking their elected representatives in congress to support the bill.

Attached is the list of people who should get a thank you letter.

Thanks for coordinating our effort. You did a great job.

Ben

* Indicates States where key Republican votes went to law enforcement's side during argument on the Bill in both houses.

Indicates replacements or additions not indicated in our original letter to you. We would like a few invitations and envelopes so the new people may have a memento of this occasion.

This list in no way represents the extent of the effort of the Fraternal Order of Police in the passage of this Crime Bill. It is indicative of the many hours work exhibited by some special people and is certainly indicative of the ability of the Fraternal Order of Police to produce some key votes on the issues at hand. If possible we would like a group photograph opportunity taken with the President.

Sincerely,

Richard A. Boyd
