Steve: I have not seen the Lauder paper as of yet. Do you think you can provide me with few paragraphs for Tony for his weekly with Studeman by early afternoon. It would be much appreciated. If possible, if you could drop hard copy off to us as well, it will facilitate our production of the memo. Please include Lauder piece as an attachment. You are a prince. I mentioned this briefly to Poneman this morning at the sr. directors meeting. We still need to coordinate a final outcome here-- E.G., what does Tony say to Studeman other than---- do nothing until Gallucci and Poneman have cleared. Thanks GJT
