Dear Hillary

Thanks for Taking Time to Autograph, Dear Sochs Dear Buddy,
books for Mary Gay, Rae and Scotty, Linda and I. Scotty had
Tears in his eyes when he read what you wrote.

Enclosed is another book for C.J. Zettel, who lost his
13 year old lab. in February. Her name was Simba. C.J. is
Six years old. His family and ours are friends, for years. They
live in Gladwin. Michigan.

Last Summer my grandson and I spent several days, fishing
water skiing and boat riding ~~at~~ at their home. They came
after Christmas and stayed with us, and Duck Hunted in Arkansas.
His mother and father have been yams and President Clintons separate
from 1992.

Please enclose a picture of Sochs, Buddy, The First Lady and
President Clinton.

Hillary, my family's prayers are with you, Chelsea, and President Clinton.
Keep the faith and hold your shoulder up high.

Your friend
always.

Hays T.

RE: "Dear Buddy, Dear Socks" Books

Alice told me that you are person to send my signature requests to. I am sorry to bug you as I am sure that you are inundated with requests. If possible, I would like to have the First Lady sign these two books so I can give them as Christmas presents to family members. One is for my mother, Mary Ann Kwiatkowski, and the other for my aunt and uncle, John and Sue German. If you have any questions, my extension is x65959. Thank you!
