Dear Mr. President:

On behalf of the 340,000 members of the Metropolitan Detroit AFL-CIO, I would like to invite you to be the guest of honor at our Committee On Political Education (COPE) dinner **Thursday, October 22, 1998.**

Our Central Labor Council, which represents members of forty international unions in the three county metro Detroit area, has coordinated several vigorous and successful campaign efforts. In 1994 and 1996, organized labor played a decisive role in stimulating large scale voter registration and participation in Detroit, and we expect an even greater turnout this year. Every constituency in the Democratic coalition needs to educate and mobilize their members, and we are prepared to show that organized labor is leading this effort in southeast Michigan.

Your presence at our COPE dinner would help prove the importance of this election to our members and the community. Your attentiveness to the issues facing working families highlights the goals you share with organized labor. Michigan is a key state, and this event will help energize the union member vote and activism essential to regaining a Democratic majority in Washington, D.C. and in Michigan.

Your staff can contact my office at (313) 896-2600.

I look forward to your reply and hope you can join us on October 22.

Sincerely,

[Signature of Edgar A. Scribner]
