NATIONAL SECURITY COUNCIL

April 10, 1996

Andrew:

Fred may have raised the following questions with you when he talked to you this morning. The White House Advance Team in Korea spoke with him about them. I just want to be sure the question has been addressed by someone.

On the participants list for the lunch in Korea:

Should Carter be Campbell? *NO*

Should Myer be Luck (since Luck is already in Korea)? *Yes*

If it is Myer will he need to be manifested to get back to Tokyo?
